BRIEFING UPDATE

P & EP Committee 29 January 2019

ITEM NO	APPLICATION NO	SITE/DESCRIPTION
1.	18/01901/FUL	333 Thorpe Road Peterborough PE3 6LU , Conversion of annex to separate dwelling

A. Addition objection Received

A letter of representation has been received raising the following concerns;

- The redline of the site location plan is formed of two separate title plans;
- As shown on the submitted title plans the turning area shown to be included within the Site Location plan is outside of the Applicant's ownership / right of access, therefore cannot be achieved; and
- The parking spaces are not compliant.

Officer Response:

- It is not unusual for a site location plan to be made up of a number of title plans; the redline of the site location plan forms the application site to which this proposal relates and this includes the proposed turning area
- Rights of access cannot be taken into account as they are a private legal matter and permission cannot be refused on the basis that a third party owner has indicated that they will not grant a right of access. Equally an individual can't be required by a planning condition to use a turning facility that has been provided

In the light of information received a small change to in relation to Condition 3 in proposed:

Prior to the first occupation of development hereby approved space shall be laid for the parking of two vehicles in accordance with drawings 1753 E001A (Location Plan), 1753 E002 (Existing Site Plan) and 1753 E005 (Proposed Site Plan). The parking area shall utilise a solid bound material and this together with the turning area shall not thereafter be used for any purpose other than the parking and turning of vehicles.

Reason: To ensure the development is provided with satisfactory parking, in accordance with Policy PP13 of the Peterborough Policies DPD (2012).

- The parking spaces as shown on the submitted Site Plan are 2.4m x 5m, which is an acceptable size for a parking space. As this proposal is for a 1-bed dwelling, only 1x parking space is required to be provided to accord with Appendix A and Policy PP13 of the Peterborough Policies DPD (2012). However as there is sufficient space two parking spaces are sought to be provided.

B) Additional Matter

The following condition is to be attached which would protect the amenity of Tower House:

Prior to the first occupation of the dwelling hereby approved the east facing ground and first floor windows to serve the kitchen and bathroom, as shown on Drawing 1753/E004, shall be fitted with obscure glazing to a minimum of Pilkington Level 3 and non opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the

window is installed. The obscure glazing shall be continuous and shall not incorporate any clear glazing features. It shall subsequently be retained as such in perpetuity.

Reason: In the interest of protecting neighbouring amenity, in accordance with Policies CS16 of the Peterborough Core Strategy DPD (2011) and PP3 of the Peterborough Policies DPD (2012).
