Panel Meeting

On 30 July 2018 the Cambridgeshire Police and Crime Panel considered the Police and Crime Commissioner's Annual Report for 2017/18.

Decision

Having reviewed the Annual Report of the Police and Crime Commissioner the Panel AGREED to ENDORSE the Annual Report for 2017/18 subject to the condition that certain changes are made, in particular to:

- Correct errors and clarify points that are unclear
 - Review all graphs to ensure information is correct
 - Provide the missing footnotes within the Rural Crime table
1. The Police and Crime Panel also made the following recommendations for the Commissioner to consider for this and/or future Annual reports:
- Less space to be devoted to generalities and more focus on initiatives, outcome/impacts and indicators of success/progress
 - Where there are small variations to start graphs at 50%
 - Provide an indication geographical response times within the Annual Report
 - To include a "typical day" of a Frontline Officer within the Annual Report
 - To provide an indication of resource allocation to meet demand with the Annual Report
 - Ensure better presentation of graphs to make them as legible as possible

- It would be more information to show on satisfaction graphs what proportion of 'at least fairly satisfied' is 'very satisfied'

1. The Panel indicated its intention to seek more detailed reports on:

- Resource Allocation Report
- Road Safety Strategy
- Emergency Response Paper
- Threat, Risk and Harm Responsibility Analysis

Reasons for the decision

The Panel considered that the Annual Report was acceptable.
