The minutes of the meeting held on 16 January 2018 were agreed as a true and accurate record.

49. CALL IN OF ANY CABINET, CABINET MEMBER OR KEY OFFICER DECISIONS

There were no requests for call-in to consider.

50. REPORT OF THE TASK AND FINISH GROUP TO ASSIST THE DEVELOPMENT OF A NEW HOMELESSNESS REDUCTION STRATEGY

Councillor Lane, the Chair of the Task and Finish Group introduced the report which was submitted to the Committee following a review of the issues surrounding homelessness and the development of a new Homelessness Reduction Strategy. The Task and Finish group and the supporting officers to the review sought the Committee's approval for submission of the recommendations contained within the report to Cabinet.

The Adults and Communities Scrutiny Committee debated the report and in summary, key points raised and responses to questions included:

- The Chair of the Task and Finish group thanked the committee for the opportunity to present the group's work and hoped that the completed work met the Committee's and their brief's requirements.
- In the report was a recommendation to accept the report and approve the submission of the Housing Strategy to Council but equally important was the second recommendation which concerned the lobbying of Government to return to the system where payment of the housing benefit element of welfare benefit was made directly to landlords to encourage them to offer more properties and secondly, that section 21 of the Housing Act 1988 should be reviewed and revised in order to provide greater tenancy security.
- The Chair of the Task and Finish expressed his appreciation and thanks for the support and endeavours of all those involved in producing the new Homelessness Strategy; the elected members, many of whom were on the Committee, the Neighbourhood Project Manager from Cross Keys Homes who was the co-opted member of the group, Council officers and various other supporting agencies. The Chairman expressed particular thanks to the Housing Needs Manager and his team for their guidance, without which they would not have achieved so much.
- Councillors welcomed the report and suggested that the local MP should be brought onside to add their support.
- The group chairman directed the Committee to the action plan contained within the report and the target dates that were provided for each of the actions on the plan.
- The new Homelessness Reduction Act would come into force on 3 April 2018 and would bring about major changes to the way the housing team worked. It was expected that these changes would result in significant challenge ultimately leading to case law which would alter the legislation.
- Traditionally homelessness strategies were for a period of five years but this strategy was only for two years because of the expected changes to the legislation. A new Housing Strategy would be brought back in two years' time when there would more understanding of how the legislation sat and what the Council's responsibilities were.
- Officers assured Members that they would be regularly briefed on the progress of the strategy and they would seek to provide monthly briefing notes on progress against the plan.
- The Committee Chairman commented on the hard work that had been put into producing the report and felt that the Adults and Communities Scrutiny Committee, to its credit, had raised the profile of the homelessness issue.
- Members felt that there was some conflict between the two parts of the second recommendation; payment of the housing benefit element of welfare benefit direct to landlords and revision of section 21 powers, in that one seemed to be in the interests of landlords and the other against.
- Payment of the housing benefit element of welfare benefit direct to landlords was a way of protecting tenants as sometimes temptation was too great and the service wanted tenants to pay their rent so that they avoided eviction. Additionally, landlords needed to be offered some security so that accommodation could be accessed both within the social housing and private sectors.
- It had become very apparent that Section 21 of the Housing Act 1988 had been used to evict people from their homes without any justification. The Task and Finish group felt that this was very unfair and that people should be given reasonable justification for why they were losing their homes and that this power should not be abused and used as a threat.
- Use of section 21 of the Housing Act 1988 was the biggest cause of homelessness nationally and the recommendation to review it was supported by many other Councils.

RECOMMENDATIONS:

The Adults and Communities Scrutiny Committee considered the report and **RESOLVED** to recommend that;

1. The Homelessness Strategy 2018 - 2020 be endorsed and to be taken to Cabinet for approval and adoption.
2. The Cabinet Member for Growth, Planning, Housing and Economic Development contacts (i) the Secretary of State for Housing, Communities and Local Government, (ii) the Secretary of State for Work and Pensions, and (iii) the Local Government Association, seeking their support to amend legislation so that:

(a) the Housing Benefit element of welfare benefit payments are paid direct to landlords rather than to tenants, in an attempt to encourage more landlords to offer their properties for homeless households or those at risk of becoming homeless; and,

(b) Section 21 of the Housing Act 1988 (*Recovery of Possession on Expiry or Termination of Assured Shorthold Tenancy*) is reviewed with a view to ending its widespread use, and in its place introduce legislation that provides for greater tenancy security in the private rented sector.

51. NEW COUNCIL HOUSE PROVISION

The Housing & Strategic Planning Manager introduced the report which provided the Committee with the national context relevant to the delivery and ownership of social housing stock by local authorities in general, and also the background to the delivery and ownership of social housing stock by Peterborough City Council.

The Adults and Communities Scrutiny Committee debated the report and in summary, key points raised and responses to questions included:

- The report was presented to the Committee following a motion that was carried at Full Council on 24 January 2018 which asked the Committee to look at the benefits, social value and business case for new council house provision in Peterborough.
- There was a shift in the Government's focus from Council owned housing to housing association owned housing and in the 1980's a largescale transfer of Council housing stock to Housing Associations started. This was accompanied by major changes in funding which resulted in a dramatic reduction of the numbers of new local authority owned social housing dwellings being built but a significant increase in the number of Housing association homes being built.
- There had been a shift away from the role of statutory provider of traditional council housing for local authorities towards a housing delivery enabler role and this was being done through a range of delivery vehicles, such as building through general funds accounts, developing joint venture housing company partnerships with other providers and establishing wholly owned local authority housing companies.
- The report indicated that there had been a notable shift towards housing companies as the preferred choice of housing delivery vehicle particularly for local authorities that no longer had their housing stock such as Peterborough. However this was also being taken up by authorities that retained their housing stock as it offered different flexibilities as a means of providing affordable housing.
- In 2004 Peterborough City Council transferred its housing stock of 10,000 homes to the Registered Provider (RP) Cross Keys Homes (CKH) as it was concluded that the Council

would be unable to generate the money needed to bring its homes up to the standard required by Government.

- In 2016 a Council task and finish group recommended that the Council should finance and build new homes to meet specific needs and that it should finance more building of affordable rented housing by supporting housing associations with access to finance.
- Partly in response to the task and finish group's recommendations, a Joint Venture (JV) housing company, Medesham Homes, was set up with Cross Keys Homes. The joint venture meant that the Council could access the skills that CKH brought to aid delivery and management of the housing stock once completed and also share the financial input to support the delivery of new homes.
- Peterborough Council had allocated £20m 'invest to save' capital to support the Council's share of investment in future schemes to be delivered by the JV. Council had also agreed that £14.6m funds accumulated from capital receipts received from Cross Keys Homes from Right to Buy sales would be directed to the housing company to build new affordable homes in Peterborough.
- The Housing register was a vehicle for all housing associations, not just Cross Keys Homes, to advertise their properties.
- The Housing & Strategic Planning Manager investigated the number of people/households on the waiting list for Housing going back to 2006 for the same quarter, April to June, each financial year and reported that between 2006 and 2013 the figures ranged from 6,500 to 9,000. In 2013 there was a significant change in the housing allocation policy and the criteria to go on the register was changed. In 2014 there were 2,688 households on the register and it has remained around that figure ever since.
- Although there had been a reduction in the number of people on the register there had also been a reduction in the number of houses; down to 182 and 228 in the last two years from previous levels of 300 and 380.
- As an up to date snap shot of the situation, for the week ending 4 March 2018 there were 2847 people on the housing register and for that *week*, not quarter, there were 14 properties advertised.
- People were much less likely to give up their tenancy than previously as because of changes to the security of tenure people stayed put and did not want to risk moving.
- In 2014/15, the authority delivered 1342 net completions of new homes of which 492 (37%) was affordable housing. In 2015/16 the figures were 928 net completions, of which 167 (18%) was affordable housing and in 2016/17 the figures were 1201 net completions, of which 135 (11%) was affordable housing. The count of net completions for the 2017/18 year had not yet been done but it was expected that 131 affordable homes would be delivered.
- The first scheme to be delivered by Medesham Homes, which was already on site at Midland Road, would deliver 29 social homes for rent. Councillors questioned whether the pace of this delivery was fast enough in light of the amount of money invested.
- All of the funds had not already been spent and in the next three years schemes in the pipeline would deliver a further 392 homes.
- The money that had been made available to the Joint venture was there to back up other forms of capital investment from the Combined Authority and the HCA (Homes and Community Agency)
- The Combined Authority had a budget of £170m to deliver affordable housing in Peterborough and Cambridgeshire over a five year period from April 2017 and Medesham Homes would be submitting bids to access these funds to support its delivery programme over the next few years.
- Investment in Medesham Homes needed to be made to try and alleviate the acute problem of temporary accommodation that the Council was facing.
- It was felt that there was some pace now to lessen and hopefully stop altogether the use of Bed and Breakfast (B & B) style accommodation as increased usage of this type of accommodation had caused costs to spiral and were unsustainable. The savings from not

using B & B's would counter balance some of the costs involved in setting up the Medesham Homes joint venture.

- The Medesham Homes developments were for the long term and would take time to come to fruition. Outside of the Medesham board process the Council was looking at a whole raft of measures and shorter term interventions to reduce the use of temporary accommodation such as working differently with the private sector to enable leases to come forward on a long term basis, bringing empty homes back into use and investing in shorn service to prevent homelessness occurring in the first place.
- With Medesham Homes, the Council would have more of an enabling role and be able to directly influence the level and type of housing that was delivered. Prior to having Medesham Homes the Council had to rely on its Housing Association partners and whilst it monitored them and advised them on what sort of housing was required in the City it was unable to tell them to build more homes.
- The Council encouraged Housing Associations to build two bedroomed houses and to provide more rented instead of shared ownership properties and tried to have sympathetic planning rules and provide support with bids they were making.
- As the Medesham Homes joint venture had received funds upfront there would be control mechanisms in place to make sure they were delivering all that they should be.
- The Board would ultimately make the decisions but as a joint partnership with a vested interest in Peterborough residents those decisions would reflect the housing situation and help improve things.
- The Council would present the housing pressures to the Board who would then produce bids. If the bids did not meet the Council's needs then they would not be commissioned.
- The decision on whether or not the money was spent was delegated to directors with oversight from the Leader and was a very lean procedure.
- Operationally, a live tracker tool had been set up which week by week showed what demand was looking like and what the supply was like so that at any time the Council could go to Medesham homes and any other provider and say, for example, that things were not moving in the right direction and investment needed to be increased in certain places or delivery needed to be focussed elsewhere.
- Officers had been looking at the governance arrangements for the Medesham Homes joint venture and had suggested that a progress board be set up. Subject to agreement, the board would have Member involvement, including Scrutiny and Cabinet, and would oversee Medesham Homes' progress against targets and help to maintain traction.

AGREED ACTIONS

The Committee RESOLVED to:

1. Note the challenges to delivering council houses in the traditional sense for Peterborough as a local authority that has transferred its housing stock and no longer has a Housing Revenue Account
2. Note the mechanism that the Council had already put in place to enable the provision of social housing that Peterborough City Council was directly engaged in delivering, through the establishment of the housing joint venture with Cross Keys Homes, Medesham Homes

RECOMMENDATIONS:

The Committee RESOLVED to recommend to full Council that

1. The Council's focus for delivering social housing should continue to be through the now established joint venture housing company, Medesham Homes, rather than seeking to return to providing council housing in the traditional sense; this vehicle having the flexibility

to deliver a range of tenures and to take advantage of the capability of each partner to provide land, funding and capacity and share risk when responding to the challenges of austerity and the housing crisis

52. MONITORING SCUTINY RECOMMENDATIONS

The Democratic Services Officer introduced the report which provided the Committee with a record of recommendations made at the previous meeting and the outcome and progress of those recommendations to consider if further monitoring was required.

AGREED ACTIONS

The Adults and Communities Scrutiny Committee **RESOLVED** to consider the response from Cabinet Members and Officers to the recommendations made at the previous meeting, as attached in Appendix 1 of the report and agreed that no further monitoring of the recommendations was required.

53. FORWARD PLAN OF EXECUTIVE DECISIONS

The Committee received the latest version of the Council's Forward Plan of Executive Decisions, containing key decisions that the Leader of the Council anticipated the Cabinet or individual Cabinet Members would make during the course of the forthcoming month. Members were invited to comment on the Plan and where appropriate identify any relevant areas for inclusion in the Committee's work programme

AGREED ACTIONS

The Committee noted the Forward Plan of Executive Decisions.

4. BACKGROUND AND KEY ISSUES

4.1 Parish Councillor Co-opted Members

Each Scrutiny committee has the ability to co-opt up to four non-voting co-opted members one of which will be a Parish Councillor representing a rural area to ensure the voice of the rural communities are reflected. The nomination will be decided by the Parish Council Liaison meeting. The Parish Council Liaison has therefore proposed that Parish Councillor Neil Boyce be nominated to represent the rural area on the Adults and Communities Scrutiny Committee and that Parish Councillor James Hays be nominated as a second co-opted member or as a substitute should the Committee decide to only appoint one Parish Councillor co-opted member.

It is therefore proposed that the Committee approve the appointment of Neil Boyce as a Parish Councillor co-opted member of this committee to represent the rural area and consider the appointment of James Hays as a second Parish Councillor co-opted member or as a substitute for Neil Boyce for the municipal year 2018/19.

NEXT STEPS

If the Committee agree to appoint the above nominations as co-opted members of the Adults and Communities Scrutiny Committee from 10 July 2018, they will be able to attend and take part in all meetings of the Committee and any Task and Finish Groups that the Committee agree that they may be assigned to with no voting rights. If James Hays is appointed as a substitute he may attend and take part in any meeting when asked to attend as a substitute for Neil Boyce.

6. ANTICIPATED OUTCOMES OR IMPACT

7.1 The recommendation is made to assist the Scrutiny Committee in fulfilling its terms of reference as set out in the constitution Part 3, Section 4 – Overview and Scrutiny Functions:

4.3 The Scrutiny Committees shall be entitled to co-opt, as non-voting members, up to four external representatives or otherwise invite participation from non-members where this is relevant to their work.

INTEGRATED COMMUNITIES STRATEGY

R E C O M M E N D A T I O N S	
FROM: Service Director for Communities and Safety	Deadline date: <i>n/a</i>
<p>It is recommended that the Adults and Communities Scrutiny Committee:</p> <ol style="list-style-type: none"> 1. Review the progress made in developing the Peterborough Together partnership and proposals for developing the delivery plan for submission to Government 2. Review and comment on the strategic priorities identified 	

1. ORIGIN OF REPORT

1.1 This report is presented at the request of the Scrutiny Committee.

2. PURPOSE AND REASON FOR REPORT

2.1 To brief the Committee on the work that the council is piloting with Government, following the Government's Green Paper on Integrated Communities.

2.2 This report is for the Adults and Communities Scrutiny Committee to consider under its Terms of Reference No.2.1: Functions determined by Council:

Neighbourhood and Community Support (including cohesion, community safety and youth offending)

2.3 This report links to a number of Corporate priorities, particularly: Keeping all our communities safe, cohesive and healthy.

3. TIMESCALES

Is this a Major Policy Item/Statutory Plan?	NO	If yes, date for Cabinet meeting	N/A
---	-----------	----------------------------------	-----

4. BACKGROUND AND KEY ISSUES

4.1 The Government launched its Integrated Communities Strategy Green Paper on 14th March 2018, naming Peterborough as one of five local areas chosen to work with the Ministry of

Housing, Communities and Local Government (MHCLG) to develop “local integration plans” (<https://www.gov.uk/government/consultations/integrated-communities-strategy-green-paper>). The other four areas are Blackburn with Darwen, Bradford, Walsall, and Waltham Forest. Peterborough was invited to participate in the programme because we have “already demonstrated a keen grasp of the challenges we face and (have) shown a desire to try new things and learn from what works”.

- 4.2 In addition, Peterborough City Council is one of six cities taking part in the Inclusive Cities programme, which is being led by Compas (Centre on Migration Policy and Society). The other cities are Glasgow, Cardiff, Liverpool, Bristol and London. The programme is providing an opportunity to share learning and understanding about how cities in the UK and the USA experiencing significant population change as a result of inward migration, develop inclusive and welcoming communities.
- 4.3 Peterborough is the only city to be taking part in both these nationally significant programmes. Given the significant overlap in the agendas the two are being brought together as one overarching programme, with one delivery plan - Peterborough Together.
- 4.4 The Green Paper follows the Casey Review on integration in 2016, and proposes ambitions in these areas:
1. Strengthening leadership to drive integration in policy development and service delivery
 2. Supporting newly arrived migrants to integrate and improve communities' ability to adapt to migration
 3. Making sure all children and young people are prepared for life in modern Britain and have the opportunity for meaningful social mixing with those from different backgrounds
 4. Boosting English language skills – which are fundamental to being able to take advantage of the opportunities of living in modern Britain such as getting a job, mixing with people and playing a full part in community life
 5. Mitigating residential segregation and supporting people to build strong and integrated communities
 6. Increasing economic opportunity
 7. Challenging the practices that can hinder integration and equal rights
 8. Learning what works in building integrated communities and sharing that learning
- 4.5 The Ministry has set a timetable for the five local areas to develop their strategy and delivery plan through a local integration partnership (LIP), with a strong emphasis on the evidence that planned interventions will impact upon the issues we identify, and ongoing evaluation that proves it. Within Peterborough, the LIP will be known as the Peterborough Together Partnership (PTP) and comprise partners from the public sector, voluntary sector, faith groups and private businesses. Initially, the focus of the PTP will be to oversee the development and delivery of the Integration programme. However, it is the intention that the Partnership take a broader remit and considers progress and delivery of a number of related programmes and services, for example Inclusive Cities, Controlling Migration Fund and the Can Do regeneration programme. This will bring together, for the first time, all community engagement and development programmes into a single place, providing greater alignment of delivery, issues and resources.
- 4.6 Although Peterborough City Council are the lead organisation working with the Ministry, the expectation from Government, and a view which is shared by the council, is that the delivery plan should be developed and owned by a partnership of organisations.
- 4.7 The Peterborough Together Partnership is due to meet for the first time on 2nd July to discuss the strategy and proposed programme for delivery. The terms of reference for this Board, along with the membership, can be found at appendix 1.
- 4.8 Funding will potentially be available to support development plans and bids, subject to MHCLG agreeing the Partnership's delivery plan. Decisions are expected to be announced by the Ministry in September/October 2018, with funding available initially until March 2020. Further funding opportunities will developed by the Ministry as part of next Comprehensive Spending Review.

- 4.9 In order to develop a delivery plan, a number of priority themes have been identified. These take into account the national strategy and local integration issues for Peterborough, and will help to shape the strategic context of the programme. The priority themes are:
- Young People
 - Improving English language skills
 - Tackling segregation and promoting social mixing
 - Increasing economic opportunity
 - Challenging practices that can hinder integration and equal rights
- 4.10 Over the summer, the Peterborough Together Partnership will commission a number of 'select committees' to examine these issues in more detail. The committees will examine the integration issues that may exist in the city, and speak to a number of organisations to gather evidence to consider ways in which integration could be improved. The findings from the select committees will form a major part of the evidence that will be presented to Government within the delivery plan. Included within Appendix 1, is more information describing how the select committees will be developed.
- 4.11 At the time of writing, individual projects proposals have not yet been developed. However, it is anticipated that the focus of the proposals will be breaking down segregation and inequalities between communities, including our settled British residents. Areas that select committees will explore will include:
- how to build upon the successful model of National Citizenship Service, to further engage and develop young people
 - how to increase social mixing between different communities
 - developing more opportunities to learn and practice speaking English
 - supporting people to get into work, or develop the skills to progress their career
 - how to reduce economic and health inequalities across the city
- 4.12 The delivery plan will be developed and submitted to the Ministry by the end of August. A further report will be presented to the Scrutiny Committee later this year, to update on the programme and delivery.

5. CONSULTATION

- 5.1 Consultation will take place through the Select Committee process. This will engage with numerous organisations in the private, public and voluntary sector services to understand issues from a range of perspectives. The Partnership is a multi-agency partnership where a broad range of views and perspectives can be shared.

6. ANTICIPATED OUTCOMES OR IMPACT

- 6.1 The initial focus over the summer will be to use the delivery plan and select committee process to gather an in-depth view of integration within our city. This will help to identify where the issues lie and allow for innovative solutions across partners to be developed. Whilst the Ministry's delivery programme is initially for two years, the Integrated Communities Strategy is being described as a 15-20 year programme. It is our intention to ensure we develop ways of working and system changes that lead to sustainable change within Peterborough. This will lead to a more integrated city, where people of all ages and backgrounds mix socially, have reduced economic and health inequalities, and can benefit from greater employment opportunities. If successful, this will ultimately lead to reduced demand for council and other public sector services.

7. REASON FOR THE RECOMMENDATION

- 7.1 Scrutiny Committee is recommended to approve this report due to the Ministry's delivery plan deadline.

8. ALTERNATIVE OPTIONS CONSIDERED

8.1 Not to pilot the Integrated Communities strategy work with Government. This alternative has been rejected, due to the loss of funding and opportunity to test new methods of delivery which will improve outcomes for the city.

9. IMPLICATIONS

Financial Implications

Peterborough Together – our integration partnership

This paper sets out the DRAFT terms of reference for the Peterborough Together partnership board as proposed with MHCLG (pages 1-3) and also proposes terms of reference for key elements of its supporting structures (pages 4-6).

The DRAFT Peterborough Together partnership board Terms of Reference

Background and context

The Integrated Communities Strategy sets out government’s ambition to build strong, integrated communities where people, whatever their background, live, work, learn and socialise together, based on shared rights, responsibilities and opportunities.

To take forward this ambition, Government will work in the first instance with Peterborough and four other local authorities to better understand the challenges specific to a place and to co-design local delivery plans to tackle these challenges, building on existing best practice and further developing asset-based approaches.

Purpose of the Peterborough Together partnership board and responsibilities

1. The Peterborough Together partnership board will be responsible for setting the strategic direction for the programme, developing and signing off the local delivery plan, and overseeing its delivery.
2. Specifically, the Peterborough Together partnership board will:
 - Bring together a wide range of partners to co-design a long term and ambitious delivery plan in partnership with MHCLG
 - Use its members’ insight and expertise and evidence to determine priorities for the local delivery plan
 - Challenge the local authority and partners to stretch ambitions for the partnership
 - Develop a culture of learning and innovation to understand and share knowledge with other areas on how improvements are delivered.
 - Encourage and support new ways of thinking, planning and acting – bringing systemic change for the long term.
 - Build on good practice and maximise existing assets and infrastructure.

Membership

3. To enable effectiveness and efficiency, the Peterborough Together partnership board will comprise a diverse range of senior and influential figures under an independent chair (see membership list below). Membership will need to reflect the agreed priorities and as a result will be regularly reviewed to ensure relevance.

Peterborough Together Partnership Board

Interfaith Council chair
Council for Voluntary Service
Parish Councils Liaison Forum

4. The partnership board will be supported by and formally linked to a broader network of other stakeholders, including groups such as Peterborough's current Cohesion and Diversity Forum and City Leadership Forums.
5. The Peterborough Together partnership board will also form the Inclusive Cities Taskforce.
6. An independent chair for the Peterborough Together partnership board is proposed. The Chair is responsible for ensuring the effective functioning of the partnership board keeping it focused on developing, signing off and achieving the aims set out in the delivery plan.
7. Members will:
 - Bring their expertise and knowledge to address opportunities around stubborn indicators and taking a 'solutions focussed approach', bring together broader external perspectives to identify opportunities.
 - Provide scrutiny and challenge as part of the assurance and decision-making process.
 - Ensure evidence-based discussions to agree priorities, potential system changes (culture, policies and services) and focus interventions on where need is greatest.
8. The Peterborough Together partnership board will be supported by an executive officer group, which will drive forward and have oversight of programme delivery for the Integration Strategy and Inclusive Cities.
9. "Task and finish" and working groups will also emerge from this approach, notably a series of select committee-styled working groups to focus on key aspects of programme development in May – July 2018.
10. A Peterborough Together partnership board meeting agenda will always include:
 - A decisions log and progress report from the Chair against the agreed plan – with discussion focused on key areas where there is slippage or where decisions are needed about next steps.
 - The current risk and issues register, with detailed scrutiny of strategic risks and issues which need resolution.

Meeting frequency

11. The Chair will ensure that the Peterborough Together partnership board meets regularly so that members are able to contribute fully and can offer timely advice to ensure programme deliverables are met. Key programme milestones are set by MHCLG for early June, July and late August 2018.

Peterborough Together partnership board meetings will take place ahead of each of these deadlines. The first is set for May 25th 2018. The partnership board will decide on frequency of meetings thereafter.

12. Six select committee styled forums and fortnightly officer group meetings will take place throughout this early period of programme development, alongside the network of wider stakeholders described in (4) above.

Quorum

13. A quorum shall be determined by the partnership board (*eg X members; roles Y,Z*).
14. If members are unable to attend the meeting, a delegated representative will attend in their place subject to agreement with the Chair ahead of the meeting – delegates should have the authority to make decisions.

Escalation

15. It will be important that decisions are reached collectively – the Integration Plan must be supported by all members, for example. It will be the role of the Independent Chair, supported by partnership board members including MHCLG, officers and others to manage and mitigate disagreement.
16. Where risks and issues cannot be resolved at Peterborough Together partnership board level, the Chair is responsible for escalation in the first instance to local leaders (democratically elected and Chief Executive, for example) before the MHCLG via the MHCLG delivery lead.

Ensuring independence and managing conflicts of interest

17. Members must, on appointment, declare any actual or potential interests that might affect their role to the Chair and these should be recorded formally.
18. Any conflict of interest, either actual or potential, should be formally declared and documented at the start of each meeting and appropriate action (eg.withdrawal from discussion of the relevant item) taken where considered appropriate.
19. Where the Chair has a conflict of interest, they must declare it and withdraw so a deputy can chair that part of the meeting.

Resignations process and membership

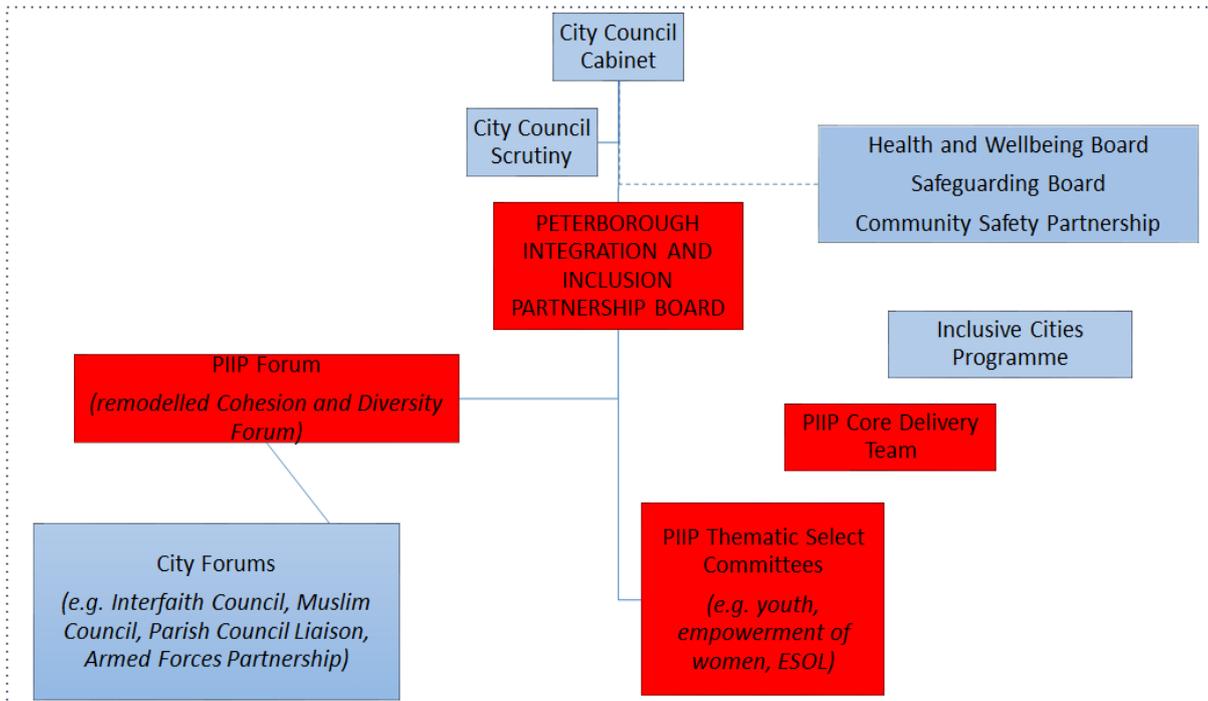

20. A member may step down at any time by informing the Chair.

Review of terms of reference

21. Terms of Reference (ToR) will be reviewed regularly to ensure they meet the evolving programme's requirements and when wider structural changes impact upon the Peterborough Together partnership board's terms of reference.

Peterborough Together partnership board supporting “select committees”

In order to develop the integration agenda, the Peterborough Together partnership board (given the generic name of the Peterborough Integration and Inclusion Partnership Board in the diagram below) will be supported by a series of themed groups and existing forums and networks.

The officer group (PIIP Core Delivery Team above) will meet fortnightly during April – September 2018. The following section describes the work of the “Thematic Select Committees” which will meet to develop the detail of the integration programme during May – August 2018.

Thematic “select committees”

Background and context

1. Five thematic groups are proposed, mirroring the priority areas of the Green Paper and Peterborough’s own priorities set out in discussions with MHCLG:
 - a) Young people (considering segregation and social mixing in schools and neighbourhoods, and improving educational attainment);
 - b) English language skills;
 - c) Tackling segregation and promoting social mixing;
 - d) Increasing economic opportunity; and
 - e) Challenging the practices that can hinder integration and equal rights.

Membership

2. Themed groups will be attended by partnership board members, representatives of stakeholders and others by invitation.
3. People with expertise, expert knowledge (including expertise by experience) will be invited to attend the meetings to present and discuss their “evidence”.

Activity

4. The purpose of the themed groups is to examine the issues behind particular challenges to integration and identify approaches to tackling them.
5. Themed groups will meet at least once between May 25th and June 29th
6. Each themed group will:
 - Examine the problem, using hard and soft data provided by invited “witnesses”;

- Identify gaps in our knowledge and task individuals to develop the evidence base;
- Identify potential solutions to the problem;
- Make recommendations to the Peterborough Together partnership board of the effective way forward; and
- Identify the measures necessary to demonstrate positive impact on the problem over the course of the programme.

Additional evidence

7. The specific topics being considered by the themed groups will be publicised and written submissions welcomed from the wider network and public.
8. A dedicated email address for the integration programme is being considered.

Support for themed groups

9. Each themed group will have a dedicated (Peterborough City Council) officer lead. This individual will work with the themed group chair and the Integration Programme Manager to summarise the work and proposals of the themed group, which will in turn be considered and incorporated by the Peterborough Together partnership board into its delivery and integration plans. These will be submitted to MHCLG in late August 2018.

Beyond September 2018

10. The Peterborough Together partnership board will review its supporting structures once the final delivery and evaluation plans have been agreed with MHCLG.

4. BACKGROUND AND KEY ISSUES

4.1 The Homelessness Reduction Strategy Action Plan

- 4.1.1 The Homelessness Reduction Strategy was previously considered by the Adults and Communities Scrutiny Committee in March 2018, and presented and agreed by Full Council on the 21 May 2018. The strategy was the product of a cross-party task and finish group which considered a range of evidence during its development.
- 4.1.2 Homelessness can be complex and not every case is the same. The situation is affected by national and local circumstances that are always changing, but this does not prevent the council from aiming to achieve the best for its citizens. The Housing Needs team strives to prevent homelessness where possible, takes steps to identify the causes and ensure households are supported in minimising the risk of homelessness and breaking the cycle.
- 4.1.3 The Homelessness Reduction Strategy sets out the ten key objectives what we are trying to achieve:
- Objective 1: Eliminating the use of Travelodge-type accommodation and reducing / eliminating the use of B&B-type accommodation for temporary accommodation
 - Objective 2: Ensuring the effective implementation of the Homelessness Reduction Act and embracing the culture change this will bring
 - Objective 3: Creating a suite of prevention tools which will give the Housing Needs team improved chances of success in preventing homelessness
 - Objective 4: Supporting landlords and tenants to support them to overcome landlord/tenant issues which may lead to eviction action
 - Objective 5: Bringing together services to work holistically in ensuring financial inclusion, income maximisation and debt advice are accessible and prioritised in order to support preventative work
 - Objective 6: Increasing the supply of self-contained temporary accommodation options in order to support the reduction of B&B use
 - Objective 7: Exploring the potential of a Social Lettings Agency/Guaranteed Rent Scheme for private landlords
 - Objective 8: Ensuring that information and advice on housing and homelessness prevention is widely available and that our customers are seen at the earliest possible opportunity
 - Objective 9: Maintaining services and creating an effective supported accommodation pathway for single homeless people and rough sleepers
 - Objective 10: Increasing the focus on performance supported by clearer data
- 4.1.4 The Homelessness Reduction Strategy Action plan attached (appendix 1) provides the committee with an update on the progress made against the individual actions and objectives contained in the plan.

4.2 The Rough Sleeping Task & Finish Group Recommendations

- 4.2.1 Rough sleeping is a key aspect of homelessness which the council continues to be proactive in addressing, and forms an important part of the overarching Homelessness Reduction Strategy, building on work which has been underway for two years. At its meeting on 20 July 2016 the Strong and Supportive Communities Scrutiny Committee (now the Adults and Communities

Scrutiny Committee) recommended that a cross-party task and finish group be established to review the work being undertaken in Peterborough to support the apparent rise in rough sleeping in the city.

4.2.2 The Committee received a report of the group's findings and recommendations at its meeting on 7 March 2017 which was then submitted to Cabinet on 20 March 2017.

4.2.3 At the meeting on 20th March 2017 Cabinet considered the report and recommendations of the Task and Finish group and agreed the amended recommendations as follows:

Recommendation 1

That a strategic group be set up which meets regularly in order to identify duplication and gaps in current provision for rough sleepers and which includes representation from partner agencies including from the faith and voluntary sector. This group will develop a Rough Sleeper Strategy to be developed and approved by Council to support the work of officers and the wider partnership arrangements, and will monitor and respond to fluctuations in the delivery of the council's homelessness policy.

Recommendation 2

The creation of a multi-agency task and targeting group to work on a long-term plan to ensure that individual rough sleepers are supported to move away from a street-based lifestyle.

Recommendation 3

That the staff resource dedicated to supporting rough sleepers is increased beyond the current single officer to provide greater resilience and capacity, including provision for weekend outreach work in addition to the existing Monday to Friday service, subject to the availability of funding.

Recommendation 4

With a growing rough sleeping population, it is important for the availability of suitable all year round night shelter accommodation to be maintained, or perhaps increased, to ensure that those most vulnerable are able to get some shelter especially during severe weather conditions.

Recommendation 5

That night shelter accommodation is identified for rough sleepers with dogs where the rough sleeper would not be willing to allow the Council to place the dog into kennels as is current practice, subject to the availability of funding. Additionally, work with organisations in the voluntary sector to develop pet-sitting or other similar projects to enable a rough sleeper with a dog to access services.

Recommendation 6

That consideration be given to establishing formal daytime drop-in advice and advocacy services for rough sleepers, in partnership with the voluntary and faith sectors, focussed on offering advice and guidance as well as case management for service users, with the caveat that this is not a daytime shelter.

Recommendation 7

That consideration be given to a flexible approach to activating severe weather emergency provision (SWEP), taking into account the good practice guidelines provided by Homeless Link.

Recommendation 8

That an urgent solution is found to the deficit of on-street drugs and alcohol support, either through renegotiating the existing contract the council holds with the provider.

Recommendation 9

That a focussed and ongoing communications campaign is undertaken to encourage the public to report rough sleeping to the council so that the most appropriate support can be provided.

Recommendation 10

To design and print business card sized information cards for rough sleepers with contact details

for rough sleeper touch points and durable conveniently sized hand-outs, which can be personalised with key advice and action plans for rough sleepers to support them to leave the streets.

Recommendation 11

That, following a recent announcement from Government about potential support to roll out the Housing First model, further work is carried out to understand the detail behind this announcement with a view to extending local provision by at least two further beds.

Recommendation 12

That the current Chronically Excluded Adults (CEA) project which provides personalised support to rough sleepers and others with the most complex needs be mainstreamed into normal council business from 1 August 2017, the point at which existing grant funding ceases, subject to the availability of funding.

Recommendation 13

That the relationship between affordable housing and rough sleeping be further explored. If it is found that there is a direct correlation between volumes of rough sleeping and availability of affordable housing, that a full report is prepared for Cabinet that explains this connection to enable Cabinet to consider the consequences in the Local Plan.

- 4.2.4 Appendix 2 attached to the report is a copy of the updated Rough Sleeping Delivery Plan detailing current progress against these agreed recommendations.
- 4.2.5 The progress reports for both the Homelessness Strategy and the Rough Sleeping Delivery Plan illustrate the significant progress which has been made across the Council and in close partnership with other statutory, voluntary and faith based organisations.

4.3 Housing Needs Service

4.3.1 Demand

The last year 2 years have been particularly challenging for the Housing Needs Team. In the period April 2016 - March 2017 the Council saw increasing levels of households requiring assistance, with 1586 presenting as being homeless or threatened with homelessness. This represented an increase of 43% on the previous year. This level of demand has remained between April 2017 - March 2018 with 1509 households presenting as homeless.

4.3.2 New Legislation - Homelessness Reduction Act

In addition, new legislation came into force on 3 April 2018. The Homelessness Reduction Act 2017 is a significant change to the way the team operates and changes the role of most of the team from investigative officers to lead professionals who need to be creative in reaching suitable solutions to prevent or relieve a household's homelessness.

The new Act places more emphasis on prevention activities by placing new legal duties on local authorities to provide meaningful support to everyone who is homeless or at risk of homelessness, regardless of whether they are in priority need or 'intentionally homeless', as long as they are eligible.

Previous legislation (Housing Act 1996 as amended by Homelessness Act 2002) defines that a person is considered to be threatened with homelessness if it is likely that they would have become homeless within 28 days. The Homelessness Reduction Act 2017 doubles the number of days from 28 to 56, including those who have been served with a valid Section 21 notice (the legal notice that must be served by a landlord notifying the tenant that possession of the private sector property is required). This has an implication on how the Local Authority needs to respond.

Anyone accepted by the council as being threatened with homelessness will be owed the new prevention duty and the council must take 'reasonable steps' to help them avoid becoming homeless. The Act stipulates that the support offered to eligible applicants is to be more robust than currently required. Once a local authority is satisfied that someone is homeless or threatened with homelessness and eligible for assistance, an assessment should be carried out which includes:

- The circumstances that have caused homelessness / potential homelessness
- The housing and other support needs of the applicant and their household
- A personalised plan, setting out steps for the applicant and the council to take to ensure accommodation is secured and/or retained. An applicant's assessment and plan must be kept under review and updated as necessary, until the local authority has determined that no further duty is owed.

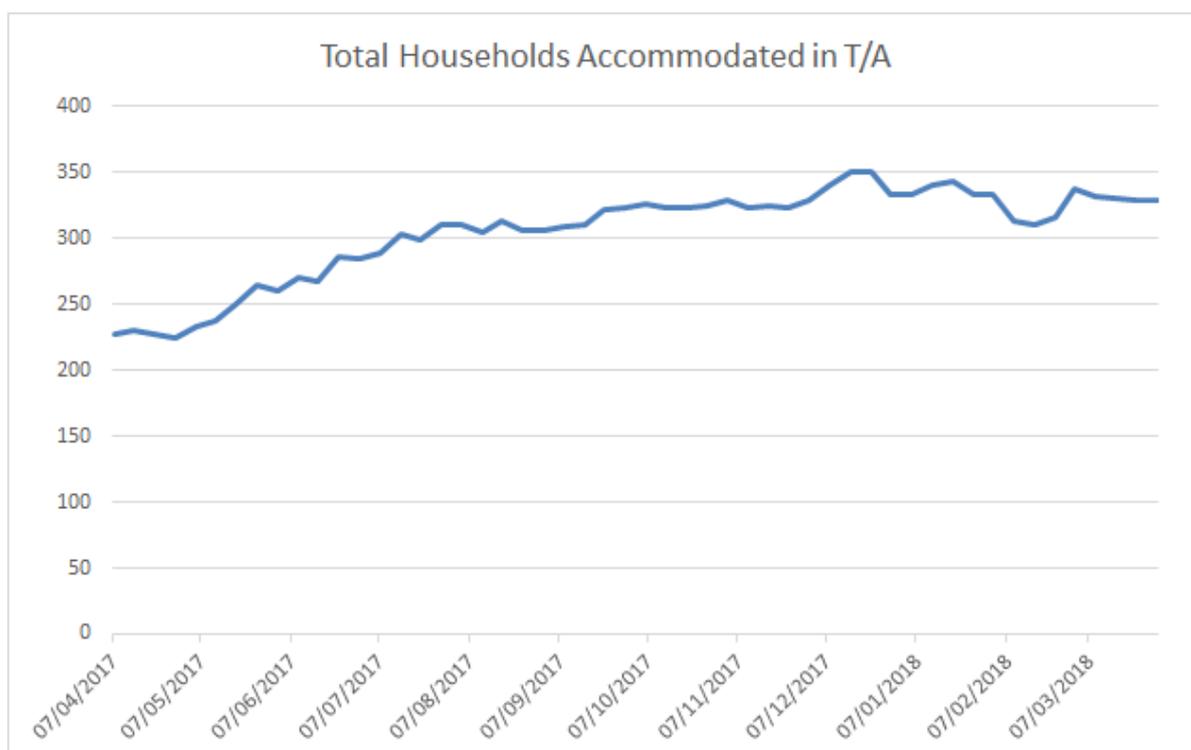

This in itself places an additional requirement upon the team in addition to the increases in demand the team have seen over the last 2 years.

4.3.3 Numbers in Temporary Accommodation

The graph below shows the number of households accommodated in temporary accommodation at the end of every week last year. In the first quarter of 2018/19 these numbers have continued on a similar trajectory.

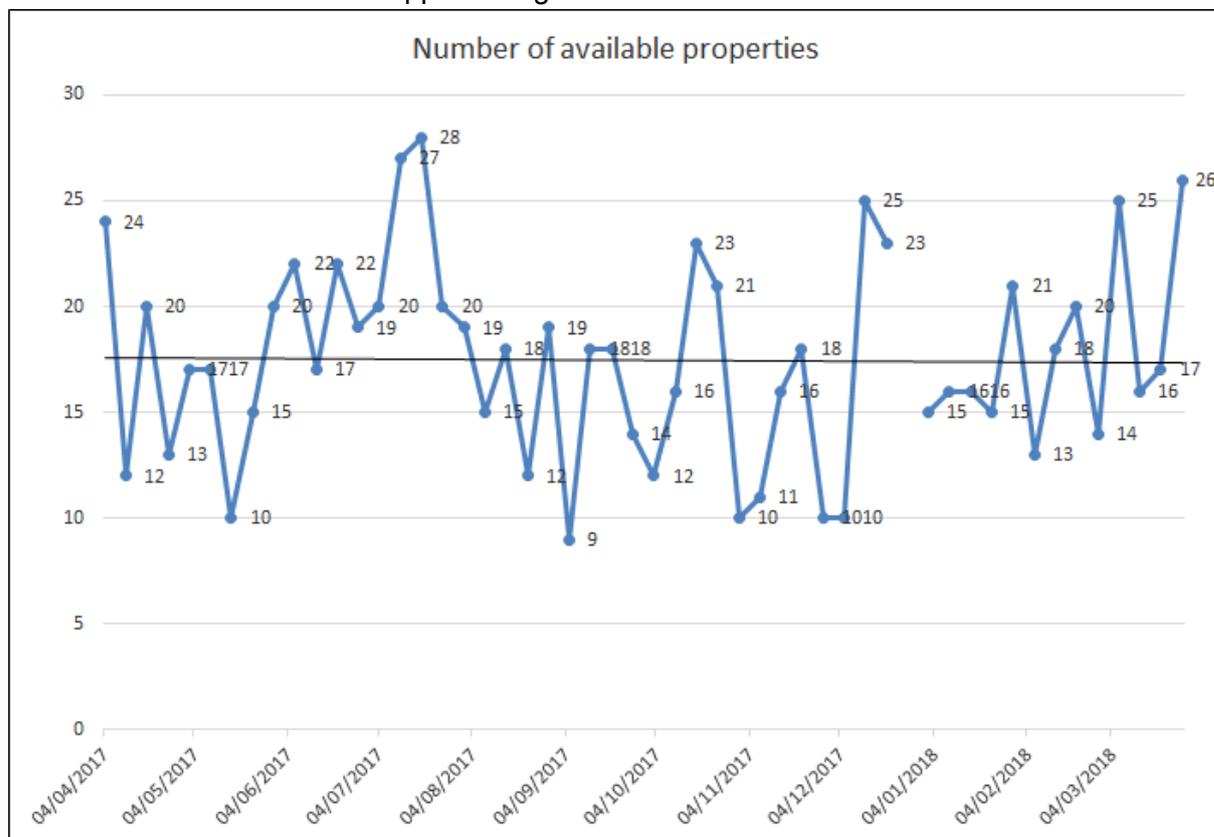

The accommodation which is being brought forward as part of the investment into Medesham Homes is scheduled to start becoming available in July this year and will result in the number of households being accommodated in B&B type accommodation being reduced, which will be a significant improvement in the experience for homeless households who are faced with having to go into temporary accommodation.

In addition the recent launch of the private sector leasing scheme has generated a lot of interest amongst private landlords as we're confident that this will be able to secure more property for use by the Housing Needs team in August 2018.

4.3.4 Available Social/Affordable Rented Properties

The graph below shows the number of social affordable housing properties that have been made available for the housing needs team over the last 12 months (892 in total, averaging 17 per week). These continued low numbers of available properties while the demand increases means that we have to ensure we are making best use of the private sector housing market in meeting the needs of the households approaching us.

4.3.5 Changes in Team Structure

There is recognition of the increases in demand and the increases in workload, not least as a result of the new legislation being implemented. As such, additional investment has been made into the Housing Needs team and the service has been restructured so it will be best positioned to deal with the new burdens.

The restructure commenced in May this year and is near completion. It is envisaged that all new roles will be recruited to and new ways of working adopted by the 1 September 2018.

4.3.6 Successful funding bid

The Council's Housing Needs Team has been successful in a bid to the Ministry of Housing, Communities and Local Government to secure funding to increase its provision to support rough sleepers to leave the street.

The funding, which totals £284,765 for 2018/19, will support the following initiatives:

1. Expansion of the current rough sleeper outreach team from 2 officers to 4
2. All year round emergency crash bed facility to accommodate up to 10 rough sleepers
3. An expansion of the current Severe Weather Emergency Provision offered by Axiom Housing
4. Extension of the current winter night shelter provision offered by the Light Project Peterborough from the current 13 weeks up to 20 weeks
5. Increase in specialist outreach to support those with drug and alcohol misuse issues

6. Funding of specialist GP support services for rough sleepers
7. Funding of a landlord incentive scheme to increase access to single person accommodation in the private sector
8. Funding of 2 specialist workers to support single people to maintain their accommodation once housed
9. And funding of a co-ordinator role who will lead on the delivery of the above initiatives

These initiatives will make a significant difference to the positive work already underway with partners across the City, and will support the delivery of our Homelessness Reduction Strategy.

The funding opportunity came about as part of the Government's targeted £30m fund announced on 30 March 2018.

The funding is for activities in 2018/19, and further discussions between the MHCLG and the council will take place over the coming months regarding continued funding for 2019/20.

DOMESTIC ABUSE & SEXUAL VIOLENCE STRATEGY – PROGRESS IN 2017/18

R E C O M M E N D A T I O N S	
FROM:	Deadline date:
<p>It is recommended that the Adults and Communities Scrutiny Committee:</p> <ol style="list-style-type: none"> 1. Scrutinise the progress of the delivery of Cambridgeshire and Peterborough’s Violence Against Women’s and Girls (Domestic Abuse and Sexual Violence) Strategy during 2017 - 2018. 2. Comment on priorities for 2018/ 2019 3. Note the intention to bring a further paper to Adult and Communities Scrutiny in September 2018 to consider Peterborough City Council’s plan for accreditation to the White Ribbon Campaign. 	

1. ORIGIN OF REPORT

1.1 The report was requested by Adults and Communities Scrutiny Committee given the high priority placed on the issue of Domestic Abuse and Sexual Violence by Peterborough City Council, the progress being made by the Domestic Abuse and Sexual Violence Partnership across the County, and as a key priority in the Safer Peterborough Partnership Crime and Disorder Plan.

2. PURPOSE AND REASON FOR REPORT

2.1 Peterborough City Council is a partner in the development and delivery of the Cambridgeshire and Peterborough Violence Against Women and Girls Strategy 2017 - 2021. The purpose of this report is to update members on the Countywide work carried out during 2017 - 2018 to tackle domestic abuse and sexual violence in line with the countywide strategy, in the context of local priorities of the Safer Peterborough Partnership.

2.2 This report is for the Adults and Communities Scrutiny Committee, sitting as the Crime and Disorder Scrutiny Committee to consider under its Terms of Reference No 2.2 Functions determined by Statute: To review and scrutinise crime and disorder matters, including acting as the Council’s crime and disorder committee in accordance with Sections 19 of the Police and Justice Act 2006.

2.3 This report links in to the Corporate Priority: Keep all our communities safe, cohesive and healthy.

3. **TIMESCALES**

Is this a Major Policy Item/Statutory Plan?	NO	If yes, date for Cabinet meeting	N/A

4. **BACKGROUND AND KEY ISSUES**

4.1 *Governance*

In 2017 Countywide governance arrangements for Community Safety were reviewed and as a result the Cambridgeshire and Peterborough Domestic Abuse and Sexual Violence Delivery Group was established. The group reports into the Cambridgeshire and Peterborough Community Safety Strategic Board, but also acts to inform and support the development of local priorities through the work of the five District based Community Safety Partnerships, and the Safer Peterborough Partnership.

The key objectives of the Delivery Group include signing off the Countywide Violence Against Women and Girls (VAWG) needs assessment, setting out a VAWG Strategy for the county and overseeing the delivery of the associated action plan.

The Group is comprised of a wide range of partners, chaired by Detective Superintendent Martin Brunning, Head of Public Protection (Cambridgeshire Constabulary), with Sarah Ferguson, Assistant Director Housing Communities and Youth (PCC and CCC) acting as Vice Chair.

A DASV Operational Group was also established to coordinate delivery of the DASV action plan bringing together operational managers from key agencies across the County with responsibility for domestic abuse and sexual violence

4.2 *Strategy development*

In 2016 a VAWG (Violence Against Women and Girls) Needs Assessment was commissioned by the OPCC (Office of Police and Crime Commissioner) across Cambridgeshire and Peterborough and was finalised in September 2017. Following this, a VAWG Strategy for 2017-2021 for Cambridgeshire and Peterborough was produced underpinned by an action plan to focus on delivery.

The Domestic Abuse and Sexual Violence (DASV) partnership produces an Annual Report to outline the key achievements of the strategy, and areas of progress and development for the coming year. This paper provides an overview of these achievements and also the challenges for the DASV Partnership during 2017/18. It will highlight key points from the 2017/18 DASV Annual report and indicate the priorities for 2018/19.

4.3 *Shared operational services*

At an operational level 2017/18 also saw the establishment of a Countywide IDVA (Independent Domestic Violence Advocacy) service, under the management of the Domestic Abuse and Sexual Violence Partnership Manager. This involved bringing staff previously employed by Peterborough Women's Aid back into the employment of Peterborough City Council but under management and supervision of the Countywide service, and the existing Cambridgeshire team.

4.4 *Performance and Progress*

The Delivery Group consider a number of indicators as a guide to what is happening in terms of domestic abuse and sexual violence. In 2017/18 key data includes:

Cambridgeshire and Peterborough

- 540 referrals to the IDVA service with a 64% engagement rate (target is 70%)
- 39% of clients called the police again to report an incident – approx. two thirds of these were due to clients following their safety plan

- The Sexual Assault Referral Centre had 191 over 18s and 102 under 18s who used the service, an increase on the previous year from 129 and 81 respectively.

Peterborough

- 180 victims called Peterborough Women's Aid for Support
- The new Refuge outreach service in Peterborough provided support to 332 victims between September 2017 and March 2018
- There were 140 adult safeguarding referrals to the Peterborough MASH with a domestic abuse element, and 98 referrals relating to sexual violence.

- 4.5 There has been an increase in IDVA referrals over recent years. Most notable is the increase of 25% in the last year in those cases presented at Multi Agency Risk Assessment Conference (MARAC), where the victim has been assessed as at high risk of homicide across Cambridgeshire and Peterborough.

In terms of effectiveness, the IDVA service is a crisis intervention service, so cannot track longer term outcomes, however, the service can demonstrate numbers of victims who are now more informed and have a safety plan. The service is working on a process to gather outcomes data via an exit interview, which will be available at the end of the year.

When considering police reports, we would expect an increase in awareness of domestic abuse to increase the number of crimes being reported to the police, although this does not necessarily indicate increased domestic abuse and sexual violence in the general population.

- 4.6 The VAWG strategy is split into four main areas: Prevent; Protect; Pursue; Prepare. Key achievements for 2017/ 2018 in each of the four main areas are listed below:

Prevent

- The personal, social, health and economic (PSHE) service have produced guidance on Relationships and Sex Education for schools to purchase.
- Work with Cambridgeshire and Peterborough Foundation Trust and Addenbrooke's to develop Domestic Abuse policies.
- Awareness materials have been produced and sent to a wide range of agencies and professionals, and are available to download from the website.
- Initial Break 4 Change programme, addressing APVA (Adolescent to Parent Violence and Abuse), delivered by the Youth Offending Service and attracting young people and their families from across Cambridgeshire and Peterborough.
- Embrace counselling for children aged 13-19 (up to 24 with additional needs) who have witnessed domestic abuse is in place, funded through a 3 year Home Office grant.

Protect

- The Family Safeguarding model of work has started in Peterborough Children's Services which incorporates specialist advisers and supporters of both victims and perpetrators.
- Two previously separate MARAC processes have been brought together and there is now a Countywide single MARAC now operational daily.
- There is a now a countywide Perpetrator Panel which where appropriate will consider domestic abuse perpetrators leaving prison.

Pursue

- New Local Policing Plan in place from May 2018, which means the closure of the specialist DAISU unit and a move to local policing teams.

Prepare

- Specialist Stalking and Harassment IDVA Post is currently out to advert, which will work from the Victim's Hub.
- DASV Champions have been nominated by a range of agencies and 6 network events have been held with very positive feedback. The champions will continue to meet on a quarterly basis. This was very well received by professionals in Peterborough.

The full annual report of the Domestic Abuse and Sexual Violence Partnership is available to Members on request.

- 4.7 One of the priorities within the action plan highlights the need to work more closely with communities where there may be less awareness of the issue, and how and where support can be accessed. The Joint Mosque Group have led work across Peterborough to build understanding and responses to domestic abuse and sexual violence within the Muslim community. This work was kick started by a well attended workshop in September 2017 which has led to the development of a comprehensive action plan, considered by the DASV Delivery Group. Children of Adam have also been proactive in looking at ways in which they can support and develop support networks for victims in the City.

The DASV Partnership Manager has been working with the Community Cohesion Manager to take forward both these areas of work, with a further meeting to plan a next set of actions taking place on 30th June.

- 4.8 In addition to the core system wide changes and developments which have taken place in the last year outlined above, Members may be aware that the partnership were awarded a one year grant for £700k from the Department for Communities and Local Government (DCLG) (now the Ministry for Housing, Communities and Local Government), which ended on 31st March 2018.

The following describes what has been achieved to date in the 8 main areas of work:

- Outreach workers at Cambridge Women's Aid and Refuge (covering the County and Peterborough) – to date, 1317 victims, (74 male, 1243 female) who had 1231 children living with them, have been supported with additional safety, advice, information and advocacy
- Domestic Abuse pathway mental health nurses supported specialist staff and victims to understand the mental health needs of clients
- Bobby Scheme – 259 victims' homes were provided with increased security, this included 329 children
- Counselling for Cambridge Rape Crisis Centre and Peterborough Rape Crisis – 23 women received specialist sexual violence counselling
- Domestic Abuse Housing Accreditation – housing associations are considering accreditation, and 6 workshops have been held to date, with 51 attendees from 11 housing organisations
- 'Move on' support was provided for a range of needs from transport costs to goods for new homes
- 'No Recourse to Public Funds' support – supported over a dozen women and their children access support they would not have otherwise had
- Development of Domestic Abuse /Sexual Violence awareness materials for diverse populations – these have been widely distributed across the county and can be accessed free of charge from our website. Films have been produced on You Tube about the IDVA service and the outreach service, which can be viewed in Polish, Urdu, Punjabi, Russian and British Sign Language. More will be developed where needed.

- 4.9 Individual organisations who make up the Partnership may pursue their own organisational wide developments - for example, seeking accreditation to the White Ribbon Campaign. This is a national campaign whose mission is to end male violence against women once and for all. To wear a white ribbon is to pledge never to commit, excuse or remain silent about male violence. Their message to men is to practise tolerance, respect and kindness, and to stand up against male violence, bullying and sexism in all forms. The ethos of the campaign is that male violence is a men's issue, and not one purely for female specific services.

Any public facing organisation, such as local authorities, can apply for White Ribbon accreditation, through submission of a comprehensive action plan outlining how they will marshal their resources to challenge domestic abuse. Cambridge City and Cambridgeshire County Council have secured accreditation, and it is also being actively looked at by East Cambridgeshire District Council.

Work has started at officer level to explore Peterborough City Council also securing accreditation, and an initial discussion has taken place at Cabinet Policy Forum. It is proposed to bring a paper to Adults and Communities Scrutiny to consider potential White Ribbon accreditation for Peterborough in September 2018.

4.10 *Priorities for 2018/ 2019*

Countywide areas of Focus for 2018/19

The above outlines the significant developments which have been made across the partnership.

Going forward, the priorities for 2018/19 include:

- Consider options around a “single front door” model for Domestic Abuse
- Secure funding for outreach provision to continue after March 2019
- Establish a countywide DHR (Domestic Homicide Review) process
- Support Peterborough City Council to achieve White Ribbon accreditation (if agreed)

During 2018/ 19 the priorities highlighted in the SPP plan are as follows:

- Intervening earlier to prevent domestic abuse and sexual violence from happening and challenging the attitudes and behaviours which foster it and intervene as early as possible to prevent it
- Providing support to victims and their families where violence occurs
- Taking action to reduce the risk to victims of these crimes and to ensure that perpetrators are brought to justice

Over the next 12 months we will prioritise a number of areas of work in support of these priorities.

- We will ensure that domestic abuse and sexual violence services are able to respond to increasing demand for services
- We will support in the development of a countywide partnership response to reduce the harm, risks and costs of domestic abuse, child abuse (including child sexual exploitation), serious sexual offences, trafficking and modern day slavery, which keeps victims safe from future victimisation
- Enhance community engagement and awareness of domestic abuse and sexual violence support services to include the lesbian, gay, bi-sexual and transgender community with the aim of increasing the number of victims accessing support and reporting incidents to the Police
- Develop a local offer to meet the needs of children and young people who are, or at risk of becoming, perpetrators and/or victims of domestic abuse and sexual violence, to improve specialist support services
- There is a need to work towards increasing referrals from mental health care settings, ensuring all mental health professionals are providing their service users with the opportunity to access domestic abuse and sexual violence support services
- Review and monitor the implementation of the recommendations from Domestic Homicide Reviews and hold partners to account for their actions.

ENVIRONMENTAL ENFORCEMENT - KINGDOM REVIEW

R E C O M M E N D A T I O N S	
FROM: Service Director Communities and Safety	Deadline date: N/A
<p>It is recommended that the Adult and Communities Scrutiny Committee:</p> <ol style="list-style-type: none"> 1. Scrutinise this report providing feedback on current performance, delivery arrangements and future service plans. 	

1. ORIGIN OF REPORT

1.1 The Adults and Communities Scrutiny Committee requested officers to provide an update on the current contract in place with Kingdom Services to tackle environmental crimes in Peterborough.

2. PURPOSE AND REASON FOR REPORT

2.1 To inform and update members on the current performance and delivery in relation to the existing environmental enforcement contract. The report also details future plans for tackling environmental crime across Peterborough including development of an enhanced community provision.

2.2 This report is for the Adults and Communities Scrutiny Committee, sitting as the Crime and Disorder Scrutiny Committee to consider under its Terms of Reference No 2.2 Functions determined by Statute: To review and scrutinise crime and disorder matters, including acting as the Council's crime and disorder committee in accordance with Sections 19 of the Police and Justice Act 2006.

2.3 This report links into the following Corporate Priorities?

- Keep all our communities safe, cohesive and healthy.
- Implement the Environmental Capital agenda.

3. TIMESCALES

Is this a Major Policy Item/Statutory Plan?	NO	If yes, date for Cabinet meeting	N/A

4. BACKGROUND AND KEY ISSUES

4.1 Enforcement Trial

On 12th June 2017 Peterborough City Council commenced an enforcement trial with Kingdom Security Ltd, a private organisation contracted to tackle environmental crime. The trial has taken place in the two areas in Peterborough where Public Spaces Protection Orders (PSPOs) are in place - the city centre and the Millfield area. A team of 5 officers and 1 supervisor has patrolled the pilot areas on a 5 day a week rota across Monday to Saturday.

The current contract will be cost neutral to the city council.

The pilot has provided a complimentary service to existing roles within the Prevention and Enforcement Service, and has allowed us to improve visibility and intervention in hotspot areas. It has received positive feedback from members of the public and has been reported favourably in the media.

Kingdom Officers have delegated powers to issue Fixed Penalty Notices (FPNs) on behalf of the council under the following legislation:

- Section 88 - Fouling of Land by dogs (or similar) 1996
- Section 59 - Clean Neighbourhoods and Environment Act 2005
- Section 33 - Environmental Protection Act 1990

Prior to commencement of enforcement activity, an education phase of 6 weeks took place in each PSPO area. This included radio/tv interviews, information on websites, social media activities, engaging with individuals, businesses and community organisations. Work is ongoing with the community cohesion team to produce short film clips to use on social media to ensure foreign nationals and new arrivals have an awareness of the scheme.

4.2 Performance

From 12th June 2017 to the end of May 2018 Kingdom Officers issued 8,824 FPNs in the two PSPO areas in the city:

City Centre - Total **7,594**

- Unauthorised cycling (on Bridge Street) = 1,648
- Failing to dismount from a cycle = 35
- Littering = 4,887
- Spitting = 996
- Urination = 22
- Failure to disperse = 5
- Defecation = 1

Millfield - Total **1,230**

- Littering = 781
- Spitting = 439
- Urination = 9
- Failure to disperse = 1

FPNs in Millfield are considerably lower than the city centre, though this can be expected given the difference in footfall. Additionally, the cycling ban only applies to Bridge Street.

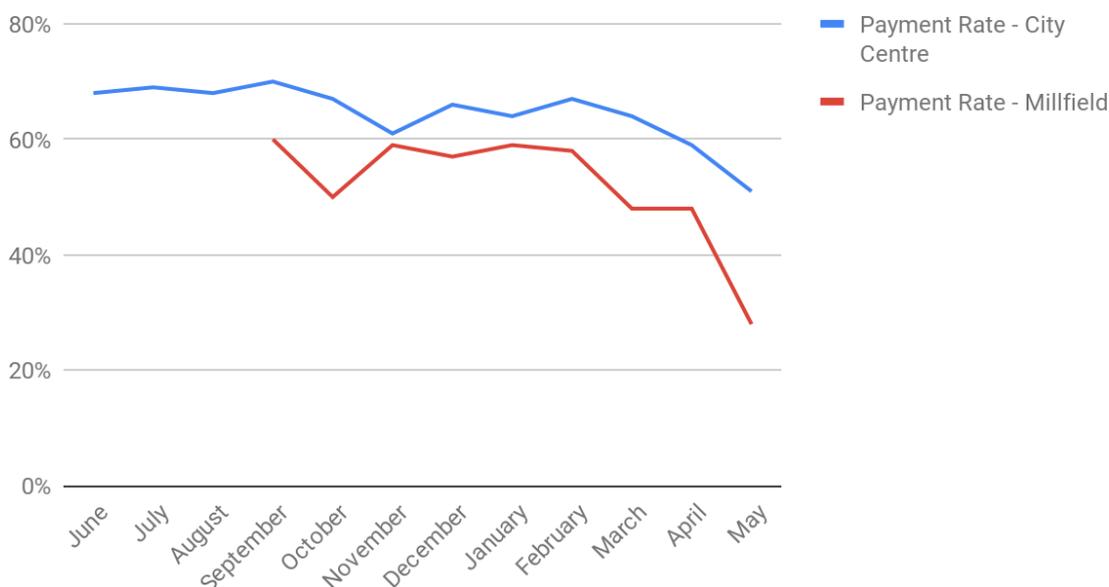

4.3 Payment Rate / Court Action

Payment rates for FPNs issued average around 68% for those issued in the city centre, although the payment rate for the Millfield area is lower at 50%. This is illustrated in the chart below, The dip for the months of April and May relates to a lag in payments, and our experience of the last year shows this is recovered as the month's progress.

If an FPN remains unpaid then individuals are summoned to court for non-payment. To date 320 cases have been brought before the court, the average fine imposed is £220, with costs of £180

and a victim surcharge of £30. It is important to note that the council has had a 100% success rate at court.

Payment Rate - City Centre and Payment Rate - Millfield

4.4 Public Perception / Feedback

A snapshot survey was undertaken mid-year. This showed that 51% of members of the public considered the enforcement of the PSPO to have reduced ASB in the city centre. The significant majority of survey respondents reported that they felt safe in the city centre with 39% reporting they felt very safe and 59% stating they felt fairly safe.

Anecdotal information shows that the orders have had a positive impact on the issues relating to street drinking in the PSPO areas.

Some concerns have been raised that the scheme is motivated by generating income, however as outlined above the scheme has not brought any additional revenue to the council, and is intended to be cost neutral. This and performance information has been publicised via the media to help better inform the public regarding the motivation for the scheme.

4.5 Complaints and Appeals

Kingdom have received an average of 52 appeals per month. To give some context, Parking enforcement receive an average of 340 per month.

Kingdom appeals generally involve either the customer defending the offence or a request for a longer payment period. The use of bodycams (CCTV) ensures transparency of service and provides a record of the interaction between officer and customer - this is regularly dip sampled and indicates a high level of professionalism.

Customers are encouraged to appeal FPNs direct to Kingdom who have their own complaints procedure. If a customer remains unhappy about a response received they have an escalation right direct to Peterborough City Council. Our robust review procedure includes officers reviewing bodycam footage and the making of an independent decision regarding the case. Regular monitoring meetings are held with Kingdom officers to chart progress and to discuss any organisational learning.

The vast majority of appeals have not been upheld, with the exception of a minority of circumstances where there has been an element of doubt or a rational explanation for the behaviour. Whilst the term 'zero tolerance' was initially published, the trial has led us to soften

this approach and apply an element of discretion.

4.6 **Prevention and Enforcement Service Vision**

The Prevention and Enforcement Service is undergoing a transformation programme to improve local delivery and cost effectiveness. This vision includes:

- Deploying Council resources to geographic community areas. These will be multi-skilled officers who will become community 'problem solvers' to ensure local needs are met. This will be a change from the current model - officers will be accountable for local delivery and spend much of their working time 'on patch'. These officers will be instrumental in working with local communities and councillors to, for example, develop 'Public Space Protection Orders' to enable our staff to tackle issues of most concern
- Establishing a core team of dedicated enforcement officers - allowing us to target some of the bigger challenges that require focus such as parking and enforcement of the Public Space Protection Order areas.

These proposals are currently subject to public consultation as part of the phase 1 budget proposals.

4.7 **Next Steps**

The current phase 1 budget consultation continues until the end of July. Subject to feedback informing the final shape of the PES, the following actions will be taken:

Stage 1 - Establish a dedicated enforcement team. Consideration is being given to the delivery model for the enforcement elements of the service, and particularly whether that should be an in-house or contracted-out service. It is recognised that the existing PES transactional (ticketing) functions may sit best in this area including PSPO enforcement and Parking Enforcement. Additional consideration is being given to other areas of business where there is a relation to community safety and where bringing them together may enhance commercial opportunity, with any resultant revenue supporting the costs of the service.

An options paper is in production to help identify the most efficient method of delivery, and once approved we aim to implement no later than April 2019. The views of the Committee would be helpful in informing the final decision.

Stage 2 - Develop further the remaining PES model. Staff in the PES who are not in the dedicated enforcement team will remain multiskilled officers, but with a greater focus on working in communities with the greatest need for their support. These officers will be expected to coordinate other council and partner activity to simplify routes into the services and improving ease of contact.

The timing of this development is related to the completion of stage 1 - implementation is expected no later than April 2019. The views of the Committee are invited regarding this more localised approach to community provision.

5. **CONSULTATION**

- 5.1 Consultation was undertaken with cabinet before the implementation of the current pilot contract. Ward Councillors in the two PSPO areas were also consulted.

6. **ANTICIPATED OUTCOMES OR IMPACT**

- 6.1 The future delivery arrangements for environmental enforcement will be well informed and meet the needs of communities most in need of support.

7. **REASON FOR THE RECOMMENDATION**

- 7.1 To inform the design of the environmental enforcement service.

			<ul style="list-style-type: none"> - That the effects of the Safer Peterborough Partnership (SPP) on the reduction on crime rates be made clear as currently the report refers to the successes of the SPP but also suggests that this reduction would have happened regardless of specific SPP actions as it is in line with national trends. 		<p>on 16/01/18 The only amendment to the Plan, which had been previously agreed by both the Adults and Communities Scrutiny Committee and Cabinet, is the addition of a new priority, Tackling Anti-Social Behaviour and Environmental Crime.</p> <p>Complete.</p>

12 September 2017	Cabinet Member for Communities/ People and Communities	Update On The Management of Rough Sleepers: Monitoring of Recommendations	The Committee RESOLVED to recommend that an alternative strategy or option 'B' be developed if funding was denied following the submission of a bid to the DCLG for extra funds to recruit 3 additional workers. This bid would provide the required resources to progress many of the recommendations.	The DCLG bid was successful and three extra workers are being recruited.	Complete
12 September 2017	Cabinet Member for Communities/ Adults and Communities	Homelessness and Homelessness Prevention	<p>The Adults and Communities Scrutiny Committee resolved to agree to the proposed amendments to the Housing Policy as listed below:</p> <p>Under occupation - To allow households with a 2 bedroom need, with 2 children, who are working and will not be affected by the removal of the spare room subsidy to express interest in and be housed in 3 bedroom accommodation.</p> <p>Additional Preference - As demand for accommodation has grown it has become apparent that households to which the Council owes a full housing duty but who do not have additional preference through a strong local connection, face the prospect of not being successful for an allocation of accommodation as they are always considered after a household who does. It is proposed that a category for accepted homeless households who have been accepted for at least 3 months is added as an additional preference category.</p>	<p>As the Peterborough Homes Allocation Policy is part of the major policy framework, the changes have to be approved by Council.</p> <p>The item was approved by Council at its meeting on the 12 December.</p>	Complete

Meeting date Recommendations Made	Portfolio Holder / Directorate Responsible	Agenda Item Title	Recommendation Made	Action Taken	Progress Status
			<p>Refusals and non-attendance at viewings - The demand for accommodation is now so great that we now no longer have the luxury that we are able to give applicants extensive choice when it comes to allocations. Applicants are currently permitted to refuse up to 3 offers of accommodation before they are penalised. It is proposed that this be reduced to 2 offers for general applicants. No change is proposed for applicants who are accepted as homeless, they must still accept the 1st offer of suitable permanent accommodation.</p> <p>Number of bids - Currently applicants are able to bid on up to 3 properties per week. They could also shortlist for up to 3 properties per week. This has often resulted in delays in lettings and some applicants bidding for properties without any knowledge of the area the property is located in as they face no penalty. It is proposed that the number of bids applicants can place be reduced from 3 to 1. This should encourage applicants to review all properties in more detail and to place their bids on properties they are really interested in securing.</p>

FORWARD PLAN

PART 1 – KEY DECISIONS

In the period commencing 28 clear days after the date of publication of this Plan, Peterborough City Council's Executive intends to take 'key decisions' on the issues set out below in **Part 1**. Key decisions relate to those executive decisions which are likely to result in the Council spending or saving money in excess of £500,000 and/or have a significant impact on two or more wards in Peterborough.

If the decision is to be taken by an individual Cabinet Member, the name of the Cabinet Member is shown against the decision, in addition to details of the Councillor's portfolio. If the decision is to be taken by the Cabinet, this too is shown against the decision and its members are as listed below:
Cllr Holdich (Leader); Cllr Fitzgerald (Deputy Leader); Cllr Ayres; Cllr Cereste; Cllr Hiller, Cllr Lamb; Cllr Smith; Cllr Seaton and Cllr Walsh.

This Plan should be seen as an outline of the proposed decisions for the forthcoming month and it will be updated on a fortnightly basis to reflect new key-decisions. Each new Plan supersedes the previous Plan and items may be carried over into forthcoming Plans. Any questions on specific issues included on the Plan should be included on the form which appears at the back of the Plan and submitted to philippa.turvey@peterborough.gov.uk, Democratic and Constitutional Services Manager, Governance Department, Town Hall, Bridge Street, PE1 1HG (fax 08702 388039). For each decision a public report will be available from the Democratic Services Team one week before the decision is taken.

PART 2 – NOTICE OF INTENTION TO TAKE DECISION IN PRIVATE

Whilst the majority of the Executive's business at the Cabinet meetings listed in this Plan will be open to the public and media organisations to attend, there will be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. In these circumstances the meeting may be held in private, and on the rare occasion this applies, notice will be given within **Part 2** of this document, 'notice of intention to hold meeting in private'. A further formal notice of the intention to hold the meeting, or part of it, in private, will also be given 28 clear days in advance of any private meeting in accordance with The Local Authorities (Executive Arrangements) Meetings and Access to Information) (England) Regulations 2012.

The Council invites members of the public to attend any of the meetings at which these decisions will be discussed (unless a notice of intention to hold the meeting in private has been given).

PART 3 – NOTIFICATION OF NON-KEY DECISIONS

For complete transparency relating to the work of the Executive, this Plan also includes an overview of non-key decisions to be taken by the Cabinet or individual Cabinet Members, these decisions are listed at **Part 3** and will be updated on a weekly basis.

You are entitled to view any documents listed on the Plan, or obtain extracts from any documents listed or subsequently submitted to the decision maker prior to the decision being made, subject to any restrictions on disclosure. There is no charge for viewing the documents, although charges may be made for photocopying or postage.
