The Licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.

Cameras will be sited to observe the entrance and exit doors both inside and outside. 2. Cameras on the entrances will capture full frame shots of the heads and shoulders of all people entering the premises i.e. capable of identification. 3. Cameras viewing till areas will capture frames not less than 50% of screen. 4. Cameras overlooking floor areas will be wide angled to give an overview of the premises. 5. Be capable of visually confirming the nature of the crime committed. 6. Provide a linked record of the date, time and place of any image. 7. Provide good quality images –colour during opening times. 8. Operate under existing light levels within and outside the premises. 9. Digital images will be kept for 31 days. 14. Police will have access to images at any reasonable time. 15. The equipment will have a suitable export method, e. G. CD/DVD writer so that the police can make an evidential copy of the data they require. This data should be in the native file format, to ensure that no image quality is lost when making the copy, if this format is non-standard (i.e. manufacturer proprietary) then the manufacturer should supply the replay software to ensure that the video on the CD can be replayed by the police on a standard computer. Copies will be made available to Police on request

c) Public safety

Appropriate fire safety procedures are in place including fire extinguishers (foam, H2O and CO2), fire blanket, internally illuminated fire exit signs, numerous smoke detectors and emergency lighting (see enclosed plan for details of locations). All appliances are inspected annually. All emergency exits shall be kept free from obstruction at all times.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
 5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
 6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

 8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 10. Please list here steps you will take to promote all four licensing objectives together.
 11. The application form must be signed.
 12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
 13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
 14. This is the address which we shall use to correspond with you about this application.
 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

- I am an employee of BP Boongate service station on St Johns Street
PEI SDD
- * Alcohol license within metres of No. 32. (2 licenses), B&L General stores till 10pm and BP Boongate, 24 Hours license with a 10pm lock door policy.
 - * Antisocial behavior
 - * Increased traffic on a already one of the busiest road in Peterborough.
 - * parking, insufficient spaces already catering for existing shops within metres of No. 32.
 - * pedestrians, cyclists visibility and safe passage on foot path. ^{25 cars} ~~park on~~ foot path

also a school is very close by

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

- * There is already 2 Alcohol licences with metres of no. 32. but stores till 10pm. and BP Boongate has a 24 hour Alcohol license with a lock door policy!
- * we already suffer Anti social behavior, and other crimes within the area, I have enclosed pictures. I believe this will increase. Not long ago serious assault occurred within metres of no. 32. this can be checked with Police ~~etc~~
- * St Johns street is one of the busiest roads in Peterborough I believe this will increase ^{more} traffic to St Johns street.
- * parking. Most of St Johns street is double yellow lined with limited parking spaces for the existing shop on that Row next door to 32. this has caused people to park on the double yellow lines and half on foot path, if no other spaces available including on double yellow lines, vehicle ~~at~~ ~~at~~ ^{Attempt to} park on BP forecourt, leaving vehicle unattended, to which ~~now~~ ² becomes a HAZARD, Health + safety risk. We are currently increasing enforcing parking restrictions due to the ³⁶ confrontation of risking the public.

to move their vehicle of the forecourt while shopping at the other store by 32.

* pedestrian, cyclist, school

CAN be difficult already for the Public, cyclist and school children passing due to visibility and cars parking on the double yellow lines and half on footpath.

Section D: Your concerns

Please summarise your concerns about this application:

1. This store is next to the school. Less than 100m. Minors will hang out near schools and ask strangers to purchase alcohol.
2. Insufficient Parking.
3. Anti-social Behaviors.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

1. Store is situated near to school. Minors can stand near the school because no one have concern, near the school. They can hang out, ~~in~~ and ask a stranger to purchase alcohol for them., Use fake ID, They can steal goods and alcohol related goods.
2. There is insufficient parking. The premises have yellow line outside, this area can park around six vehicles only. There are more shops. and this parking effect to parents who drop children to school, Emergency vehicles and pedestrians.
3. As a local resident, I am concerned Peterborough Council granted high number of

licence premises offering 'off sales' all within a short distance and the area is near to schools.
Availability of alcohol in such close ~~prox~~ proximity to these activities will cause a rise in calls to service for police.

How to make a representation

The statutory representation period begins the day after a valid application is received by the licensing authority and lasts for 28 consecutive days. During this time there must be at least one public notice in a local paper and a blue A4 public notice displayed on site for 28 consecutive days. The application will also appear on the public register.

Any representations must relate to one of the four licensing objectives below:

Prevention of crime and disorder

This relates to any crime, disorder or anti-social behavior in connection with the management of the premises. The licence holder cannot be responsible for the conduct of individuals once they leave the premises.

Public safety

This relates to the safety of the public on the premises - such as fire safety, lighting and first aid.

The prevention of public nuisance

This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

The protection of children from harm

This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law already provides special protections for children, such as making it illegal for children under 18 to buy alcohol. We recommend that if you wish to object to an application for a premises licence, you use the representation form.

Representations (objections) may not be made anonymously. Any representations that are received will be included in a report to the hearings panel. This report will be a public document and will be circulated to the parties involved prior to the hearing.

Section D: Your concerns

Please summarise your concerns about this application:

1. As a local resident I am concerned that we already have 2 off-licence shops within a few metres of each other and the Polish Shop. The Shop at Brongate has a 24 hour off-licence licence and the Store next to the Polish Shop at 36 St. Johns Street. All 3 Premises are on the same side of the road with Postcode PE15 2AD.
2. There is insufficient parking. The parade has double yellow lines outside it. Where will customers + delivery vehicles park? There are double yellow lines on both sides of the road.
3. St Johns Street is one of the busiest roads into town centre.
4. The Store is next to a school, and will be frequented by children on way to school and back.
5. There is no safe crossing over the road. That is pedestrian crossing.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

1. Antisocial behaviour is already an issue on the parade. This is attacks, robbery and graffiti on walls. An alcohol licence will add to disturbances in the area.
2. There is insufficient to no parking available. There are double yellow lines outside the parade. Parking here reduces visibility of traffic. This is a concern for pedestrians, cyclists and elderly people.
3. Pedestrians, children and cyclists trying to avoid the store cannot cross over safely for lack of visibility of parked vehicles and no safe route.
4. There are many incidents that require police presence in this part of Eastgate. Many assaults have been reported to the police. An alcohol licence without a lock door policy in this area is an accident waiting and a risk to the community.
5. There is concern that the amount of litter + rubbish already discarded in the parade area will greatly increase with increased activity.
