**HELD AT THE TOWN HALL, PETERBOROUGH 18 OCTOBER 2018**

### **4. LICENSING ACT 2003 - CUMULATIVE IMPACT - REVIEW, CONSULTATION AND RESPONSES**

The Licensing Committee considered the report and **RESOLVED** (Unanimously) to:

1. Note the contents of the report and responses received to the consultation on the Cumulative Impact Policy (CIP); and
2. Agreed to recommend to Council retention of the status quo for the Cumulative Impact Policy.

#### **REASONS FOR THE DECISION**

To comply with statutory requirements of the Licensing Act 2003 as amended by the Policing and Crime Act 2017.

The Committee agreed to recommend to Council, retention of the Cumulative Impact Policy, taking note of the fact that there had been a lack of data recorded and evidenced by the police over alcohol crime related issues in the Operation Can Do area. The Committee also noted that the evidence from Public Health related to a larger area than the Can Do area. In addition, there had been no evidence presented to the Committee that the CIP should not be retained and it was clear from the representations made that the CIP should be retained. These representations were made in writing, and at the meeting by Council services, such as the Prevention & Enforcement Services, Peterborough City Council (PCC) Community Capacity Manager and the PCC Community Resilience and Integration Manager, Ward Councillors and a Local Community Association (MANERP).
