Hi

I have been asked and agreed to call in this application to licensing committee. There is a concern locally that the sale of alcohol has reached saturation in the area. Within a couple of hundred yards there are now well over a dozen places to buy alcohol.

If you could email back confirmation you have received this email.

Elbow is a brief outline of the my and local residents opposition to the granting of this license

1. The prevention of crime and disorder

There has been a lot of work to drive down street drinking and the prevention of crime and disorder in the area. Another outlet selling alcohol will not only send the message but encourage more disorder

2. Public safety

With over a dozen outlets in the immediate vicinity, another would tip the scales over and create an environment that will encourage more drunken behaviour and will help re create an unsafe environment particularly in the nearby children's park.

3. The protection of children from harm

This is a busy retail area, close to a children's park. The risk is to encourage further street drinking in the children's play area and create an environment which is detrimental to business and local shopping. Children will be under severe pressure and their safety will be at risk with saturating the area with alcohol outlets.

4. The prevention of public nuisance

Street drinking has been a real problem in the area and over the last two years this issue has been tackled with a significant amount of success. By allowing saturation this send a message to the people who were a real public nuisance that the message has changed and the mixed message will encourage the significant nuisance issues to return

Many thanks

Dear Sirs

Premises Licence Application Number: 069399
Mr Adem Xhemajl - 48 Oundle Road, Peterborough. PE2 9PA

We, the undersigned wish to raise our objection to the granting of a Premises Licence for the supply of alcohol from the above address. We believe that the issue of such a licence will contribute to the following issues relating to the licencing objectives; Prevention of crime and disorder, Public safety, Prevention of Public Nuisance, and Protection of children from harm:

1. The sale of alcohol from any more premises will add to the increase in alcohol related problems of street drinking and vandalism.
2. Young people will be further exposed to alcohol and tobacco and find it easier to get hold of such goods, adding to the already existing underage drinking problems and health issues.
3. Adding to the existing 10 – 12 licenced premises within half a mile will have a detrimental effect on the community and the lives of residents.
4. The traffic situation is likely to get worse along Oundle Road. There have been a number of accidents involving motorists, pedestrians and cyclists within the last few years.
5. An increase of licenced shops will lead to undesirable competition, leading to business's cutting their selling prices ridiculously in the face of increased competition, as already seen in Millfield and Eastfield areas of the city.
6. Shopkeepers, being forced to sell at very low prices will most likely be targeted by unscrupulous and illegal suppliers of cheap beer and spirits.

We believe that there are enough licenced premises, both public houses and shops (some selling alcohol 24 hours) in the immediate area to meet the consumer's needs.

Yours faithfully

The term 'vicinity' is used in the Licensing Act 2003, in particular with reference to those 'interested parties' (see definition in guidance attached) who may lodge objections to applications for premises licences and who may make representations concerning existing premises licences. Unfortunately the Act does not define the term 'vicinity' but the licensing authority will determine each case on its individual merit.

If the licensing authority considers that relevant representations are made the licensing team will consider arranging a mediation meeting between the relevant parties (if all agree) to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub Committee will follow, unless the interested parties withdraw their representations.

All representations in their entirety, including your name and address will be disclosed to the applicant for the premises licence and the members of the [Sub]Committee, so that they can make an informal decision on the application.

Dear Sir/ madam

I am writing to you with regards to the application for a licence to sell alcohol on the premises by the above company. As a resident of Woodston I am requesting that the license is not granted to the above for the following reasons:

1) The prevention of crime and disorder

The residents believe granting a license to sell alcohol in this residential area could bring more street drinking to our area. Our local councillor has been working closely with the police to stop this in our area and another alcohol outlet will reverse the gains that have been made. With street drinking there is a greater risk of crime and disorder. There have been a number of incidents in this direct area where police have had to intervene due to alcohol related incidents, which if this license is granted, creates real and significant rises in crime and disorder.

2) Public safety

The above which is located next to 2 retail outlets which already sell alcohol plus new tesco express selling alcohol nearby. There already are 4 entertainment outlets in close vicinity to this retail outlet selling alcohol, Cherry Tree Pub, New Inn Pub, Ebeneezers and the South Grove Community Centre. If people are buying alcohol from this shop and street drinking, with street drinking usually comes public disorder and maybe even violence. There has been violent, drink related problems in the area where people have felt physically threatened or have been the victim of violence. There has been a lot of good work to remove this problem and if this license is granted this work would be put into reverse.

3) The protection of children from harm

This retail business is in a vicinity very close to a Baptist Church and a community centre. The parents and children have to pass by this shop to go to and from the primary schools and nursery. If alcohol is sold here, street drinking will occur as it has happened in the past next to the other two shops which already have a license. Residents feel that if you grant this shop a license to sell alcohol you would be putting our children at risk as with street drinking usually comes public disorder and maybe even violence next to a Church and community centre which are used by local residents with children.

4) The prevention of public nuisance

There are already 2 shops close by which sell alcohol. Street drinking has been a problem in this area for quite some time. If another shop is allowed to sell alcohol the street drinking issue will escalate and with that comes a public nuisance. This would not be fair on the residents who live close by. If the shop sells alcohol it will attract people who will create more noise and disturbance to the residents. The retail outlets who presently sell alcohol have been there for many years and are responsible retailers as they understand the feelings of local residents, in fact they try to discouraged street drinking, this license will encourage more street drinking in an area next to a regularly used Baptist Church and Community Centre where there are already a number of outlets selling alcohol.

Yours faithfully

The prevention of crime and disorder There is already a surplus of licenced retailers in the area, especially since Tescos recently opened an express store.	Public safety As well as cans and bottles littering the streets as a single woman, it's quite intimidating to walk around when dealt with people drinkey/drank in the streets
The prevention of public nuisance An outlet of this nature, I believe would attract a greater number of undesirable characters and would undoubtedly increase the crime rate in the area.	The protection of children from harm There are children's play areas and schools nearby. There could be danger from drunken people and also broken bottles.

Suggested conditions that could be added to the licence to remedy your representations, or other suggestions you would like the licensing authority to take into account

We do not need another off licence selling cheap alcohol - the community would be better served by a chemist/pharmacy which is non-existent in the area.

LICENSING

MRS L. CROFT
29 SILVER ST
WOODSTON
PETERBOROUGH
PE2 9BU

Dear Sir/ madam

I am writing to you with regards to the application for a licence to sell alcohol on the premises by the above company. As a resident of Woodston I am requesting that the license is not granted to the above for the following reasons:

1) The prevention of crime and disorder

The residents believe granting a license to sell alcohol in this residential area could bring more street drinking to our area. Our local councillor has been working closely with the police to stop this in our area and another alcohol outlet will reverse the gains that have been made. With street drinking there is a greater risk of crime and disorder. There have been a number of incidents in this direct area where police have had to intervene due to alcohol related incidents, which if this license is granted, creates real and significant rises in crime and disorder.

2) Public safety

The above which is located next to 2 retail outlets which already sell alcohol plus new tesco express selling alcohol nearby. There already are 4 entertainment outlets in close vicinity to this retail outlet selling alcohol, Cherry Tree Pub, New Inn Pub, Ebeneezers and the South Grove Community Centre. If people are buying alcohol from this shop and street drinking, with street drinking usually comes public disorder and maybe even violence. There has been violent, drink related problems in the area where people have felt physically threatened or have been the victim of violence. There has been a lot of good work to remove this problem and if this license is granted this work would be put into reverse.

3) The protection of children from harm

This retail business is in a vicinity very close to a Baptist Church and a community centre. The parents and children have to pass by this shop to go to and from the primary schools and nursery. If alcohol is sold here, street drinking will occur as it has happened in the past next to the other two shops which already have a license. Residents feel that if you grant this shop a license to sell alcohol you would be putting our children at risk as with street drinking usually comes public disorder and maybe even violence next to a Church and community centre which are used by local residents with children.

4) The prevention of public nuisance

There are already 2 shops close by which sell alcohol. Street drinking has been a problem in this area for quite some time. If another shop is allowed to sell alcohol the street drinking issue will escalate and with that comes a public nuisance. This would not be fair on the residents who live close by. If the shop sells alcohol it will attract people who will create more noise and disturbance to the residents. The retail outlets who presently sell alcohol have been there for many years and are responsible retailers as they understand the feelings of local residents, in fact they try to discouraged street drinking, this license will encourage more street drinking in an area next to a regularly used Baptist Church and Community Centre where there are already a number of outlets selling alcohol.

Yours faithfully

The prevention of crime and disorder We do <u>not</u> need another licensed outlet in this area. The present shops and Tesco are more than adequate.	Public safety Just look at the cans and broken bottles already scattered on Bread Street and even on Tower Street & Grove Street.
The prevention of public nuisance Hasn't <u>anything</u> been learned about the wretched state of the Millfield area? It is completely devastated by cheap drink shops.	The protection of children from harm More broken glass

The term 'vicinity' is used in the Licensing Act 2003, in particular with reference to those 'interested parties' (see definition in guidance attached) who may lodge objections to applications for premises licences and who may make representations concerning existing premises licences. Unfortunately the Act does not define the term 'vicinity' but the licensing authority will determine each case on its individual merit.

If the licensing authority considers that relevant representations are made the licensing team will consider arranging a mediation meeting between the relevant parties (if all agree) to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub Committee will follow, unless the interested parties withdraw their representations.

All representations in their entirety, including your name and address will be disclosed to the applicant for the premises licence and the members of the [Sub]Committee, so that they can make an informal decision on the application.

APPENDIX D

The term 'vicinity' is used in the Licensing Act 2003, in particular with reference to those 'interested parties' (see definition in guidance attached) who may lodge objections to applications for premises licences and who may make representations concerning existing premises licences. Unfortunately the Act does not define the term 'vicinity' but the licensing authority will determine each case on its individual merit.

If the licensing authority considers that relevant representations are made the licensing team will consider arranging a mediation meeting between the relevant parties (if all agree) to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub Committee will follow, unless the interested parties withdraw their representations.

All representations in their entirety, including your name and address will be disclosed to the applicant for the premises licence and the members of the [Sub]Committee, so that they can make an informal decision on the application.
