Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	<input checked="" type="checkbox"/> yes
Public Safety	<input checked="" type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

Please summarise your concerns about this application:
<p><u>Prevention of Crime & Disorder:</u> if car park included in their premises, very concerned regarding the gathering of groups of individuals drinking and causing a nuisance. I have seen how this type of shop seems to act like a magnet to this kind of anti-social behavior.</p> <p><u>Public Safety:</u> Premises that sell alcohol seem to attract undesirable types of people hanging in and around the shop, if we must have this shop here, which we totally object to it being here in the first place, make the shop a safer place for majority and sell no alcohol. Alcohol is often the target for thieves.</p> <p><u>Prevention of Public Nuisance:</u> Noise we do not want the extra cars this development will bring, the extra headlights shining into our homes, the extra slamming doors. People will be lazy and will not use the car park provided as it is out the back as they will have to walk a few more steps. We already have people throwing drinks cans in our gravel out the front of our home, so there is a concern over increase in rubbish. As a minimum the hours in which alcohol is permitted to be sold should be curtailed, especially as the safety, comfort of the older / disabled extra-care residents across the road should be taken into consideration.</p>

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

Although the Co-Op are known as responsible shop retailers I think for the safety of their minimum wage staff working long unsociable hours alcohol should not be sold at this premise. Alcohol unfortunately brings with it unsocial criminal behavior, that no amount of sensible management structures can totally legislate for.

Having spoken to many of the residents here directly across the road, at our extra-care unit we are still hoping that the Co-Op will reconsider this whole development on the grounds of the on-going health and safety of the elderly, some of which are frail with multiple disabilities and illnesses.

How to make a representation

The statutory representation period begins the day after a valid application is received by the licensing authority and lasts for 28 consecutive days. During this time there must be at least one public notice in a local paper and a blue A4 public notice displayed on site for 28 consecutive days. The application will also appear on the public register.

Any representations must relate to one of the four licensing objectives below:

Prevention of crime and disorder

This relates to any crime, disorder or anti-social behavior in connection with the management of the premises. The license holder cannot be responsible for the conduct of individuals once they leave the premises.

Public safety

This relates to the safety of the public on the premises - such as fire safety, lighting and first aid.

The prevention of public nuisance

This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

The protection of children from harm

This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law already provides special protections for children, such as making it illegal for children under 18 to buy alcohol.

We recommend that if you wish to object to an application for a premises license, you use the representation form.

Representations (objections) may not be made anonymously. Any representations that are received will be included in a report to the hearings panel. This report will be a public document and will be circulated to the parties involved prior to the hearing.
