Meanwhile, the Committee encourages the Cabinet Member to explore better enforcement measures that are efficient, economic and effective. The Committee encourages all councillors to promote recycling measures in their wards and use the revision of policies as an opportunity to educate residents.	bulky waste would be discontinued in the next municipal year. This would not offer any savings as PCC does not have the budget for it next financial year.	
17 NOVEMBER 2021 – JOINT SCRUTINY OF THE BUDGET	Councillor Andy Coles, Cabinet Member for Finance	MEDIUM TERM FINANCIAL STRATEGY 2023 TO 2024/25 – PHASE ONE	It was recommended that the Cabinet Member for Finance consider a differential charge for a replacement green and black bin and that the proposed charge would be less for the green bin than the black bin. This was hoped to encourage residents not to put recycled waste into their black bin.	Response received: We will look at a different cost model for the replacement of recycling bins as opposed to residual bins, whilst still ensuring this delivers the same level of financial benefit as the proposal included within phase one. The current proposal for replacement bins is based on the current true costs of this service, when we complete the modelling to look at this recommendation one of the options, we will consider is to increase the costs of the replacement residual bins, which would allow us to reduce the cost of the recycling bins. Options will be drafted by officers in Place & Economy and Finance, with the options being presented to the Financial Sustainability	Completed*

				<p>Working Group for review. it is important to remember the Council needs to work on the delivery of Financial Sustainability, therefore we need to ensure any options presented are delivering to that priority.</p> <p>For some additional context last financial year the Council replaced roughly the same of each bin type with 1054 residual and 908 recycling bins being replaced</p>	
6 JANUARY 2022	<p>Cllr Cereste, Cabinet Member for Digital Services and Transformation</p> <p>Sam Smith – Cambridgeshire County Council and Peterborough City Council</p>	<p>PORTFOLIO PROGRESS REPORT – FOR THE CABINET MEMBER FOR DIGITAL SERVICES AND TRANSFORMATION</p>	<p>The Committee RESOLVED to recommend to Cabinet that the Council continues to work collaboratively in I.T. and investigates joint procurement with public sector partners wherever practical.</p>	<p>Response provided by Sam Smith - Assistant Director of IT & Digital Services on 18/2/21. See below for detail.</p>	Completed*
<p>The Council is part of several public sector arrangements for the provision of IT services. One example of this is the Eastnet partnership which provides connectivity services for almost all local government organisations in this area as well as other public sector bodies. There is also work underway with health organisations and Cambridgeshire County Council to create a Shared Health Care record across the Cambridgeshire and Peterborough areas.</p> <p>The IT & Digital Service have recently completed a joint procurement with Cambridgeshire County Council for the purchase of laptops which has allowed the Council to take advantage of economies of scale and secure a reduced price and a more reliable supply chain. A further joint procurement with Cambridgeshire County Council is currently in progress for a replacement integrated transport system and planning has commenced for a joint procurement for a replacement Education System. Other opportunities for joint procurement with Cambridgeshire County Council and other public sector bodies are continually being reviewed.</p>
