3. **TIMESCALES**

Is this a Major Policy Item/Statutory Plan?	NO	If yes, date for Cabinet meeting	N/A
---	-----------	----------------------------------	-----

4. **BACKGROUND AND KEY ISSUES**

4.1 The Council is required to have in place a policy for home to school transport for those children aged 4-16 and for those children attending a school or college for post 16 education.

4.2 The main transport policy for those children aged 4-16 was reviewed and consulted upon and implemented in June 2019.

4.3 The policy for post 16 is required to be reviewed annually, the current policy has been in place since September 2020.

4.4 Appeal procedure in both policies (4-16 and post 16) includes a 2 Stage process.

4.5 Any parent who has been refused assisted school/college transport may appeal to the Appeals Committee (Service Issues) if they wish to challenge:

- (1) the refusal is not in line with the policy
- (2) the transport arrangements offered
- (3) that there are exceptional reasons to depart from the policy

4.6 **Stage One: Review by the Team Manager, Passenger Transport Operations**

A parent has 20 working days from receipt of the home to school transport decision to make a written request to the Team Manager, Passenger Transport Operations asking for a review of the decision.

The written request should detail why the parent believes the decision should be reviewed and give details of any personal and /or family circumstances the parent believes should be considered when the decision is reviewed.

Within 20 working days of the parent’s written request the Team Manager, Passenger Transport Operation will review the original decision and send the parent detailed written notification of the outcome of their review, setting out:

- The nature of the decision reached;
- How the review was conducted
- Information about other departments and /or agencies that were consulted as part of the process (if applicable);
- What factors were considered;
- The rationale for the decision reached;
- Information about how the parent can escalate their case to stage two (if appropriate)

4.7 **Stage Two: Review by an independent appeal panel**

A parent has 20 working days from receipt of the Team Managers stage one written decision notification to make a written request to escalate the matter to stage two.

Within 40 working days of receipt of the parents request an independent appeals panel made up of Councillors will consider written and verbal representations from both the parent and officers involved in the case and gives a detailed written notification of the outcome (within 5 working days), setting out:

- The nature of the decision reached;
- How the review was conducted;
- Information about other departments and /or agencies that were consulted as part of the process (if applicable);
- What factors were considered;
- The rationale for the decision reached;
- Information about the parent’s right to put the matter to the Local Government Ombudsman (see below)

4.8 Local Government ombudsman – parents have a right of complaint to the Local Government Ombudsman, but only if there is evidence of a failure by the council to comply with the procedural rules or if there are any other irregularities in the way the appeal has been handled. If the complainant considers the decision of the independent panel to be flawed on public law grounds, the complainant may also apply for a judicial review.

One of these reasons must be set out in the application for appeal.
