4. BACKGROUND AND KEY ISSUES

4.1 INTRODUCTION

4.1.1 The Accounts and Audit Regulations 2015 state that each local authority shall at least annually, “conduct a review of the effectiveness of its system of internal audit”. The regulations go on to say that the findings of this review should be considered by a committee or members of the relevant body as a whole, as part of the wider consideration of the organisation’s system of internal control. This requirement is reiterated in the Internal Audit Charter which was last approved by the Committee in March 2019. The requirements for an effective internal audit function are set out in Public Sector Internal Audit Standards (last updated in April 2017).

4.1.2 Members previously considered a report in March 2018 which reviewed the Committee’s effectiveness as the Council’s Audit Committee, using the CIPFA “Toolkit for Local Authority Audit Committees”. An update of this assessment is provided within the report. The report also contains an assessment against an existing good practice model in respect of the knowledge and skills expected of an effective audit committee to enable it to effectively discharge its duties.

4.2 CIPFA GUIDANCE ON AUDIT COMMITTEES

4.2.1 CIPFA published “Audit Committees - Practical Guidance for Local Authorities and Police”. The document sets out CIPFA’s guidance on the function and operation of audit committees, giving their view of best practice, and also includes their “Position Statement: Audit Committees in Local Authorities and Police Authorities”. The Position Statement (**Appendix A**) emphasise the importance of audit committees and their role as a key component of governance.

4.2.2 The Guidance states that the purpose of an audit committee is to provide to those charged with governance independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and annual governance processes.

4.2.3 The Guidance sets out the CIPFA position statement, then expands on:

- The purpose of Audit Committees;
- The core functions of an Audit Committee;
- Possible wider functions of an Audit Committee;
- Independence and accountability; and
- Membership and effectiveness (including potential causes of difficulty and potential improvement options)

4.2.4 The Guidance specifies the key regulations which can be addressed by the terms of reference of an Audit Committee and provides some suggested Terms of Reference. All of the good practice set out in the CIPFA Position Statement is incorporated within PCC’s Audit Committee Terms of Reference.

4.2.5 CIPFA also produced a toolkit for local authority audit committees, which supports the objectives set out in the Guidance. The toolkit set out the following areas for consideration:

- Establishment, operation and duties of the committee;
- Role and remit;
- Membership, induction and training;

- Meetings;
- Internal control;
- Financial reporting and regulatory matters;
- Internal Audit;
- External Audit;
- Administration;
- Agenda management;
- Papers; and
- Actions arising

- 4.2.6 The toolkit contains an audit committee self-assessment checklist which has been reproduced in **Appendix B**. Officers have completed the checklist, which concludes that the Audit Committee demonstrates that it is meeting good practice. *Members may wish to consider the draft responses given to ensure they accurately reflect their views and agree appropriate actions for those areas they consider should be amended / enhanced.*
- 4.2.7 To further assist Audit Committees, CIPFA also produced a Knowledge and Skills framework for Audit Committee members. A draft assessment has been compiled by officers (**Appendix C**). Core skills are identified in **Appendix D**.
- 4.2.8 Further information and best practice was provided by the Public Sector Audit Appointments Ltd at a Local Audit Quality Forum in June 2019 which was attended by the Audit Committee Chair and the Chief Internal Auditor.
- 4.2.9 From the evidence available, the core functions of the Audit Committee remain sound and meet requirements. With a regular turnover of membership, training needs remain at the forefront and appropriate action plans will be developed to sit alongside the work programme.

6. ANTICIPATED OUTCOMES OR IMPACT

- 6.1 It can be demonstrated that Audit Committee fulfils its terms of reference and meets best practice governance guidelines within the public sector.
