Subject: FW: Licensing Act 2003 - application for the review of a premises licence

Hi

The Eastern Neighbourhood Delivery Team (NDT) is fully supportive of the review of the licence for the Medina Kebab House, 65 Gladstone Street. The NDT strongly supports the need to revoke the licence based on the fact that the crime and disorder objective within the licence has being breached.

Crime and disorder is an issue the NDT works in partnership to tackle and it believes issues such as what have been uncovered at this location should, on this occasion, be dealt with by taking robust action in respect of the licence.

Thanks
