4. A Sports Strategy for Peterborough

The Panel received a report and a presentation outlining the Sports Strategy for Peterborough. Members noted that officers were exploring a recommendation to Cabinet which would include provision for a detailed feasibility study to be conducted to identify the best value solution to deliver future swimming provision across the city. It was proposed that this would be undertaken in partnership with Opportunity Peterborough in order to identify synergies between a potential city centre development (Embankment) and opportunities that could be deliverable through the Building Schools for the Future programme. The study would focus on the creation of a regional "flagship" sports and swimming facility and district swimming provision in the northern and southern districts of the city. Due regard would be given to the potential to incorporate the Lido into any Embankment development in order to secure its future and maximise its potential.

The report also outlined the Sports Strategy Action Plan which set out a programme of work that would drive sport forward over the next five years in addition to swimming and other facility development initiatives.

Members were asked to consider and comment on the report and the following issues were raised:

- Members questioned the future development of the facilities based at Jack Hunt Secondary School. Members were advised that there was no action plan in the strategy for this.
- A query was raised regarding the possibility of offering free evenings at sports facilities to encourage youth participation. Members were assured that this suggestion would be carried forward.
- Clarification was sought on the strategy's next phase in securing a 50 metre swimming pool for the city. Members were advised that the next phase would be a recommendation to Cabinet for a detailed feasibility study to be carried out.
- Members questioned the levels of funding that would be available for coaches etc. Members were informed that a sports development budget would be obtainable for these areas of funding.

ACTION AGREED:

The Panel noted the report.

5. A Library Strategy for Peterborough

A report and presentation were submitted to the Panel for consideration. Members were advised that until 2002 it was a statutory requirement to submit an annual library plan to the Department of Culture Media and Sports. These were then succeeded from 2003 to 2005 with library position statements for authorities that had not received an "excellent" overall in their CPA or a "good" and an "excellent" in their libraries and leisure score.

Since then there had been no published plan for the development of the Library Service, so the strategy would look towards modernisation and growth, building on current strong foundations such as excellence in customer service.

The Library Strategy looked at a number of challenges which would face the service in the coming years:

- Achieving the right level and quality of resources, services and facilities;
- Having the flexibility of responding to and leading on community expectations and need and the city's growth agenda;
- Developing effective and efficient skilled staff, leadership and management;
- Embedding ongoing improvement;
- Ensuring recognition of the vital importance of public libraries to personal, family and community development, and how they contribute to the priorities of the city.

Twenty one key actions for the next five years, designed to address the challenges described above, were identified within the strategy and were grouped under four key headings; the offer, the staff, the space and service developments.

Members were asked to consider and comment on the report and the following issues were raised:

- Members questioned the link between the falling numbers of visitors to libraries and the increase in accessibility to online facilities. Members were advised that the use of online resources had played a part in the decrease of visitors to libraries, but there were also other factors to take into consideration, for example temporary building works as at Orton Library. The Panel was further advised that even with the falling number of visitors, the overall number of books going out had in fact gone up.

- Clarification was sought on the methods used to attract new customers. Members were advised that new adjustments would be implemented to capitalize on existing staff members. School visits, event days and guest authors were among some of the ideas already considered plausible. A further query was raised regarding authors visiting schools directly. The Panel was informed that the schools themselves would be directly responsible for organising those visits and the libraries would play no part in arranging them.
- A query was raised regarding the scale of internet usage in the libraries across Peterborough and the whereabouts of the busiest libraries. Members were informed that across the board internet usage was decreasing slightly. It was stated that Bretton and Werrington were amongst the busiest sites in Peterborough.

ACTION AGREED

The Panel noted the report.

6. Promotion of Play

The Panel received a report outlining the proposed remodelling of play services across Peterborough including the allocation of 22 playbuilder sites and an application for Pathfinder funding.

The development of an exciting and imaginative play service would contribute to three major themes of the corporate plan. It would help to achieve the best possible health and well being by developing play opportunities, where healthier socially inclusive communities could be encouraged. Developing play across the city would help make Peterborough a better place to live and work. Finally, providing good play areas would help ensure children were healthy and safe.

The Panel was asked to consider and comment on the report and the following issues were raised:

- Clarification was sought on the amount of consultation ward councillors would receive before any money was allocated to specific sites. Members were advised that 6 schemes were to be completed before the end of March 2009, and the consultation process for these particular sites had already been undertaken. The remainder of the sites were to be completed over the next 2 years.
- A query was raised regarding the number of play sites already situated across Peterborough. Members were informed that the numbers were available and that the Open Space Strategy had been referenced with regard to available play areas.
- Members questioned the need to upgrade existing sites and the guarantee of long term maintenance. Members were advised that community involvement was crucial. Encouraging a sense of ownership in the local community may assure the site is cared for and protected.
- Clarification was sought on the possibility of provision of a temporary beach next summer. Members were advised that there were no plans for this at the moment.

ACTION AGREED

The Panel:

- (i) Noted and agreed the allocation of the 22 playbuilder sites;
- (ii) Considered the application for play pathfinder funding ready for submission on October 24th, and
- (iii) Noted and commented on the proposed remodelling of play services across Peterborough.

7. City Roots Festival

The Panel received a report for consideration at the request of the Chairman. The City Roots Festival linked in to the corporate priority “Making Peterborough a better place to live and work” and the Local Area Agreement outcome of “Empowering local communities” and “Creating a vibrant City Centre”. There was no statutory requirement to provide arts and entertainment, however the City Council had, for many years, provided resources to deliver a wide range of events of an artistic nature.

At its meeting on 18th June 2008 Members of the Community Development Scrutiny Panel had endorsed a draft Cultural Strategy, it was noted in the strategy that the provision of such events as the City Roots Festival had involved significant investment of staff time and revenue resources.

Between 1999 and 2003 the City Council had delivered an event looking to promote emerging popular music. This event had evolved into the Willow Festival, which had been discontinued due primarily to health and safety issues.

The City Roots Festival had three main aims. Firstly to deliver a safe event with a good atmosphere for young people, while also providing an excellent experience for family groups. Secondly it aimed to give a platform to local musicians, giving them the opportunity to work with a professional production in a large scale setting and in doing so providing a ladder for local musical talent. Thirdly it was to act as a pilot to explore the issues relating to this kind of event.

The views of the Panel were sought on all issues relating to the event but in particular:

- The principle of repeating the event
- The issue of charging
- The principle of fencing such an event

The Panel considered the report and the following issues were raised:

- Members questioned the possible reasons behind the poor attendance at the previous City Roots Festival, and whether the bad weather conditions and the ticket prices were to be held accountable in any way. It was noted that there had been a previous event held in Itter Park where there was no charge for entry and 5000 people had turned up in one day regardless of the weather conditions. With regard to entry fees, Members were advised that unfortunately this would be essential in order to cover costs for security, health and safety, fencing etc.
- A query was raised regarding the possibilities of attracting local bands to play at the event for free. Members were informed that this had been achieved in the past at another local event, and if the format was successful then local bands would want to take part in the future.
- Members discussed the apparent lack of promotion for the event and the impact of the pricing structure on the attendance figures for families. They further discussed the location of the event, stating that the embankment was a good venue but it would be reasonable to utilise less of it in future.
- Concern was expressed regarding people bringing along their own alcohol to the event. Members were informed that alcohol would only be available inside the Festival boundaries.

ACTION AGREED

The Panel noted the report.

8. Cultural Services – Customer Charging Policy Review

A report was presented to the Panel for consideration. The Council's existing pricing policy for customer services was based on historical information. The rationale for charging had not been reviewed for a number of years. As part of the annual budget setting process charges were reviewed each year in accordance with budget setting guidelines approved by Cabinet. Traditionally charges were reviewed on the basis of the previous years cost, inflation, market trends, social and business impact. Whilst the charges were influenced by a number of factors the existing process did not readily align itself with corporate priorities and lead to significant variation across services. This led to:

- A variation in fees and charges across services
- A different approach adopted by service areas in setting fees

Whilst the arrangements in place had served the Council adequately, it was appropriate to establish a robust and transparent strategy that would meet the needs of the Council, assist wider inclusion and inform future investment in services.

ACTION AGREED

The Panel:

- (i) Agreed the principle of establishing a small, time limited officer/member working group to explore a pricing policy framework for the cultural services provided by the Council, and
- (ii) Nominated Councillors John Fox, Sue Day and Samantha Dalton to sit on the working group.

9. Executive Decisions

The Panel considered the following Executive Decisions made since the last meeting:

- Response to the Government's Sub National Review Consultation Paper
- Supporting People Resettlement/Floating Support Contract
- Delivery Sustainable Development – Southbank Phase 1 – Carbon Challenge Site
- Growth Area Funds 2008-2011
- Affordable Housing Fund Allocation for Woodston
- Provision and Management of Sports Facilities at Bretton Park

ACTION AGREED

The Panel noted the report.

10. Forward Plan

The latest version of the Forward Plan was presented to the Panel for consideration.

ACTION AGREED

The Panel noted the Forward Plan.

11. Work Programme

The Panel received the latest version of the Work Programme for consideration.

It was noted that the agenda for the 4th November meeting was very full and officers were requested, where possible, to defer some items to future meetings of the Panel.

ACTION AGREED

The Panel noted the latest version of the Work Programme.

4. PETERBOROUGH HOUSING REGISTER AND ALLOCATIONS POLICY

4.1 Background

In accordance with the Housing Act 1996 Part VI (as amended by the Homelessness Act 2002), Local Authorities and/or agents administering the Local Authority's allocations scheme must provide a Choice Based Lettings (CBL) scheme by 2010. Choice Based Lettings has been in operation in Peterborough since 2004.

Choice Based Lettings aims to provide applicants with as much choice as possible by openly advertising vacancies and inviting applicants to express their interest in voids for which they are eligible. This system further aims to simplify existing allocations procedures and provide an open and transparent service to applicants. For the purposes of this CBL scheme, an applicant includes anyone seeking housing through the scheme, including existing tenants wishing to transfer.

Peterborough City Council and the Registered Social Landlords (RSLs) listed below have worked in partnership with tenants and stakeholders to produce this common housing policy for allocating their properties in Peterborough. Registered Social Landlords (RSLs) are housing associations, regulated by the Housing Corporation, that provide affordable housing on a not-for-profit basis.

Accent Nene	Cross Keys Homes	Minster General Housing Association
Axiom Housing Association	echg	Muir Group
BPHA	Home Housing	Wherry Housing
Circle Anglia	Longhurst Homes	

Instead of each organisation having its own housing register, the Council maintains a single housing register for Peterborough. This makes it easier for applicants to find out about housing. Therefore, the likelihood of finding a home does not depend upon which landlord an applicant approaches.

In general, the policy is considered fit for purpose and all proposed changes are of a minor nature to reflect the growth of the scheme.

4.2 Proposed additions to current policy

4.2.1 Unacceptable Behaviour – Rent Arrears (Addition to Section 4.2.3)

This item has been added to give clarity to what constitutes an unacceptable level of arrears. Previously this has been determined on a case by case basis by officers.

Policy addition

Applicants who have four weeks arrears of rent (net of Housing Benefit) with an RSL or Local Authority will be given reduced priority for an offer of accommodation.

Priority may be restored for applicants who enter an agreement to re-pay and maintain the agreement for at least thirteen weeks.

Requests for review of decisions concerning rent arrears will be considered by a panel comprised of representatives from partner RSLs and Housing Options.

4.2.2 Transfers (Addition to Section 5.2)

This item has been added to encourage tenants to fulfil the requirements of their tenancy agreement. It will also assist in creating settled communities.

Policy addition

Applicants will not normally be allowed to register for a transfer until they have maintained their current tenancy satisfactorily for a period of 12 months.

Requests for review of decisions concerning this policy will be considered by a panel comprised of representatives from partner RSLs and Housing Options.

4.2.3 Choice Based Lettings (Addition to Section 8.5)

This item has been added to further enable the authority to assess an applicant's actual housing need. It will also serve to promote choice and prevent applicants continuously refusing properties which are available and reasonable for them to occupy.

Policy addition

Applicants who unreasonably turn down three offers of accommodation or who continually fail to attend viewings without good reason may be invited to an interview to discuss this.

If this behaviour continues consideration can be given to by-passing the applicant on relevant shortlists. A decision to take this course of action must be ratified by a panel comprised of representatives from partner RSLs and Housing Options.

5. CONSULTATION

Proposed amendments to the policy were submitted in the first instance to the Choice Based Lettings Operations Group in May 2008. The group considered these recommendations and approved the revised policy in July 2008. The policy was then presented to and approved by the Choice Based Lettings Board in August 2008. Cllr Graham Murphy, Cabinet Member for Housing, Regeneration and Economic Development has also been consulted and supports the proposed amendments to the policy.

6. ANTICIPATED OUTCOMES

It is anticipated that the consideration of this report will result in the review and development of the Peterborough Housing Register and Allocation Policy, ensuring that it is Fit for Purpose and fully supported by Officers and Members. The Housing Allocations Policy will provide an evidenced and resourced basis for meeting the housing needs of all households across Peterborough within market and resource constraints. The policy will also evidentially support the following documents:

- Sustainable Communities Strategy
- Local Area Agreement
- Core Strategy
- Homelessness Strategy
- Housing Strategy

5. REASONS FOR RECOMMENDATIONS

The policy aims to:

- provide a single route of access to social housing in Peterborough by using a common housing register and a common allocation policy
- allocate social housing fairly and transparently, according to the applicant's priority need
- meet the Council's statutory duties in housing homeless persons
- prioritise nominations to RSLs and other Councils
- prevent the use of bed and breakfast accommodation for homeless families
- minimise the cost of homelessness to the Council and to Council tax payers
- maximise choice for applicants as far as possible, whilst acknowledging that housing is in short supply
- make effective use of the social housing stock in Peterborough
- maximise opportunities for mobility among tenants of social housing
- help build and sustain cohesive communities
- contribute to the speedy allocation of properties
- recognise and support individual needs where appropriate
- enable partner RSLs to meet their charitable objectives
- encourage and support sustainable communities
- encourage and support social and financial inclusion

- ensure applicants are treated fairly, individually and in accordance with the Partners commitment to Equality and Diversity
- provide timely feedback about homes let through the scheme

6. ALTERNATIVE OPTIONS CONSIDERED

The Authority has a statutory duty to maintain a fit for purpose allocation policy, hence maintaining the status quo and periodically revising and updating the policy is considered to be the most suitable option.

7. IMPLICATIONS

- 9.1 The policy will have implications for all sections of society and all wards and parishes of the local authority area.
- 9.2 Financial Implications: There are no immediate financial implications following from the approval of the policy.
- 9.3 Cross-Service Implications

The policy has many cross cutting themes and relies on inter-departmental and organisation working. All parties affected by proposed amendments to the policy have been consulted with. Actions have been developed in partnership with affected parties.

1. Introduction: A single housing register for Peterborough

Peterborough City Council and the Registered Social Landlords (RSLs) listed below have worked in partnership with tenants and stakeholders to produce this common housing policy for allocating their properties in Peterborough.

Axiom Housing Association
Cross Keys Homes
Minster General Housing Association
Nene Housing Society

Registered Social Landlords (RSLs) are housing associations who provide affordable housing on a not for profit basis. They are regulated by the Housing Corporation.

Instead of each organisation having its own housing register, the Council maintains a single housing register for Peterborough. This makes it easier for applicants to find out about housing. Therefore, the likelihood of finding a home does not depend upon which landlord an applicant approaches.

Some allocations are not covered by this policy and this is explained later in this document.

Housing is in short supply in Peterborough and waiting times are very long. We use this policy to allocate homes to those in greatest need.

2. Aims

Through this policy we aim to

- provide a single route of access to social housing in Peterborough by using a common housing register and a common allocation policy
- allocate social housing fairly and transparently, according to the applicant's priority need
- meet the Council's statutory duties in housing homeless persons
- prioritise nominations to RSLs and other Councils
- prevent the use of bed and breakfast accommodation for homeless families
- minimise the cost of homelessness to the Council and to Council tax payers
- maximise choice for applicants as far as possible, whilst acknowledging that housing is in short supply
- make effective use of the social housing stock in Peterborough
- maximise opportunities for mobility among tenants of social housing
- help build and sustain cohesive communities
- contribute to the speedy allocation of properties
- recognise and support individual needs where appropriate
- enable partner RSLs to meet their charitable objectives

3. Scope

3.1 Operation of the housing register

The common housing register will be operated and maintained by Peterborough City Council on behalf of the Council and its RSL Partners.

3.2 Nominations agreements

The Council enters into nominations agreements with RSLs and the detail contained in these agreements is not affected or changed by this Common Housing Policy.

3.3 Annual Lettings Plan

An Annual Lettings Plan will be produced in consultation with the members of the Common Housing Register, covering:

- the percentage of void properties to be allocated between priority Bands as determined by the Council's statutory duties and the charitable or other regulatory requirements of the partner organisations;
- the level of nominations to be offered to social services and any other organisations;
- the operation of the Homes scheme or any subsequent replacement scheme;
- the nominations to be made to key workers;
- targets and actions required to deliver fair and equal access to housing;
- the number of voids to be made available for those in designated, short term move on accommodation
- and any other operational issues.

The Annual Lettings plan is bound by the contents of the Nominations Agreement. It cannot change the provisions in that agreement.

The plan will be produced annually and reviewed quarterly at which point changes may be made to ensure that the aims and objectives of the Common Housing Register are met. In the event of a change in the ability of the Council to meet its statutory duties, or the ability of an RSL to meet its charitable and regulatory objectives, the plan may be reviewed as and when necessary.

Any changes which amount to a change in policy will be subject to negotiation and ratification by the members of the Common Housing Register.

For properties owned by Cross Keys Homes, the percentage of void properties to be allocated to transfers, housing register, management moves etc is determined by the nominations agreement agreed at the time of the stock transfer.

3.3 Allocations covered by the policy

This policy sets out the arrangements for allocating social housing in Peterborough by the Council and its RSL partners.

It covers the selection of applicants to be offered accommodation.

- by way of transfer to existing tenants of the RSLs who are members of the Common Housing Register
- by nomination to RSLs by the Council from the housing register

3.4 Allocations not covered by the policy

The following are examples of lettings not covered by this policy.

- Offers of assured tenancies of their current homes to starter tenants
- transfers of tenancies made by court orders
- assignment of and succession to tenancies
- mutual exchange of tenancies by assignment
- cases where the landlord requires the tenant to move
- transfers to existing tenants on management grounds where approved by the landlord
- temporary tenancies offered to homeless families whilst applications under the homeless legislation are investigated
- temporary moves (known as decants) to enable the landlord to carry out repairs and improvements
- Cross Keys Homes five per cent nomination rights for management moves for its existing tenants

4. Eligibility for housing

4.1 The housing register

The Peterborough Housing Register is a list of people looking for social rented housing in Peterborough.

4.2 Who can join the housing register?

Anyone aged 16 or over (including those with no fixed abode) may be placed on the housing register except

- people from abroad subject to immigration control or regulations
- people prescribed as ineligible by regulations made by the Secretary of State
- people the Council considers unsuitable to be tenants due to unacceptable behaviour

4.2.1 People from abroad subject to immigration control

Applicants are excluded from the housing register if they are from abroad and are subject to immigration control under the Asylum and Immigration Act 1996, or by subsequent amendments, legislation or regulation by the Secretary of State unless they are

- already a secure or introductory tenant of the Council, or
- an assured or starter tenant of an RSL of housing allocated to them via a nomination by the Council to an RSL

4.2.2 Regulations made by the Secretary of State

From time to time the Secretary of State may make regulations which prescribe applicants as ineligible unless they are either

- already a secure or introductory tenant of the Council, or
- an assured or starter tenant of an RSL of housing allocated to them via a nomination by the Council to an RSL.

4.2.3 Unacceptable behaviour

In accordance with Section 160A(7) of the Housing Act 1996, the Council will not accept applications from an applicant where it is satisfied that behaviour has been unacceptable.

Applications will not be accepted where the Council (or in the case of transfers, the relevant RSL) is satisfied that

- the applicant, or a member of his/her household, has been guilty of unacceptable behaviour serious enough to make him/her unsuitable to be a tenant of any Council, and
- in the circumstances at the time the application is considered he/she is still unsuitable to be a tenant as a result of that behaviour

This includes behaviour by the applicant or anyone in his/her household, and anyone living with or visiting the applicant, including children.

4.2.3.1 Definition of unacceptable behaviour

This is behaviour which, if the person concerned were a secure Council tenant, would entitle the Council to obtain a possession order against them. These are grounds 1 to 7 of Schedule 2 to the Housing Act 1985 and subsequent amendments. Such behaviour includes:

- failing to pay the rent
- breaking the terms of a tenancy agreement
- causing nuisance to neighbours or anti social behaviour
- being convicted of using the home for immoral or illegal purposes
- being convicted of an arrestable offence committed in, or in the vicinity of the home
- causing the condition of the property to deteriorate by a deliberate act, or by neglect
- making a false statement to obtain a tenancy

Any person who is refused admission to the register will be notified by letter giving grounds for the decision. The letter will be posted to their home or mailing address and will also be made available for collection for the appropriate Council or RSL office for a period of 28 days. There is a right of appeal and details are given in section 17.

A final check will be carried out before offers are made to ensure the eligibility criteria are still met.

4.3 Local connection

4.2.1 Definition of Local Connection

The Council and its RSL partners have chosen, where appropriate, to give priority to people with a local connection. The definition used is the local connection requirements of the Homelessness legislation.

- Applicants who have lived in the unitary authority of Peterborough for 6 months out of the last 12 months, or 3 out of the last 5 years, unless they came to the area to attend an educational establishment
- Applicants who work in the district full or part time in permanent employment
- Applicants who have close family (parents, children, brothers, sisters and other family members if there is a particularly close relationship) who have lived in the district for at least the past 5 years, or
- Other special reason for living in the district

Applicants who are leaving accommodation in the armed forces will be assessed on the basis of where their principal home was when they moved into forces accommodation.

Applicants cannot build up a local connection through time spent in prison in Peterborough.

Children for whom the Council is acting as corporate parent and who are placed outside the district will be deemed to have a local connection with Peterborough.

4.3.2 Applications from non local people

Applicants who do not have a local connection will be placed in Band 5 unless they can demonstrate a need to move on social or welfare grounds to a particular locality, in which case the application will be placed in Band 2.

4.3.3 HOMES and HEMS Schemes

In return for the opportunity to nominate people from Peterborough to other boroughs through the HOMES (Homes, Mobility and Exchange) or HEMS (Housing Employment Mobility) schemes, the Council may accept a quota of people nominated for accommodation in Peterborough.

Eligibility will be assessed in accordance with this policy but rather than being placed in a Band, applicants will be offered a suitable property. The schemes will only be used to let properties where there is low demand. Unless there is a specific need, HOMES applicants will not have a choice of area, and only one offer of accommodation will be made. The percentage of void properties allocated to the schemes will be contained in the Annual Lettings Plan. At present, HOMES is mostly used for older persons in Peterborough but this will be reviewed annually in the Plan.

4.3 Owner occupiers or people who own a property elsewhere and people with savings/capital

Applications will be accepted, provided all other eligibility criteria are met. However, low or reduced priority will be given and applicants will be placed in Band 5 where it is determined that the applicant

- is adequately housed *or*
- has sufficient resources to finance the purchase of a suitable home (outright or by way of a mortgage) *or*
- has sufficient resources to rent privately and in the circumstances it would be reasonable for them to do so *or*
- could reasonably be expected to occupy a property that they already own.

In determining reasonableness medical, disability, community care and other relevant needs will be taken into account.

4.4 Young people aged 16 and 17

Non dependent applicants aged 16 and 17 may join the housing register but priority will be given to cases where

- the Council has assessed that it has a statutory duty to provide accommodation
- the applicant is leaving the care of the local authority
- Social Services have assessed that accommodation, or supported accommodation is required.

People under 18yrs can not legally hold a secure or assured tenancy so will be given different occupancy agreements until they reach 18yrs.

4.6 Reciprocal arrangements

Other Councils or RSLs who are not members of the common housing register may occasionally approach the Council or partner RSL asking for housing for a person outside the channels established by the policy by offering a reciprocal vacancy for a Council or RSL nominee. The Council or partner RSL may also occasionally initiate such arrangements.

The members of the Common Housing Register reserve the right to initiate, accept or refuse such arrangements, according to circumstances on behalf of the Council. However, such arrangements will be rare.

4.7 Keeping applications up to date

Applicants must notify the Council when their circumstances change. This also applies to tenants of member RSLs seeking to transfer. The Council will operate the register on behalf of the member RSLs.

Approximately every twelve months, usually on a rolling programme, the Council will write to applicants asking them if they still wish to apply for housing, or to apply for a transfer. The Council will also ask for details of any change in circumstances or in preferences for accommodation. The applicant will be given 30 days from the date of receipt to supply the information requested. If applicants fail to respond in the specified period, or they indicate that they no longer want to apply for housing or a transfer, they will be removed from the housing register.

4.8 Giving false information and fraud

The Council and its RSL partners will take action where it is deemed appropriate in any cases where a tenancy has been obtained as a result of fraud or false information. The Council or the RSL may apply to the Courts for possession of the property and the subsequent eviction of the tenant. Action may be taken under the Housing Act 1996 which makes it an offence to knowingly or recklessly make a false statement or withhold information. A person guilty of an offence under this Section is liable to prosecution and a fine.

5. Information required to register

5.1 Proof of identity and address

The Council will require proof of identity and proof of an applicant's current address *before* it will accept an application onto the housing register. In the case of joint applicants proof will be required for both applicants.

Applicants will normally be required to provide the documents listed overleaf.

PROOF OF IDENTITY AND ADDRESS

Necessary Documents	Comments
Proof of identity	Examples: birth certificate, passport, driving licence, identity card
Proof of National Insurance Number	Examples: pay slip, tax notification, National Insurance card
Two forms of proof of your identity at your current address	Examples: a bank statement, driving licence, utility bill, medical card
If you are not a British citizen but a citizen from with the EU we will need to see your passport	Legislation imposes some restrictions on the Council's ability to assist or house people from abroad and this needs to be verified
If you have been granted refugee status or have leave to enter or remain in the UK, you will need to bring your original Home Office documents with you	Legislation imposes some restrictions on the Council's ability to assist or house people from abroad and this needs to be verified
If you are living with family or friends we will need their names and dates of birth	
Dependent children aged under 18 and in full time education	We will need to see their birth certificates and your child benefit book or payment details

Once proof of identity and address have been provided, and the criteria for registration met, the application will be placed on the register. Where priority is requested for various needs, for example, medical, community care, disrepair, harassment, the application may be registered but these needs will be recognised and assessed only when supporting evidence has been obtained.

The Council may verify recent addresses by checking with an agency such as a credit reference agency.

The Council will not register the application if it is not satisfied that the applicant has given sufficient proof of identity and address.

Rough sleepers -the Council may consider letters of identity and referral from local agencies. However, the Council will need to be satisfied that there is sufficient evidence to demonstrate that the applicant has a right to reside in the United Kingdom, is not prohibited by regulation from accessing social housing and that the criteria for entry to the register are met.

5.2 Applicant's consent and declaration

Applicants will be required to sign a declaration that:

- a) the information they have provided is true and accurate and that they will notify the Council of any change in circumstances immediately it occurs;
- b) they will be asked to declare any incidents of anti social behaviour that they (or people living with or visiting them) have been involved in either as a victim or perpetrator
- c) they consent to the Council verifying the information that they have provided. This will include checking with
 - ⇓ a credit reference agency to verify address, household and income details

- ↓ checking with their previous and/or current landlords to establish whether tenancy conditions have been adhered to
- ↓ checking with the Council's Community Safety team to verify any incidents of anti social behaviour

If the above is not provided the applicant will not be registered because insufficient information will have been given.

5.3 Home visits

The Council or RSL may visit applicants in order to verify information and applicants may not be registered until this has taken place and any queries arising resolved. Visits may take place at any stage whilst an applicant is on the housing register in order to verify information provided.

6. How needs are assessed

6.1 Reasonable preference

In accordance with the Housing Act 1996 and subsequent amendments, reasonable preference will be given to applicants who fall into the categories below

- People who are homeless (including those applicants in the non priority groups and those who have been deemed intentionally homeless)
- People who are owed a duty by any local authority under Section 190(2), 193(2) or 195(2) of the Housing Act 1996 or who are occupying property secured by any authority under Section 192(3)
- People occupying unsanitary or overcrowded housing or otherwise living in unsatisfactory housing conditions
- People who need to move on medical or welfare grounds
- People who need to move to a particular locality in the Peterborough district, where failure to meet that need would cause hardship (to themselves or to others)

5.2 Priority Bands

Applicants who meet the eligibility criteria for registration will have their individual housing needs assessed and their application will then be placed in one of five priority Bands according to their circumstances. Where there is accumulation of need, they may be placed in a higher Band. The Banding scheme is attached in Appendix 1. The assessment may involve an interview or home visit.

Tenants of partner RSLs wishing to transfer to alternative accommodation will be assessed in the same way.

Allocation is firstly by Band order (Band 1 being first priority) and then by the date that the applicant was placed in that Band. In the case of homeless applicants this means the date that the applicant is informed in writing that the Council has decided that it has a duty to secure accommodation for them, and not the date the applicant was placed in temporary accommodation.

Generally, tenants of RSL partners who wish to transfer will not be allowed to move unless their landlord is satisfied that there are no rent arrears, that the property is in good condition and that there are no breaches of tenancy conditions.

5.3 Moves on medical grounds

Applicants who feel they need to be housed on medical grounds will be required to complete a separate medical assessment form giving details of their health problems, how their current accommodation affects their condition and how rehousing will help.

The Council will consider advice before determining the level of priority that will be given. The advice will be sought either from an internal suitably qualified or experienced officer such as an occupational therapist or from the Council's medical adviser. The priority awarded will be overriding, high, medium, low or nil. Applicants should note that whilst advice will be sought, the decision will be made by the Council. In some cases the Council may feel that in the circumstances it is not appropriate or reasonable to accept the advice. If this is the case reasons will be given.

5.4 Applicants with a physical disability

The Council may seek the help of an occupational therapist to determine whether a property is suitable.

5.5 Applications from people who are homeless or threatened with homelessness

Applications from people who are homeless or threatened with homelessness within 28 days will be assessed under the Housing Act 1996 as amended by the Homelessness Act 2002.

Priority need applicants may be placed in temporary accommodation whilst their eligibility is assessed. If the Council accepts that the applicant is eligible for housing, in priority need and either homeless or threatened with homelessness unintentionally the Council may secure one reasonable offer of accommodation. This offer may be secured by the Council requiring the applicant to bid under the Choice Based Lettings Scheme; by the Council bidding on behalf of the applicant; by the making of an offer of tenancy through the Council's nomination rights; or by securing a private sector tenancy. Secured through one of these sources, only one offer of accommodation will be made and this will be a final offer under Section 193(7) of the Housing Act 1996. In this way, the Council will have discharged its duty - the applicant will be notified at the time of the offer of this and the consequences of refusal.

5.6 Underoccupation

Priority within the allocation scheme is awarded to tenants of RSL partner landlords who are underoccupying their home. Tenants underoccupying by 2 or more bedrooms will be placed in Band 1. Where a five bedroom property is underoccupied, additional priority may be given to release the property as soon as possible for allocation

RSL partner tenants underoccupying by one bedroom will be placed in Band 2.

5.7 Statutory Overcrowding of a Partner RSL tenant

If the tenant's household is statutorily overcrowded as defined in Part 10 of the Housing Act 1985, (or any subsequent replacement legislation or regulations) they will be placed in Band 1 (urgent rehousing), except where they have caused the overcrowding by unreasonably inviting additional persons to live with them.

Applicants overcrowded by two or more bedrooms will be placed in Band 1 even if the accommodation is not statutorily overcrowded.

5.8 Retiring or redundant Council or RSL service occupiers (tied accommodation)

A service occupier is someone occupying tied accommodation as a condition of their employment with the Council or with a partner RSL (who is a member of the Common Housing Register) for the better performance of their duties.

When a service occupier retires, is made redundant, leaves after a reasonable period of service (other than as a result of disciplinary investigations or proceedings), or is no longer required to occupy the accommodation for the better performance of his/her duties, he/she will be made one suitable offer provided they meet the eligibility criteria for registration onto the register, do not own a property elsewhere which is, or could be, available for their occupation, and it is not reasonable for them to purchase a home. Where the property is required quickly to enable the new postholder to carry out the essential requirements of their job description, additional priority may be awarded and an offer made as soon as possible.

Service occupiers who are dismissed for misconduct, who resign as a result of disciplinary investigations or proceedings, who fail to satisfactorily complete probationary periods or who resign within a year of appointment will not receive any additional priority as a result of having to leave a service tenancy.

Former service occupiers will not normally be rehoused in schemes or establishments in which they were employed, or in the locality of such schemes.

In all cases of rehousing from tied accommodation, the unacceptable behaviour test will be applied and applicants will be required to meet the criteria for entry to the register as specified in Section 4.

Only one suitable offer will be made. Note will be taken of the applicant's choice of area and property type, but it may not be possible to meet these. The property will be required urgently for the postholder. If the offer is refused, possession proceedings will be commenced and the applicant removed from the Council's housing register. If the applicant re-applies to go on the register, no further offers will be made whilst the applicant remains living at this address. Note will, however, be taken of individual and any changed circumstances.

Applicants will need to be aware that the Housing Corporation normally prohibits the housing of former employees unless this is a contractual right. In these cases, it will be necessary to

nominate to a different RSL and this could, depending upon demand for that RSL's housing, result in a longer waiting time.

5.9 Key Workers

The Council is working with a number of partners to deliver affordable housing for key workers. The arrangements for the nomination will be contained in a separate Key Worker Policy document which the Council will negotiate with its partners, and will be subject to separate consultation. Priorities under these schemes will be defined in the individual schemes that are produced.

5.10 Sustainable Lettings Policies

In rural areas, there may be some sites where planning permission and/or funding was given subject to a condition that the development should be for local people. In such areas, priority will be given to local people.

This policy contains provision to maximise choice and this is seen as a key step in achieving cohesive communities (*See "Offering Communities Real Choice – Lettings and Community Cohesion" from the Chartered Institute of Housing*).

5.11 Indirect Exchanges

Mutual exchanges by assignment are not governed by this policy. An indirect exchange occurs when one tenant is offered a vacant property, which will then enable a chain of exchanges to take place and to free up a much needed property. Such indirect exchanges will be allowed only at the discretion of the Housing Options Manager where they best make use of all properties involved and where it is reasonable to do so, taking into account supply and demand issues.

5.12 Where There is No Right of Succession (following tenant's death)

In cases where there is no statutory or contractual right of succession, requests are often received from those remaining in the property to be granted the tenancy. The designated officer may agree to such requests after taking into account how long the applicant has lived in the property as their sole or principal home, the size and type of the property, particularly any underoccupation, whether there are special facilities or adaptations which would be unused, whether the applicant benefits from any local support networks and any other relevant issues. However, in all cases, the applicant will be required to meet the criteria for entry to the housing register as specified in Section 4.

5.13 Reduced priority to those in breach of tenancy condition

The Council will reduce priority to applicants who breach their tenancy conditions. For example, tenants of partner RSLs who have rent arrears in excess of one month's gross rent or who have broken their tenancy agreement in other ways, such as damaging the property or engaging in anti social behaviour, will not receive offers of a transfer or have bids accepted unless there are special circumstances.

5.14 Reduced priority for non local people

Applicants who live outside Peterborough other than those who need to move to a particular locality on social and welfare grounds, thereby qualifying for Band 2, will be placed in Band 5.

7. Sheltered Housing

7.1 Conventional/Category 1 or 2 Sheltered Housing: Who Can Register?

Applicants will need to be eligible to register on the Council's housing register as specified in Sections 4 and 5. Priority will be given to applicants with a local connection in accordance with paragraphs 4.3.1 and 4.3.2. Applicants who do not have a local connection will be placed in Band 5 unless they can demonstrate a need to move to a particular locality on social or welfare grounds, in which case, the application will be placed in Band 2.

In addition, applicants should generally:

- Be aged 60 or over and retired from full time employment (younger persons, for example aged 55 and above, may be accepted on to the housing register for sheltered housing where individual need is demonstrated, such as having a physical disability or community care need);
- Be able to live independently with the support that can be provided;
- Be willing to accept support services provided by the landlord or outside agencies and be able to benefit from the environment provided;
- Need the support that sheltered housing (for example its warden, alarm system and environment) can provide;

Applicants' housing need will be assessed taking the above into account and their application will be placed in the appropriate Band.

7.2 Extra Care/Very Sheltered Housing: Who Can Register?

In addition to the above, applicants for this form of housing will require assistance with daily and or personal care and support tasks but will be able to care for themselves and live independently with the support of community care services such as home care and meals on wheels. The needs of carers and their ability to cope and provide the support required will also be taken into account.

A joint housing and community care assessment will be carried out by a panel of professionals dealing with the case, (for example, housing, health, social care) who will recommend allocation on the basis of individual need. The Banding system will not be used. Priority will be given to those applicants at greatest risk as a result of living in unsuitable accommodation where adequate support cannot reasonably be provided, who are requiring discharge from hospital or who would otherwise have to go into residential or nursing care.

Priority will be given to applicants with a local connection in accordance with paragraphs 4.3.1 and 4.3.2. Applicants who do not have a local connection will be placed in Band 5 unless they can demonstrate a need to move to a particular locality on social or welfare grounds, in which case, the application will be placed in Band 2.

8. How Choice Works

8.1 Choice Based Lettings

When the Council becomes aware that a property is due to become available for allocation, an assessment will be carried out to determine whether the empty property will be allocated through the choice based lettings procedure. In the majority of cases, properties will be let through the choice based lettings scheme and applicants will need to bid for the home they wish to secure rather than waiting for the Council to make them an offer when they reach the top of the list.

The partner RSL will specify if a property is to be let through choice based lettings or through the traditional route of being offered to the applicant with the highest priority. Where properties are offered through a traditional route, an available property will be designated for allocation to a particular Band in accordance with the Annual Lettings Plan. Where properties are offered through choice based lettings, priority will be given to applicants in greatest housing need. This means that Band 1 applicants will receive priority. If there are no qualifying bids from that Band, priority will then be given to Band 2 applicants, and then subsequently, Bands 3, then 4 and then 5.

8.2 Some Properties Will Be Reserved For Transfer

The Council will, in accordance with its lettings plan and the nominations agreement agreed with Cross Keys Homes at stock transfer, designate some properties as being available only for existing RSL tenants who wish to transfer. In the majority of cases, offers will not be made and applicants will need to bid for a property.

8.3 The Bidding Process

Properties available will be advertised and applicants may bid for up to three properties within the timescale specified. In the case of vulnerable applicants or those with support needs, the Council may bid on behalf of the applicant if it is considered that the property is suitable.

The three applicants with highest priority, taking account of the bedroom standard and property type criteria (see Appendix 2) will be selected to view. Priority will be by date order of the applicant being placed in that Band. For example, three applicants from the relevant Band would be chosen to view. If all three expressed an interest in the property and the Banding dates were 2001, 2002 and 2003, the property would be offered to the applicant who had been placed in that Band in 2001. If they turned it down, it would then be offered to the applicant who had been Banded in 2002. If they turned it down, it would be offered to the applicant who had been Banded in 2003.

Properties will not normally be offered to applicants who do not express an interest unless they are statutory homeless or the Council or RSL requires them to move.

Where historically the property types takes longer than average to let, more than three applicants may be invited to view.

If there are no successful bids, a further selection of three applicants from the original advertisement may be made and offered the opportunity to view. Alternatively, the property may be re-advertised, depending upon the timescales and the need to let properties quickly.

Where there is low demand (or there has been more than two refusals) the property may be offered to a lower priority Band or the bedroom size requirement relaxed. This supports the aim to relet properties effectively and quickly.

8.4 Other Lettings

Applicants may choose the areas in which they wish to live. However, if accommodation is in short supply in the area chosen, the applicant will have to wait for a significant period (usually several years unless in Band 1) and may be asked if they wish to widen their choice of area.

Applicants may register for all areas if they wish.

Applicants may choose the type of property they require, but houses are generally allocated to families with dependent children. Applicants cannot choose properties larger than they need and the bedroom standard will apply.

8.5 Number of Offers

Where properties are offered through the traditional route (i.e. by offer rather than by the applicant bidding) and the Council allocates the property to the person with the highest priority, there is no penalty if the offer is refused and no limit to the number of offers that will be made unless

- The applicant is statutorily homeless; or
- Is homeless and in temporary accommodation; or
- Is required to leave a service or tied tenancy; or
- The policy specifies that in the particular circumstance only one offer will be made

in which case only one reasonable offer will be made and the applicant will be removed from the housing register. Applicants in temporary or tied accommodation will be required to leave at the expiry of their notice period and to find their own accommodation. The application will be re-assessed based on the new accommodation and any applicant who is still homeless will be placed in Band 2 of the register rather than Band 1.

Where applicants do not make a bid under the choice based lettings scheme, generally no priority is lost as a result of not bidding or turning down an offer following a successful bid. However, if the applicant is in one of the above categories, the Council may bid on their behalf. If the applicant refuses the tenancy, no further offers will be made, and the applicant will be required to move out of the temporary accommodation and the above re-assessment criteria will apply.

8.6 Property Size and Type

8.6.1 Size

The size of property will be in accordance with the Bedroom Standards Policy which is attached in Appendix 2.

Exceptions may be made to the size rules where

- The Council is satisfied that medical advice has established that a larger property is required on medical grounds;
- In cases where a carer is required to live with the applicant in order to prevent entry into residential care or hospital;
- Tenants of landlords who are part of the common housing register who are underoccupying properties of four or more bedrooms – one bedroom in excess of their assessed need may be allowed;
- The property has been refused twice and demand is low;
- Other exceptional cases approved as below:
 - * In the case of transfers of existing tenants partner RSLs, approval by the designated officer.

In the case of housing register or homeless applicants, approval by the Council's designated officer.

8.6.2 Type and Area

Certain properties may be designated for occupation by particular groups, or designated as not appropriate for certain applicants, either temporarily or on a longer term basis, including flats designated for occupation by elderly or disabled persons; temporary accommodation for homeless families; to address the particular management needs of an area; or to ensure that the Council facilitates the development of diverse and sustainable communities. For example, some RSLs have developed accommodation for BME tenants (black and minority ethnic) and priority will be given on this basis.

Bungalows and ground floor flats are in short supply. Preference is usually given to applicants with mobility, disability or other special support needs. In some cases, it may be necessary to allow a bedroom for a live in carer.

From time to time, it may be necessary for the Council to restrict the offers of accommodation it makes to families, in order to meet the child density rules required by the Housing Corporation, or to meet the management needs of an area in order to build sustainable and balanced communities.

8.6.3 Shared Ownership

Applicants who wish to be considered for shared ownership dwellings will be required to show that they can afford and obtain a mortgage to the required level.

Applicants will need to demonstrate they cannot afford to buy a property of a suitable size in Peterborough on the open market. The following will be considered:

- Income of applicant(s)
- Essential expenditure
- Purchase price
- Whether the combined housing costs are 35% or less of the applicant(s)' net income
- Any special circumstances relating to the applicant

Once these factors have been determined, priority will be assessed in accordance with this policy. The applicant with greatest housing need will be nominated for the property. In the event that the shared ownership property is let by choice based lettings, the applicant with the greatest housing need will be selected.

8.7 Nominations

When RSLs request a nomination from the Council, they often require more than one applicant to be put forward. Applicants need, therefore, to understand that a nomination may not result in an offer being made.

8.7 Homeless households

Applicants who are accepted by the Council as being statutorily unintentionally homeless and in priority need will be placed in Band 1. In most cases temporary accommodation will have been provided.

Applicants who are homeless but not in priority need or who are intentionally homeless will be placed in Band 2.

Homeless applicants in Band 1 must bid for suitable properties. Applicants cannot remain in temporary accommodation delaying bids until their preferred property becomes available. Where applicants fail to bid, the Council may either nominate to an RSL to secure a tenancy or bid on their behalf.

If the applicant subsequently refuses the offer of a tenancy, provided the offer was suitable in terms of size and property type and any special needs, the Council will have discharged its statutory homeless duty to them.

If the applicant is in temporary accommodation secured by the Council, a notice to quit will be issued and the applicant will need to find their own accommodation.

If the applicant wishes to remain on the housing register, the application will be reassessed based on the individual circumstances. If the applicant had been placed in Band 1, the reassessment may result in their being placed in a lower priority Band because they will no longer receive homeless priority as the Council will have discharged its statutory duty.

9. Social Services Supported Applicants

9.1 Nominations

Nominations will be given to Adult Social Care (now part of the Greater Peterborough Primary Care Partnership) and Children's Social Services between them as below:

- Nominations may be made to the Council for one, two or three bedroom properties
- The eligibility criteria for entry on to the register must be met. The unreasonable behaviour test will be applied.
- The nomination must be authorised by the Head of the Division (for example, Head of Adult Social Care, or Head of Children's Services or their equivalent).
- Offers will be made outside the Banding system and within a reasonable time, usually within 3-6 months. Choice of area will not normally be possible, although account will be taken of a need for a particular locality. Where it is agreed that a particular locality is required, the waiting time is likely to be longer. Although the applicant will be given priority, it will not always be possible to offer the next available property as there may be competing cases with similarly high priority.
- Appropriate care packages must be in place before an offer can be made.

The Annual Lettings Plan will review this arrangement and will consider the number and type of properties to be made available for the coming year. In year one up to four properties will be made available. When reviewing the operation of this clause regard will be paid to housing need pressures.

9.2 Children Leaving Care

The Annual Lettings Plan will contain details on the numbers of properties that may be offered to this client group. Generally, the Banding system will not be used and instead, one suitable offer will be made. In cases where the Council has been the corporate parent, children will be offered a tenancy when they leave care and will not be required to enter temporary accommodation. Children placed in care outside the district will be deemed to have a local connection.

10. Move On Accommodation

There are a number of establishments in the district that provide accommodation of a short stay nature with a view to the applicant moving on.

The Annual Lettings Plan will contain provisions to allocate a percentage of void properties to this group. These allocations will be made outside the Banding system but applicants will still be required to meet the entry criteria for the housing register. Nominations will be made by Landlords on the basis of who is most ready to move on, in terms of being able to cope with independent living.

11. Removal from the Housing Register

Applicants will be removed from the list in the circumstances below:

- If one or more acts of unacceptable behaviour occur after an applicant has been accepted.

- The applicant is living in a service tenancy or tied accommodation provided by a partner RSL and has refused an offer of accommodation.
- Applicants who cease to meet the eligibility criteria for entry to the register as specified in Section 4.

Where the Council has reason to believe that an applicant has become ineligible, it will inform the applicant in writing. The applicant will be given 28 days to provide information showing that he or she is eligible. If no reply is received within this period, or the Council receives a reply but is not satisfied that the applicant is eligible, the application will be removed from the housing register.

12. Authorisation For An Offer

12.1 Checking at the Point of Allocation or Choice Based Lettings Bid

When an offer is about to be made, or a choice based lettings bid accepted, a final check will be carried out to ensure that the applicant is still entitled to receive the offer. In particular, the Council will consider the following:

- Whether there are rent arrears in excess of one month's rent (this may not apply to homeless applicants in temporary accommodation or someone waiting for housing benefit). If so, no offers will be made until the debt has reduced as required.
- Whether the applicant or someone who lives with them or who visits them has committed acts of unacceptable behaviour such as anti social behaviour serious enough to make them unsuitable to be a tenant of a partner RSL. In such cases, the applicant will be removed from the register.
- Whether the applicants (other than those who are already tenants of partner RSLs) are considered to have sufficient financial resources to buy a property within the district. If this is the case, and the property is in demand, the offer will not be made.
- Whether the applicant has deliberately disposed of property or other assets, including savings, to avoid the criteria in the above paragraph. In such cases, the offer will not be made and the applicant will be removed from the list.
- In cases where the applicants are considered to have voluntarily worsened their circumstances within the previous 12 months, with the effect of increasing their priority under the Allocation Scheme, no offer will be made.
- Partner RSL tenants whose property is in poor state of decoration or in need of repair that is the tenant's responsibility (other than those in Band 1) for example caused by neglect or damage. In such cases, tenants will be required to bring their properties up to a reasonable standard before an offer will be authorised. However, elderly or disabled tenants may be exempt from this requirement, as may others with special circumstances.
- Whether, in the case of a transfer of a partner RSL tenant, vacant possession will be given. An offer will not be made until the landlord is satisfied that vacant possession will be given.
- In cases where the applicant has given false information in order to receive priority, no offer will be made until a reassessment has been carried out. The void property will not be held whilst this is done and will be offered to the next highest priority applicant.

Authorisation for an offer may be withdrawn at any time if it comes to the Council's attention that an applicant who has been authorised for an offer falls into any of the above categories. Where appropriate applicants will be removed from the list.

12.2 Viewing Properties

Under the choice based lettings scheme, information published on available properties includes the date upon which viewings will take place. Once bidding has closed, a shortlist of, normally, three applicants will be invited to view. If applicants cannot or do not subsequently attend, their bid will not be considered further. The property will be let to the applicant with the greatest priority determined in accordance with this policy.

Where a property is being offered through the traditional, non choice based lettings route and a tenancy is subsequently offered, the successful applicant will be notified of the viewing date and if they are unable to attend, or fail to attend, the offer will be deemed to have been withdrawn.

Regard will be paid to special circumstances.

12.3 Employees, Members of the Council, Board Members and Their Relatives

All housing applicants will be required to declare whether they or any of their household or relatives work for the Council, or a partner RSL, or are an elected Member/Councillor or RSL Board Member.

The terms relative and household include:

- Anyone living with the applicant as a partner, or as a member of their household
- Natural/adoptive/step parents
- Natural/adoptive/step children
- Brothers and sisters
- Daughters or sons in law
- Grandparents
- Aunts and uncles
- Cousins
- Estranged spouses or partners, regardless of whether they live as part of the applicant's household.

Applicants' applications or priority level will not be affected.

Applicants to whom any of these descriptions apply will be required to have their offer authorised in writing by the designated officer.

13. Applicants Refused Admission to or Removed from the Register

13.1 Re-application

Any person refused admission may re-apply when he or she considers that the Council should no longer treat him/her as ineligible. The Council will consider the application on its merits and will consider whether there has been a change in relevant circumstances. It will be for the applicant to show that his/her circumstances or behaviour have changed substantially, and unless they are able to do so, admission is likely to be refused.

13.2 Notification of Refusal of Application

Any person who is refused admission to the list will be notified of this by means of a letter sent to their home or mailing address, giving grounds for the decision. The letter will also be made available for collection from Bayard Place for a period of 21 days.

13.3 Right to Request a Review of the Decision of Ineligibility

Applicants excluded from the list on ground of ineligibility may request a review of the decision.

13.4 Applicants Already on the List who Became Ineligible

If at any time the Council obtains information that leads it to believe that an applicant already on the housing list is ineligible, they will be removed from the list. Such applicants will have a right to request a review of the decision.

14. Witness Mobility Scheme

The Council and its partner RSLs support the witness mobility scheme and may consider at its discretion referrals made to house witnesses. The Banding system will not be used and one reasonable offer will be made. When making the decision to accept, the Council will take into account the level of risk the applicant is facing and the demand and supply issues at the time in Peterborough.

It will be necessary for the applicants to meet the eligibility criteria for entry on to the register in accordance with section 4 of this policy, and the proof of identity requirements in section 5. Priority will be given to local people in accordance with paragraphs **4.3.1** and **4.3.2**.

15. Exercise of Discretion in Exceptional Cases

Exceptional circumstances will be taken into account and priority awarded by the designated officer according to the individual needs of the applicant. One example would be exceptional cases where the composite overriding housing needs justified immediate or more urgent rehousing. Other examples include placing an applicant in a higher priority Band or allowing tenants with rent arrears to transfer. The Council and its partners will ensure that they do not fetter its discretion and will treat each case on its merits.

16. Joint Tenancies

The Council and its RSL partners encourage joint tenancies. Both the parties to a joint tenancy must individually qualify to be placed on the housing register. Joint tenancies will not normally be offered to parents and children in order to prevent future underoccupation. Generally partners will be required to accept joint tenancies.

Applications will be accepted from same sex households and joint tenancies will be granted.

17 Applicants who need to move on social or welfare grounds

Applicants who need to move on social or welfare grounds to a particular locality, for example, to give or receive care from someone, will be placed in Band 2.

18 Right to Review and Appeals

Applicants dissatisfied with a decision that has been made, including a decision to refuse entry to or remove them from the register, may request a review of the decision. The Review will be carried out by a panel of officers who were not involved in the original decision, and who are senior to the officer who made the original decision.

Requests for a review must normally be made in writing within 21 days of the date the decision was notified to the applicant, and should include the applicant's reasons for believing that the decision made was inappropriate.

Extensions to the 21 days will be allowed where justified by special circumstances.

APPENDIX 1: PRIORITY BANDING SYSTEM

EXECUTIVE DECISIONS

1. PURPOSE

The purpose of this report is to notify the Panel of the Executive Decisions which have been taken and which relate to the Panel's remit.

2. EXECUTIVE DECISIONS MADE SINCE THE LAST MEETING

2.1 Peterborough Public Realm Strategy

Cabinet considered the Public Realm Strategy (now renamed the "Streets, Squares and Spaces Strategy") which, if agreed by Council, would become part of the Council's Major Policy Framework as a strategy to improve/redevelop an area of the city. The strategy examines the background and context to the city centre's public realm; sets out strategic aims and objectives; identifies different character areas and the design principles that should apply to each one; establishes principles for the use of materials and detailing; and makes proposals for management and maintenance.

There are 10 principles underlying the strategy:

- The re-attachment of the railway station to the historic core
- The re-attachment of the river to the city centre
- A fine grain - small units and many doors
- A vibrant place in the evening as well as in the day
- Residents in the city centre
- A city centre designed for cyclists and walkers
- Places to sit and places to eat
- Public spaces as informal arenas
- Public spaces as arenas for festivals and events
- A public realm that is distinctively Peterborough

CABINET RESOLVED TO:

Agree the Streets, Squares and Spaces Strategy as the Authority's overall strategy for improvements to the public realm of Peterborough city centre and recommend the approach to Full Council.

Reasons

The Strategy is recommended for approval as part of the package of measures which contribute to two of the Council's strategic priorities – to plan and deliver a safe, attractive and environmentally friendly city; and to make Peterborough a better place in which to live and work. It will contribute to the priority outcome of the Sustainable Community Strategy – Creating a safe, vibrant city centre and sustainable neighbourhood centres. Improvements to the public realm have also been demonstrated to contribute to the economic growth of cities, with measurable impact on surrounding property values.

Alternative Options Considered

The alternative option is not to produce and approve a Public Realm Strategy. This was rejected because, if there was no strategy, the state of the public realm would continue to deteriorate; the quality of the environment in comparison to that of neighbouring cities would deter shoppers, tourists, visitors and businesses; individual works in the public realm would be carried out in an ad hoc fashion, producing an incoherent city centre; and the potential to capture contributions to public realm improvements through planning obligations would be reduced.

3. IMPLICATIONS

Implications are contained within each individual decision notice.

4. EXPECTED OUTCOMES

The Panel is asked to consider the Executive Decisions which are relevant to the remit of the Panel and which have been made since the last meeting and if felt appropriate, to identify any decisions they may wish to examine in more detail.

COMMUNITY DEVELOPMENT SCRUTINY PANEL	AGENDA ITEM No. 8
4 NOVEMBER 2008	PUBLIC REPORT

Contact Officer:	Liz Boome, Performance Scrutiny Officer	Tel. 452324
------------------	---	-------------

FEEDBACK AND UPDATE REPORT

1. ORIGIN OF REPORT

- 1.1 This is a regular report to the Community Development Scrutiny Panel as agreed as part of its work programme.

2. PURPOSE AND REASON FOR REPORT

- 2.1 This report provides feedback on items considered or questions asked at previous meetings of the Panel. It also provides an update on matters which are of interest to the Panel or where the Panel have asked to be kept informed of progress.

3. COMMUNITY CONTACT CENTRES FUNDING

- 3.1 At its 17 June 2008 meeting, the Panel was advised that a funding bid for £200,000 had been submitted to the Supporting People programme in order to further support and develop the Contact Centres. An update on progress to date is outlined below:
- 3.2 Contact centres at Orton, East, Welland and Westwood have been funded through grant funding in 2008/09.
- 3.3 This intervention enabled all but Welland to exist until the end of the current financial year. Unfortunately the application for additional funding from the Supporting People programme was unsuccessful.
- 3.4 Welland (Partnership House) ceased to exist on 31 August 2008. The operators, Compass, were unable to continue to provide the service without additional funding. The property has been taken back into Cross Keys Homes stock. Discussions involving PCC, Greater Dogsthorpe Partnership and Cross Keys have been held to ensure that any services that used the venue as a base have alternatives in the area from which to operate. The Area Housing Office, the Blue Mobile, the GDP Office and the Charteris Centre may be able to provide alternative venues.
- 3.5 The Council have made it clear to all Contact Centres that there will be no additional funding in either the current year or in future years beyond this allocation. We are therefore exploring other support, probably advice from the Development Trusts Association or similar organisation, who can provide expertise in relation to business planning, sustainability, income generation, social enterprise development, grant funding and similar. The initial meeting is to take place on 10 October to explore this fully and identify the requirements to ensure that the support is the most appropriate available. The cost for this is to be met from existing funds.
