1. PURPOSE OF REPORT

1.1 To consider and determine this application for a new premises licence for Europoli Supermarket 282 Lincoln Road, Millfield, Peterborough, PE1 2ND taking into account the objections received and the premises to which the application relates, is located within the cumulative impact boundary.

2. BACKGROUND INFORMATION

2.1 There have not been any previous applications under the Licensing Act 2003 for this premises. The premises was previously a 99p shop but is now open and trading as Europoli Supermarket.

2.2 Since 18 April 2013 the Licensing Authority have adopted a special policy relating to the cumulative impact in respect to all licensed premises within the ‘Can – Do’ area. This policy has been subsequently reviewed and consulted upon (in 2015 and 2018) in line with statutory timeframes.

2.3 The Licensing Committee convened on the 18/10/18 to consider the future of the CI, following a consultation. The Licensing Committee considered all responses and evidence made available (orally and in writing) and determined to recommend to full council to retain the policy and publish a CIA (Cumulative Impact Assessment). This decision was ratified and adopted by full council on 12 December 2018.

2.4 However, as this application was served on the 27 November 2018 prior to the adoption of the new CIA, the old policy must be applied to this application. A copy of the overarching Statement of Licensing policy applicable at the time of application is attached at **Appendix B Page 11** (cumulative impact is within Section 11).

2.5 The premises falls within the ‘Operation Can – Do’ area and is therefore subject to the provisions of the special ‘cumulative impact’ policy.

3. AUTHORISATIONS AND TIMES APPLIED FOR

Monday to Sunday 08:00 to 21:00

- **Opening hours of premises**

4. APPLICATION

4.1 Please refer to the application attached at **Appendix C – Page 35**

4.2 The applicant has also provided supplementary documentation intended to address the cumulative impact policy. This is attached at **Appendix D – Page 53**

4.3 Representations against the application have been received from Dr Richard Ferris, PC Grahame Robinson on behalf of Cambs Constabulary. Clair George on behalf of the Prevention and Enforcement Service (PES), Katie Johnson on behalf of Public Health, MANERP (Millfield and New England Regeneration Partnership) and Councillor Ali. These representations are attached at **Appendix E on Page 59**.

4.4 Part P of the application sets out the applicant's proposed conditions under the licensing objectives, these being, 'The Prevention of Public Nuisance', 'Public Safety', 'Prevention of Crime and Disorder' and 'The Protection of Children from Harm'. These are also contained within the body of this report (in section 7) and in accordance with section 10.5 of Guidance have been interpreted into enforceable conditions. Only those appropriate and proportionate for the promotion of the licensing objectives have been included in the Operating Schedule.

5. REPRESENTATIONS

5.1 Summary of issues raised in the representations:

- The premises is located within the cumulative impact boundary, an area identified as being saturated with licensed premises which is having a negative impact on the licensing objectives;
- The area suffers with anti-social behaviour fueled by alcohol, exacerbated by the rapid growth of off sales licensed premises;
- The impact of alcohol being sold at the premises is in a high density residential area;
- There is a strong relationship between alcohol outlet density and problems associated with social disorder which affects the health and wellbeing of the population;
- Application does not provide any details on how the sale and display of alcohol will be managed from 21.00 (when the sale of alcohol is requested upto) to 23.00 when the premises will close;
- The application, if granted, it would add to the availability of off sales of alcohol and exacerbate the negative impact on all the objectives, particularly the prevention of crime and disorder and public nuisance; and

- The CI area is already subject to significantly higher frequency of cleansing due to alcohol related litter. The addition of another premises will add to this litter.

5.2 There were no representations in support of the application.

5.3 Members should note that the letters attached are in their entirety and that not all matters raised within the representations are relevant matters for consideration under the Licensing Act 2003. It is up to the Committee to decide upon what 'weight' they attach to these areas

6. **MEDIATION**

THE CITY OF PETERBOROUGH AND DISTRICT

Peterborough is a modern and progressive City with a strong historical character that makes it a stimulating environment in which to live, work and visit.

In the 2011 Census, Peterborough had a population of approximately 183,000, with an approximate population of 188,400 in 2013. The wider sub-region, in which Peterborough is the economic centre, has a population of approximately 350,000 people in both the East of England and East Midlands' regions.

Neighbouring districts that look towards Peterborough as a key economic centre include Fenland, Huntingdonshire, South Holland, South Kesteven, East Northamptonshire and Rutland.

Today, Peterborough is one of the fastest growing cities in the country with a vibrant private sector delivering record job growth in recent years. The city enjoys an unrivalled strategic location in the East of England. It is only 45 minutes from central London and within striking distance of the regions other great cities being well served as it is by airports, rail and road links.

The city owes much of its increasing fortunes in recent years to a city council that focuses on three key areas for its people – prosperity, education and quality of life.

An essential contribution to the continued development of the City of Peterborough are the differing types of premises and events licensed under the Licensing Act 2003. There are over 600 licensed premises offering a wide range of leisure activities, such as live music, theatres, sports venues, cinema and a vast range of restaurants offering diverse menus to suit any palate.

The embankment along with the county showground provide facilities for several open-air larger type festivals and concerts. Visitors can enjoy a vast range of outdoor leisure activities and picturesque countryside – including 2,000 acres of riverside parkland. There are two theatres offering drama, ballet and concerts – the Key Theatre and the Cresset Theatre. For sports fans, Peterborough has four sports stadia: football, speedway, ice hockey and greyhound.

Peterborough continues to invest in regeneration, infrastructure and accessibility, with projects within the city centre and the outskirts. This creates a vibrant mix of activities and premises catering for a multi-cultural city, offering a wide range of facilities to residents and visitors.

Peterborough is an intelligence led authority, the Safer Peterborough Partnership is an integrated multi-agency initiative working in partnership with the police and others to tackle many issues, e.g. crime, anti-social behaviour and alcohol related issues. This approach highlighted the 'Op Can Do' area as an area which had reached saturation and a Cumulative Impact Policy was introduced and took effect in April 2013.

1. INTRODUCTION

- 1.1 This Statement of Licensing Policy has been produced in accordance with s.5 of the Licensing Act 2003 (the Act) which requires the Council to review and where appropriate renew its contents on a five yearly basis (subject to changes in legislation or otherwise prescribed by the Secretary of State).
- 1.2 In reviewing the Statement of Licensing Policy the Council has considered the Guidance issued under s.182 of the Act.
- 1.3 This policy provides information and guidance to licence applicants, licence holders, objectors and Other Persons on the general approach to be taken by the Council in respect of its obligations under the Act.
- 1.4 This policy is made available in key Council offices and via the Council's website: www.peterborough.gov.uk under business.
- 1.5 The contents within the policy have been amended in line with Local Government Association (LGA)' Best Practice Framework for the Review of Licensing Policy Statements.

2. DISCLAIMER

- 2.1 The content of the Council's Statement of Licensing Policy is aimed only to provide guidance and should not be interpreted as legal advice. It is strongly recommended that persons obtain their own legal advice if they are not sure of the requirements of the Act and/or the Guidance and Regulations issued in accordance with it.

3. LICENSABLE ACTIVITIES

- 3.1 This policy relates to all those activities identified as falling within the provisions of the Act, provided to the public, to registered club members or with a view to profit as defined within the Act.
- 3.2 The Licensing Act 2003 regulates the following activities:
 - Retail sale of alcohol
 - Supply of alcohol by or on behalf of a club, or to the order of, a member of the club
 - The provision of regulated entertainment
 - The provision of late night refreshment

4. OBJECTIVES

- 4.1 The Council has a duty under the Act to carry out its licensing functions by promoting the licensing objectives, which are:-
 - The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm
- 4.2 Each objective has equal importance.
- 4.3 The Council will also in carrying out its duties have regard to the Guidance, this policy and any responses to consultation regarding this policy.
- 4.4 It is recognised that the licensing function is only one means of securing the delivery of the above objectives and should not be seen as a means for solving all problems within the community. The Council will therefore continue to work in partnership with its neighbouring authorities, responsible authorities such as the Police, Fire Service, Health Service etc. local

businesses, licensed trade, residents and others, towards the promotion and delivery of the objectives.

- 4.5 The Council will expect individual applicants to address the licensing objectives in their Operating Schedule having regard to the type of premises, the licensable activities to be provided, the operational procedures, the nature of the location and the needs of the local community. This must be particularly addressed for applications within the Cumulative Impact area.
- 4.6 It is recommended and encouraged that all applicants for authorisations enter into informal discussions prior to the submission of an application in order to avoid potential problems and unnecessary hearings and appeals.

5. CONSULTATION

- 5.1 There are a number of groups who have a stake in the leisure industry, including providers, customers, residents and enforcers, all of whom have views and concerns that require consideration as part of the licensing functions and the promotion of the licensing objectives. The Council will continue to consult with these parties upon receipt of applications where relevant, and for the further continuation and development of the Licensing Policy.
- 5.2 In reviewing this Policy, the Council consulted over a 10 week period 06 July 2015 – 13 September 2015 with the following:
- (a) Chief Officer of Police for the area;
 - (b) Fire Authority for the area

All responses to the consultation were given due consideration when determining the final policy.

- 5.3 A review of the policy was carried out by way of consultation with those listed in 5.2 to include a special policy. The consultation took place between 21/1/13 – 04/03/13.
- 5.4 The special policy was adopted by full council at a meeting held on 17 April 2013. Please see section 11.

6. FUNDAMENTAL PRINCIPLES

- 6.1 Licensing is about regulating the carrying on of licensable activities by the appropriate control of licensed premises, qualifying clubs, and temporary events together with the people who manage such premises or hold Personal Licences within the terms of the Act.
- 6.2 In circumstances where conditions are required to be attached to the various authorisations, the focus will be on matters which are within the control of the individual licensee and others in possession of relevant authorisations (please see section 14 for more information on licence conditions).
- 6.3 In setting conditions the Council will primarily focus on the direct impact of the activities taking place at, or resulting from the licensed premises on those living, working or engaged in normal activity in the vicinity of the licensed premises.
- 6.4 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises and beyond the direct control of the individual, club or business holding the licence, certificate or permission concerned. However:

- (a) licensing law is a key aspect of such control and therefore will always form part of an all round approach to the management of the entertainment evening and night-time economy within Peterborough; and
- (b) licensees and Certificate Holders should take all reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside their premises, for example, on the pavement, in a beer garden, or with the smoking ban in force, in a smoking shelter, where and to the extent that these matters are within their control.

6.5 Nothing in this policy prevents each licence application being considered on its own merits nor will it override the right of any individual to apply under the terms of the Licensing Act 2003 for a variety of permissions.

6.6 This policy does not seek to override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the Act.

6.7 If no relevant representations are received from responsible authorities or any other persons, applications must be granted as applied for. The only conditions which will be applied are those proposed within the operating schedule and any applicable mandatory condition(s).

7. OTHER LEGISLATION

7.1 Crime and Disorder Act 1998: Under this Act local authorities must have regard to the likely effect of the exercise of their functions, and do all they can to prevent crime and disorder in their area.

7.2 The Council will have particular regard to the likely impact of licensing on related crime and disorder in the district, particularly when considering the location, impact, operation and management of all proposed licence/certificate applications, renewals and variations of conditions. Any conditions attached to premises licences and club premises certificates will, so far as possible, consider and reflect the local crime prevention strategies.

7.3 The Council recognises that the Equality Act 2010 places a legal obligation on public authorities and has due regard to the need to eliminate unlawful discrimination, harassment and victimisation, to advance equality of opportunity.

8. OTHER REGULATORY SYSTEMS / POLICIES

8.1 By consultation and liaison, the Council will secure the proper integration of this licensing policy with local crime prevention, community safety, environment, planning, tourism, health and wellbeing, race equality schemes and cultural strategies and any other relevant policy, in addition to plans introduced for the management of the City and the night-time economy. Many of these strategies are not directly related to the promotion of the four licensing objectives, but, indirectly impact upon them.

8.2 **Sexual Entertainment Venues (SEV):** On 02 December 2010 The Council adopted the amendment to the Local Government (Miscellaneous Provisions) Act 1982 (LG(MP)A 1982) with an effective commencement date of 08 February 2011. The effect of this means that premises which provide sexual entertainment on a regular basis (more than 11 occasions per year) will be required to obtain a SEV licence under LG(MP)A 1982. If the premises also require the sale and supply of alcohol, licences under both Acts will be required.

8.3 **Planning, building control and the licensing regimes:** Will be separate to avoid duplication and inefficiency. Licensing applications should not be a re-run of the planning application and should not cut across decisions taken by the planning committee or following appeals against decisions taken by that committee. Where a terminal hour has been set as a condition of planning permission for the use of premises for commercial purposes that are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law.

- 8.4 **Cultural Strategies:** The Council will monitor the impact of licensing on the provision of regulated entertainment, and particularly live music and dancing. As part of implementing cultural strategies, proper account will be taken of the need to encourage and promote a broad range of entertainment, particularly live music, dancing and theatre, including the performance of a wide range of traditional and historic plays, for the wider cultural benefit of the communities.
- 8.5 **Public Spaces:** The Council wishes to promote a broad range of entertainment within its area including live music, dancing and theatre. To promote this policy the Council may, where appropriate, seek to obtain premises licences for Council owned public spaces within the community such as market squares, village greens, etc.
- 8.6 **Travelling Circuses:** Where types of entertainment are present in a performance by a travelling circus they will not be licensable provided that certain qualifying conditions are met. Guidance has listed these qualifying conditions as follows:
- The entertainment is not an exhibition of a film or a boxing or wrestling entertainment;
 - The entertainment takes place between 08.00 and 23.00 on the same day
 - The entertainment takes place wholly within a moveable structure and the audience present is accommodated wholly inside that moveable structure; and
 - The travelling circus has not been located on the same site for more than 28 consecutive days.

It should be noted that the circuses with performing animals will not be permitted, and therefore not licensed, on Council owned land.

9. TEMPORARY EVENT NOTICES

- 9.1 A temporary events notice (TEN) is required for the sale of alcohol by retail, provision of regulated entertainment and/or the provision of late night refreshment, which is to take place at premises, which are currently unlicensed for the activities involved. Applicants are reminded that a limit of fewer than 500 persons at any one time applies to a temporary event and failure to comply with this limit may lead to the event closure or even prosecution. It is strongly recommended, therefore, that a means of recording the number of persons entering and leaving the premises is put into operation. There is nothing to stop a TEN being given for a premises where a premises licence is already in force although does not cover the type of event proposed.
- 9.2 If there are over 500 persons attending the event then this will fall outside the provisions of a temporary event notice and a premises licence will be required.
- 9.3 Applicants are reminded that an authorisation made under a TEN does not remove their obligations under any other legislation including that of statutory nuisance. Where necessary, permissions should be sought from the appropriate body. The Council strongly recommends that applicants familiarise themselves with these responsibilities which amongst others may include:-
- Planning permission
 - Health and Safety
 - Noise Pollution
 - Erection of temporary structures
 - Road closures
 - Use of pyrotechnics
 - Anti-social behaviour
- 9.4 As well as the limit on the number of persons permitted under a TEN the following conditions and limitations apply:-
- Duration – they are limited to events lasting for up to 168 hours (7 days);

- Use of the same premises – the same premises cannot be used on more than 12 occasions in a calendar year, (this will increase to 15 with effect from 1 January 2016) but are subject to the overall aggregate of 21 days irrespective of the number of occasions on which they have been used;
- The total number of notices (this includes late and standard TENs) given by an individual within a calendar year (1 January to 31 December) – a Personal Licence Holder is limited to 50 notices in one year and another person to 5 notices
- The number of late TEN's is limited to 10 in a calendar year for a personal licence holder and two for other people. If these limits are exceeded in a calendar year, the application will be returned as void and the event will not be authorised.
- There must be a minimum period of 24 hours between events authorised under separate TEN's at the same premises by the same premises user or associate.
- Relevant persons - Police and Environmental Health have the opportunity to consider whether they should object, modify or attach conditions to a TEN based on any of the licensing objectives

9.5 When calculating the number of working days for submission of TENs, the day the notice is received and the first day of the event are excluded from the calculation. If a TEN application requests for an event to start before midnight and end after midnight this will count as two days towards the 21 day limitation.

9.6 **Standard and Late Temporary Event Notices:** There are two types of TEN, a standard TEN and a late TEN. These are subject to different processes. A standard TEN is given no later than ten working days before the event to which it relates, and a late TEN is given not before nine and not later than five working days before the event.

9.7 **Standard Temporary Event Notices:** Whilst a minimum of 10 working days' notice must be given to the Council and relevant persons for applications, it should be noted that this gives very little time for the Council to process the application and for the relevant persons to respond. Applicants are therefore encouraged to provide a minimum of 28 days' notice of a licensable event.

9.8 Where a TEN is held on premises where a premises licence or club premises certificate is in place, and the relevant persons believe that allowing the premises to be used in accordance with the TEN would undermine the licensing objectives they can object and/or modify and/or request conditions from the premises licence or club premises certificate to be applied to the TEN.

9.9 Where an objection to a TEN is received from relevant persons and not withdrawn, the licensing authority must hold a hearing to consider the objection, unless all parties agree that this is unnecessary.

9.10 **Late Temporary Event Notices:** are intended to assist premises users who are required for reasons outside their control to provide licensable activities at premises in shorter time scales. However, there is a risk that the event may receive an objection from relevant persons, where this occurs the notice will not be valid and the event will not go ahead, as there is no scope for a hearing or the application of any existing conditions.

10. DUPLICATION

10.1 So far as is possible, this policy is not intended to duplicate existing legislation and other regulatory regimes that already place obligations on the self-employed, employers and operators of venues both in respect of employers and of the general public when on the premises in question. Therefore, conditions and control measures which would be a duplication of existing legislative requirements, cannot be imposed in the context of licensing law as they are already provided for in other legislation.

11. CUMULATIVE IMPACT

- 11.1 The cumulative impact of licensed premises on the promotion of the licensing objectives is a matter which the Council can consider within its licensing policy statement. This should not, however, be confused with 'need' which concerns the commercial demand for a particular type of premises, e.g. a pub, restaurant or hotel. The issue of 'need' is therefore primarily a matter for the market to decide and does not form part of this licensing policy statement.
- 11.2 The licensing authority can only adopt a special policy on cumulative impact if there is evidence that a significant number of licensed premises concentrated in one area is causing a cumulative impact on one or more of the licensing objectives.
- 11.3 Following concerns as to the perceived saturation of licensed premises in the area known as Op Can Do attached as Appendix 1 with a list of streets attached as Appendix 2, the licensing committee approved the consultation of a review of the Statement of Licensing Policy to include a special policy in that area.
- 11.4 The following steps were undertaken by the licensing authority in considering whether to adopt a special policy on cumulative impact for the Op Can Do area:
- Identified concern about the negative impact on the licensing objectives
 - Considered whether there is evidence to support the concerns identified that crime and disorder and nuisance is occurring and is associated with licensed premises
 - Consulted with those specified in section 5(3) of the Licensing Act 2003, on the proposal for a special policy in relation to new applications and variations to existing premises licences and club premises certificates and considered the outcome of the consultation
 - Having considered the available evidence and undertaken consultation, the licensing authority determined that it is appropriate to control cumulative impact.

Special Policy on Cumulative Effect

- 11.5 The Licensing Authority has adopted (following a meeting of the full council on 17 April 2013) a special policy relating to cumulative impact in respect to all licensed premises for the Op Can Do area. The special policy took effect on 18 April 2013.
- 11.6 This special policy creates a rebuttable presumption that applications within the Op Can Do area for new premises or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, if relevant representations are received about the cumulative impact on the licensing objectives, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact already being experienced.
- 11.7 Applicants will need to address the special policy issues in their operating schedules in order to rebut such a presumption.
- 11.8 Despite the presumption against grant, responsible authorities and/or other persons will still need to make a relevant representation before the licensing authority may lawfully consider giving effect to its special policy i.e. if no representation is received, the application must be granted (subject to such conditions as are consistent with the Licensing Act 2003). Responsible authorities and other persons can make a written representation referring to information, which had been before the licensing authority when it developed its statement of licensing policy.
- 11.9 This licensing authority recognises that a special policy should never be absolute. The circumstances of each application will be considered properly and applications for licences and certificates that are unlikely to add to the cumulative impact on the licensing objectives may be granted. After receiving representations in relation to a new application or for a variation of a licence or certificate, the licensing authority will consider whether it would be justified in departing from its special policy in the light of the individual circumstances of the case. The impact can be expected to be different for premises with different styles and characteristics. If the licensing authority decides that an application should be refused, it will still need to show that the grant of the application would undermine the promotion of the

licensing objectives and that appropriate conditions would be ineffective in preventing the problems involved.

- 11.10 A special policy will not be used as a ground for revoking an existing licence or certificate when representations are received about problems with those premises.
- 11.11 The “cumulative impact” on the promotion of the licensing objectives of a concentration of multiple licensed premises should only give rise to a relevant representation when an application for the grant or variation of a licence or certificate is being considered.
- 11.12 A review must relate specifically to individual premises, and by its nature, “cumulative impact” relates to the effect of a concentration of many premises. Identifying individual premises in the context of a review would inevitably be arbitrary.
- 11.13 A special policy relating to cumulative impact cannot justify, and will not include provisions for a terminal hour in a particular area or impose quotas - based on either the number of premises or the capacity of those premises.
- 11.14 This special policy will be reviewed regularly in line with the statutory requirements to review the Statement of Licensing Policy unless the licensing authority deems it appropriate to review in the interim period. Consultation will take place with those identified in 5.2 of the policy, responses can be based on intelligence such as;
- Health data including wider public health and local alcohol profiles for England (LAPE) data www.lape.org.uk
 - Data on alcohol related and alcohol specific hospital admissions, alcohol related deaths in the local area and the number of people in a structured alcohol treatment service.
 - Data about crime and disorder or nuisance occurring, or whether activities are a threat to public safety or children from harm.
 - If problems are occurring, to identify whether these problems are being caused by customers of licensed premises, or that the risk of cumulative impact is imminent.
 - Complaints and calls for service from residents or businesses
- 11.15 The absence of a special policy however, does not prevent any responsible authority or other persons making representations on a new application for the grant of a licence on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives.
- 11.16 Once away from licensed premises, a minority of consumers will behave badly and unlawfully. The licensing policy is part of a much wider strategy for addressing these problems. Other mechanisms both within and outside the licensing regime are available for addressing such issues. For example:
- Planning controls
 - Positive measures to create a safe and clean town centre environment in partnership with local businesses, transport operators and other departments of the local authority
 - The provision of CCTV surveillance in town centres, ample taxi ranks, provision of public conveniences open late at night, street cleaning and litter patrols.
 - Powers of local authorities to designate parts of the local authority area as Public Spaces Protection Orders. Confiscation of alcohol from adults and children in designated areas.
 - Police enforcement of the general law concerning disorder and antisocial behaviour, including the issuing of fixed penalty notices.
 - Prosecution for the offence of selling alcohol to a person who is drunk (or allowing such a sale).
 - Powers to close down instantly premises or temporary events to prevent a nuisance or disorder from continuing, recurring or occurring.
 - The power for responsible authorities and other persons to seek a review of a premises licence or club premises certificate.
- 11.17 The above may be supplemented by other local initiatives that seek to address these problems, for example through Safer Peterborough Partnership, in line with the strategic objectives for crime and disorder reduction in the city.

12. LICENSING HOURS / ZONING

- 12.1 EMRO's: Early Morning Restriction Orders, are designed to address recurring problems such as high levels of alcohol related crime and disorder in specific areas at specific times; serious public nuisance; and other instances of alcohol-related anti-social behaviour which is not directly attributable to specific premises.
- 12.2 LNL: Late Night Levy, is a levy imposed on businesses which sell alcohol between midnight and 6am or part thereof. Funds raised by this levy are applied to the costs of policing crime and disorder connected to those sales of alcohol.
- 12.3 The Council notes guidance on the late night levy and EMRO's and has considered the options of adopting the provisions, but has no intention at this time of implementing either provision. The Council reserves the right to review this decision in the future.
- 12.4 The Council has not adopted fixed trading hours as a matter of policy. It recognises that flexible licensing hours with regard to the sale of alcohol is important to ensure that the concentrations of customers leaving premises simultaneously are avoided.
- 12.5 The Council recognises that providing consumers with greater choice and flexibility is important to a thriving evening and night-time economy however, this will be balanced carefully against the duty to promote the four licensing objectives and the rights of local residents to peace and quiet.
- 12.6 There is no general presumption in favour of lengthening licensing hours and accordingly the Council may when issuing new licenses or following reviews of existing licenses reject a proposal or grant it with appropriate conditions and/or different hours from those requested.
- 12.7 Shops, stores and supermarkets will normally be permitted to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are good reasons based on the four licensing objectives for restricting those hours. For example, a limitation on licensing hours may be appropriate following Police representations in the case of premises known to be a focus of disorder and disturbance because youths gather there.

13. CHILDREN AND LICENSED PREMISES

- 13.1 There are a great variety of premises for which licences may be sought, including theatres, cinemas, restaurants, cafes, fast food outlets, community halls and schools where children may frequent. No statement of policy can properly anticipate every issue of concern that could arise in respect of children in relation to individual premises, and therefore the individual merits of each application will be considered in each case.
- 13.2 Conditions requiring the admission of children to any premises will not generally be attached to licences or certificates (except those identified in 13.7). Where no licensing restriction is necessary, this will remain a matter for the discretion of the individual licensee or club, subject to compliance with the Act
- 13.3 Where it is deemed appropriate to attach conditions to the licence in relation to access by children, this will be for the prevention of physical, moral or psychological harm to them.
- 13.4 Venue operators seeking premises licences and club premises certificates will be expected to demonstrate in their operating schedule that suitable and sufficient measures have been identified and will be implemented and maintained to protect children from harm, relevant to the individual style and characteristics of their premises and events. It may also be that their own risk assessments have determined that the presence of children is undesirable or inappropriate.

- 13.5 The following examples of control measures are given to assist applicants and are considered to be amongst the most essential that applicants should take account of in their operating schedules, having regard to their particular type of premises and/or activities:-
- Effective and responsible management of the premises
 - Provision of a sufficient number of people employed or engaged to secure the protection of children, including child performers, from harm
 - Appropriate instruction, training and supervision of those employed or engaged to secure the protection of children from harm
 - Limitations on the hours when children may be present in all or parts of the premises
 - Limitations or exclusions by age when certain activities are taking place
 - Imposition of requirements for children to be accompanied by an adult
 - Acceptance of accredited 'proof of age' cards and/or 'new type' driving licences with photographs.
- 13.6 Where no relevant representations are made to the Council, any proposed conditions in the operating schedule will be attached as conditions to the licence or certificate, subject to paragraph 14.1 below and will be enforceable.
- 13.7 Following receipt of any relevant representations, the Council will consider and determine each application, on its merits, as to whether to limit access by children or exclude them altogether from licensed premises by attaching any relevant conditions.
- 13.8 The conditions limiting and restricting access by children may include a combination of the following: -
- Limitations on the hours when children may be present in all or parts of the premises
 - Requirements for children to be accompanied by adults
 - Full exclusion of those people under 18 from the premises when any licensable activities are taking place
 - Limitations on the parts of premises to which children might be given access
 - Limitations or exclusions by age when certain specified activities are taking place e.g.
 - Where entertainment or services of an adult or sexual nature for example, lap-, table- or pole dancing, topless bar staff or striptease are commonly provided
 - Where there is a strong element of gambling on the premises (but not where there is a small number of cash prize gaming machines);
 - With a known association to drug activities – taking or dealing;
 - Where there have been convictions of members of the current staff at the premises for serving alcohol to minors or with a reputation for underage drinking.
 - Where the premises are used exclusively or primarily for the sale of alcohol for consumption on the premises.
- 13.9 The Council recognises the Peterborough Safeguarding Children Board as the competent body to advise on these matters.
- 13.10 **The Portman Group:** The Council commends the Portman Group Code of Practice on the naming, packaging and promotion of alcoholic drinks. The Code seeks to ensure that drinks are packaged and promoted in a socially responsible manner and only to those who are 18 years old or older.
- 13.11 **Proof of Age Schemes:** The Council commends proof of age cards accredited under the Proof of Age Standards Scheme (PASS).
- 13.12 **Children and Cinemas:** In the case of premises which are used for film exhibitions conditions will be imposed restricting access only to those who meet the required age limit in line with any certificate granted by the British Board of Film Classification or, in specific cases, a certificate given to the film by the Council itself.

14. LICENCE CONDITIONS

- 14.1 There are three different types of condition that may be attached to a licence or certificate:
Proposed - those conditions offered with the operating schedule of the application:
Imposed - attached by licensing authority following a hearing
Mandatory - imposed by the Act and can be amended by the Secretary of State.
All conditions should be clear, enforceable, evidenced, proportional, relevant, and capable of being understood.
- 14.2 One of the key concepts of the Act is that any conditions (other than the statutory mandatory conditions and those proposed within the application) attached to licences or certificates can only be imposed to licenses at a hearing following relevant representations. Conditions will be tailored to the individual style and characteristics of the premises and events concerned.
- 14.3 The Council will only attach conditions to premise licenses and club certificates where they are appropriate for the promotion of one or more of the four licensing objectives.
- 14.4 Conditions that are appropriate for the promotion of the licensing objectives should emerge initially through the operating schedule and risk assessment carried out by a prospective licensee or certificate holder at the time of application, particularly for applications within the cumulative impact area,
- 14.5 The Council will not impose any conditions unless they are proposed or its discretion has been engaged following relevant representations having been received and upheld. In these circumstances, it may then only impose conditions as are appropriate to promote the licensing objectives arising out of the consideration of representations.
- 14.6 The Council will take into account:
- The character of the surrounding area;
 - The nature and character of the proposed operation;
 - The impact that the activity will have on those living, working or engaged in normal activities in the area concerned.
- 14.7 Conditions will generally be considered inappropriate if they are already adequately covered by other legislation.
- 14.8 The pool of conditions cover, among other things, issues surrounding:
- Crime and disorder, incorporating local crime prevention strategies, e.g. CCTV at certain premises;
 - Public safety (including fire safety and means of escape);
 - Theatres and cinemas (promotion of public safety);
 - Anti-social behaviour (inc: public nuisance, provision of clearance of litter outside premises, fly posting);
 - Protection of children from harm;
- Further information can be found via the Council's website www.peterborough.gov.uk under 'business'
- 14.9 Any conditions not listed in the pool may be specifically tailored by this Council and attached as conditions where appropriate.
- 14.10 In determining what conditions should be attached to licences and certificates, to appropriately promote the licensing objectives, the Council will be aware of the need to avoid measures which might deter live music, dancing or theatre by imposing indirect costs of a substantial nature.

15. ENFORCEMENT

- 15.1 The Council will establish arrangements with the responsible authorities on enforcement issues in addition to carrying out their own regular inspections. These protocols will provide for the targeting of agreed problem and high-risk premises.
- 15.2 All decisions and enforcement action taken by the Council will have regard to the relevant provisions of the Act, national guidance, e.g. BRDO (Better Regulation Delivery Office) Regulators' Code and the enforcement policy of the Council. To this end, the key principles of consistency, targeting, transparency and proportionality will be maintained.
- 15.3 Responsible authorities may carry out their own enforcement activities such as test purchasing, on and off sales, underage and proxy sales. Any national guidance will be observed when these activities are conducted.
- 15.4 Premises licences and club premises certificates are subject to an annual fee. The Council must suspend these authorisations for the non-payment of the annual fee. Where disputes or administrative errors arise, there is a grace period of 21 days to resolve (from the due date of the invoice). If the dispute or error is not resolved, a notice of suspension will be given to the premises providing the date (minimum of two working days) when the suspension notice takes effect.
- 15.5 Where an authorisation is suspended, any licensable activities taking place would be unauthorised and subject to further enforcement. Responsible authorities will be notified of suspension notices issued.

16. REVIEWS

- 16.1 The licensing authority works in partnership with the responsible authorities to promote the licensing objectives and will aim to give licensees early warning of any concerns identified at a premises.
- 16.2 Reviews of premise licences represent a key protection for the community where matters arise at the premise in connection with any of the four licensing objectives.
- 16.3 There are certain circumstances (as detailed within guidance), when the crime prevention objective is being undermined, it is expected that revocation of the licence, even in the first instance will be seriously considered.
- 16.4 At any stage following the grant of a Premises Licence a responsible authority or any other person may request a review. Evidence would be required based on one or more of the licensing objectives.
- 16.5 If relevant representations are made about a current licence, the Council will hold a hearing to consider them, unless the Council, the applicant and those making representations agree that the hearing is not necessary.
- 16.6 Additionally a review of the licence will normally follow any action by the Police or Local Authority to close down the premises on grounds of disorder or public nuisance.
- 16.7 No more than one review will normally be permitted within any 12 month period on similar grounds except in exceptional and compelling circumstances or where it arises following a Closure Notice or Order.
- 16.8 Where entertainment is deregulated, between 08.00 and 23.00 and it is having a negative impact on the licensing objectives, a premises licence or club premises certificate can be reviewed to bring the entertainment back under the scope of the authorisation and appropriate conditions can be applied.
- 16.9 A summary review (or expedited) is appropriate for premises experiencing serious crime or disorder. It is a fast track licence review where the Council can attach interim conditions

(where appropriate) to a premises licence where the responsible authority consider that the premises concerned is associated with serious crime or disorder or both. The Council can take the following interim steps:

- Modification of the conditions of the premises licence
- The exclusion of the sale of alcohol (or other licensable activities) from the scope of the licence
- Removal of the DPS
- Suspension of the licence

16.10 The decision takes effect immediately or as soon as the Council directs. The Council will have regard to the Guidance when processing summary reviews.

16.11 Licensing officers may not initiate their own review of premises licences.

17. DELEGATION / DECISION MAKING / ADMINISTRATION

17.1 When determining applications the Council will have regard to the Guidance and this policy. Therefore, determination of applications made under the Act will be made by either the Licensing Committee, by a Sub-Committee of the Licensing Committee, or by one or more authorised officers acting in accordance with the Council's Scheme of Delegation. (See table of delegations on page 22)

17.2 A decision made by an officer under the Council's Scheme of Delegation, will be considered a decision made by the Council.

17.3 The Council will consider relevant representations made both in support of or opposition to any application.

17.4 Where a relevant representation is made then the authorised officer will liaise with the applicant and relevant parties to try and reach an agreement between them and the Council, as to the need for final determination by the Licensing Committee or Sub-Committee.

17.5 Where relevant representations are raised which cannot be resolved by mediation, matters will be referred to either of the aforementioned committees for determination.

17.6 The licensing authority is also a responsible authority and will make representations and review licenses where it considers appropriate. This does not negate the requirement for other responsible authorities or other persons from acting in their own capacity.

17.7 Where the licensing authority utilises the responsible authority provision, there is separation of responsibilities to ensure procedural fairness and eliminate any conflicts of interest. The officer acting as the responsible authority will be a different officer to that who is acting in its capacity as the licensing authority.

17.8 In cases where only positive relevant representations are received and upon agreement of the Applicant, the Licensing Authority and the other persons making those representations, it will not be necessary to hold a hearing to determine the application.

17.9 Each application will be determined on its individual merits taking into consideration the four licensing objectives.

17.10 Where it is determined that it is appropriate to attach conditions to a licence or certificate it will ensure that those conditions are focused on the direct impact of the activities taking place at the premises concerned, on members of the public living, working or engaged in normal activity in the area concerned. Such conditions will be proportionate to the activity to be controlled and will only be imposed in the interests of the licensing objectives.

17.11 If representations are made concerning the potential for limited disturbance in a particular neighbourhood, the Council's consideration will balance those representations against the

wider benefits of the community. Furthermore, the Council acknowledges the advice received from the DCMS that the views of local minorities should not be allowed to predominate over the general interests of the community.

- 17.12 It may be appropriate for the Sub-Committee in some circumstances to conduct a site visit. In such circumstances, Members will observe the Members' Licensing Code of Good Practice and Procedure for Licensing Sub-Committee Site Visits.
- 17.13 All parties will receive a fair hearing.
- 17.14 The Council will ensure that Members and Officers having responsibility under the Act will receive appropriate training to administer and enforce the Act.
- 17.15 Upon request, the Licence Committee will receive regular reports on decisions made by officers to ensure that an overall picture of the state of licences in the area is maintained.
- 17.16 The Council will give comprehensive reasons for its decisions and such reasons shall also address the extent to which the decision has been made with regard to this Policy and Guidance.

18. APPEALS

- 18.1 **Magistrates' Court Appeals:** Other than in the case of personal licences, all appeals in connection with various decisions made by the Council will be determined by the Magistrates' Court in the area which the premises concerned are situated.
- 18.2 In the case of personal licences, the appeal must be made to the Magistrates' Court in the area in which the Council (or any part of it) which made the decision is situated.
- 18.3 Beginning with the day the appellant was notified by the Council of the decision to be appealed against; the appellant has a period of 21 days to commence his appeal by the issue of a complaint and notice of appeal to the Magistrates' Court. A fee is payable to the Court and the 21 day period is strict and cannot be extended.
- 18.4 The Council will always be a Respondent to the appeal, but in cases where a favourable decision has been made for an applicant licence holder, club or premises user against the representations of a responsible authority or an interested party or the objections of the chief officer of Police, the holder of the premises or personal licence or club premises certificate or the person who gave an interim authority notice or the premises user will also be a respondent to the appeal and the person who made the relevant representation or the chief officer of Police will be the appellants.
- 18.5 On determining an appeal, the court may:
- Dismiss the appeal;
 - Substitute for the decision appealed against any other decision which could have been made by the Council; or
 - Remit the case back to the Council to dispose of it in accordance with the direction of the court.
- 18.6 The court may make such order as to costs as it sees fit.
- 18.7 The court, on hearing any appeal, may therefore review the merits of the decision on the facts and consider points of law or address both.
- 18.8 In hearing an appeal against any decision made by the Council, the Magistrates' Court will have regard to this licensing policy statement and the Guidance.
- 18.9 The Court can depart from both if it is justified to do so, depending on the individual circumstances.

18.10 This Council, therefore, when determining applications will give comprehensive reasons for its decisions.

18.11 Any decision made by the Magistrates' Court will be implemented by the Council immediately.

Dear all,

Please find enclosed premises licence application for EUROPOLI SUPERMARKET at 282 Lincoln Road, Peterborough PE1 2ND for sale of alcohol licence consumption off the premises.

The applicant has many years of experience selling alcohol at supermarkets. He is currently the responsible person for three licensed premises at below addresses.

Europol Peterborough

Ashwood House – Unit A, Enterprise way, Bretton, Peterborough [REDACTED]
Sale of alcohol consumption on/off the premises Monday to Sunday 09:00 to 21:00

Spar – Off Licence

9-11 Fosse Road South, Leicester, [REDACTED]
Sale of alcohol consumption off the premises Monday to Sunday 07:00 to Midnight

Nazsa Dely

28-30 Abington Square, Northampton, [REDACTED]
Sale of alcohol consumption off the premises Monday to Sunday 08:00 to 23:00

We have carefully considered where the premises is located and consider your licensing policy for CIZ for operating schedule to promote the licensing objectives.

As it's stated on your licensing policy paragraph 11.9 that your special policy should never be absolute. The circumstances of each application will be considered properly and applications for licences and certificates that are unlikely to add to the cumulative impact on the licensing objectives may be granted.

And paragraph 12.7 states that: "Shops, stores and supermarkets will normally be permitted to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are good reasons based on the four licensing objectives for restricting those hours."

This premises is 600 sqm. and sales wide range of grocery and fresh fruits etc. you would expect to see from small Tesco stores. Although the sale of alcohol is only 20% of the business and only 2 shelves are allocated for alcohol, it is a vital product as customers tend to make all their purchases in one stop.

The paragraph of 11.11 in your licensing policy refers to The "cumulative impact" on the promotion of the licensing objectives of a **concentration of multiple licensed premises should** only give rise to a relevant representation when an application for the grant or variation of a licence or certificate is being considered.

Please see list of premises which sells alcohol consumption OFF the premises and the licenced hours along with the distance to applicant premises:

- 1- Euro Mini Market, 300 Lincoln Road
Sale by Retail of Alcohol Monday to Sunday Between 07.00hrs and 02.00hrs

2- Flowers and Gifts, 268 Lincoln Road

Sale by Retail of Alcohol Monday to Sunday Between 09.00hrs and 02.00hrs

As stated on your licensing policy paragraph 11.16 "Once away from licensed premises, a minority of consumers will behave badly and unlawfully." The licensing policy is part of a much wider strategy for addressing these problems. Other mechanisms both within and outside the licensing regime are available for addressing such issues.

For example:

- Planning controls
- Positive measures to create a safe and clean town centre environment in partnership with local businesses, transport operators and other departments of the local authority
- The provision of CCTV surveillance in town centres, ample taxi ranks, provision of public conveniences open late at night, street cleaning and litter patrols.
- Powers of local authorities to designate parts of the local authority area as Public Spaces Protection Orders. Confiscation of alcohol from adults and children in designated areas.
- Police enforcement of the general law concerning disorder and antisocial behaviour, including the issuing of fixed penalty notices.
- Prosecution for the offence of selling alcohol to a person who is drunk (or allowing such a sale).
- Powers to close down instantly premises or temporary events to prevent a nuisance or disorder from continuing, recurring or occurring.

We believe that we will promote four licensing objectives by proposing number of measures in our operation schedule. The applicant is well aware that grant of premises licence does not mean he/she will benefit from it. There are powers for responsible authorities and other persons to seek a review of a premises licence or club premises certificate if one believes licensing objectives undermined.

My objection is under all four areas. The combination of these continues to have an adverse impact on the local area and communities.

I please the easy access to Alcohol leads to increased Crime and Disorder. A view shared by many residents and businesses.

I hope This helpful.

I intend to expand on my objections at the Licensing Committee if required.

Licensing Act 2003 – Representation in respect of Premises Licence

Details of person or body making representation	
Your name:	Katie Johnson, Consultant in Public Health Peterborough City Council
Your address:	Sandmartin House Bittern Way Fletton Quays Peterborough PE2 8TY

Details of premises representation is about	
Name of premises:	Europoli Supermarket
Address of premises:	282 Lincoln Road PE1 2ND
Application no. (if known):	

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	Yes
Public safety	Yes
Prevention of public nuisance	
Protection of children from harm	Yes

Please summarise your concerns about this application:
<p>1. This representation is made on the basis that the above premises will sit within the ‘Op Can-Do’ cumulative impact area (CIA) which took effect on 18 April 2013, and reviewed and published on 7 January 2016.</p> <ul style="list-style-type: none"> The Peterborough Licensing Policy 2015 states that the CIA policy ‘creates a rebuttable presumption that applications within the Op Can Do area for new premises or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, if relevant representations are received about the cumulative impact on the licensing objectives, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact already being experienced.’ The Peterborough Licensing Policy 2015 also states that ‘Applicants will need to address the special policy issues in their operating schedules in order to rebut such a presumption.’ The applicant does not make any reference to the premises being within the CIA and does not address these policy issues within their operating schedules. The CIA was subsequently reviewed and considered by the Licensing Act 2003 Committee in October 2018 which recommended retention of the CIA. <p>2. The role of the DPH is to help promote the health and wellbeing of the local populations they serve. Promotion of the licensing objectives, which collectively seek to protect the quality of life for those who live and work in the vicinity of licensed premises and those who socialise in licensed premises is an important contributor to this.</p> <ul style="list-style-type: none"> A considerable body of research examines the relationship between alcohol outlet density (AOD) and alcohol-related harms; this shows that higher levels of AOD are associated with social disorder, greater alcohol consumption, alcohol related violence, injuries, alcohol-related road traffic crashes, sexually transmitted infections, child abuse and neglect, and suicides¹.

¹ Public Health England, 2016. The Public Health Burden of Alcohol and the Effectiveness and Cost-Effectiveness of Alcohol Control Policies – an evidence review.

- The National Institute for Health and Care Excellence (NICE) recommends that reducing the number of outlets selling in a given area is an effective way of reducing alcohol-related harm².
- This evidence supports the restriction of the number of outlets within the Op Can Do CIA, within which this premises is located.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives.

Although the protection of public health is not a discrete licensing objective, it can be pertinent to each of the licensing objectives. This representation is made on the basis that this application will have an adverse effect on the following licensing objectives:

The prevention of crime and disorder:

- Crime is an issue within the CIA; the Index of Multiple Deprivation (2015) shows that 8 out of the 11 LSOAs of the CIA are within the 20% worst in Peterborough for the crime sub-domain.
- There is a high density of premises selling alcohol in the CIA with five of the six LSOAs in Peterborough with the highest alcohol outlet density overlapping with the CIA. This application would further increase the density of premises selling alcohol in the area.
- As stated above there is a strong relationship between AOD and problems associated with social disorder which affects the health and wellbeing of the population.

Public safety:

- Alcohol-related hospital admissions for persons aged under 40 are significantly worse in Peterborough than the national average (see table 1 below) which demonstrates that alcohol is affecting the health and safety of Peterborough residents.
- Alcohol-related road traffic accidents in Peterborough are significantly greater than the national average indicating a clear public safety issue. There is evidence of a link between high AOD and alcohol-related road traffic accidents.
- This application would increase the AOD within the CIA which is known to be associated with a number of alcohol-related harms including alcohol-related road traffic accidents, injuries and violence.

TABLE 1: Key Alcohol Indicators from Local Alcohol Profile, Peterborough (Source: Local Alcohol Profiles, Public Health England)

Indicator	Time Period	Peterborough	England	Peterborough Status

12.01 - Alcohol related road traffic accidents, crude rate per 1,000	2014-16	46	27	Statistically significantly higher (worse) than England
17.01 - Volume of pure alcohol sold through the off-trade, crude rate (litres per adult)	2014	7.2	5.5	Statistically significantly higher (worse) than England

The protection of children from harm:

- Children are more vulnerable to alcohol related harm and may be affected in a number of ways including violence, financial problems, absenteeism from school, disrupted relationships and child maltreatment.
- This application would increase the AOD within the CIA; there is evidence that higher levels of AOD are associated with greater alcohol-related harm including those that affect children such as violence.

The applicant has not made reference that the premises sits within a CIA or demonstrated why the operation of the premises involved will not add to the cumulative impact in relation to the above licensing objectives.

Re: New Premises License Application – 282 Lincoln Road, Peterborough, PE1 2ND

On 27th November September 2018 Cambridgeshire Constabulary Licensing Department (Peterborough District) received e-mail notification from Peterborough City Council Licensing Authority of an application for a new Premises License at 282 Lincoln Road, Peterborough, PE1 2ND. The application has been submitted by Consultant Aysen Kilic of NARTS Food & Leisure Ltd on behalf of Mr. Sengar Majeed of Pine View Leicester, LE3 3FX. The DPS is proposed as Mr. Majeed who holds an alcohol personal license reference LEIPRS2784 issued by Leicester City Council Licensing Authority.

I understand that the applicant wishes to open a 600 square metre Supermarket and seeks an 'OFF License' to sell alcohol daily between 08:00hrs and 21:00hrs, and be open daily from 08:00hrs to 23:00hrs.

This proposed licensed premises is located centrally within the Cumulative Impact Area (Special Policy) drawn up and adopted on 17th April 2013, revised and re-adopted in 2015 and recently in 2018. This application was made during the previous CIA policy (2015-18), and as such references quoted by the applicant and myself are from that Policy.

It has been positively identified that there is a significant saturation of licensed premises within the CAN-DO area, and there is sufficient evidence of a negative impact on the statutory objectives. Peterborough City Council's 'Statement of Licensing Policy', 'Special Policy on Cumulative Effect' - Paragraph 11.6 states:

"This special policy creates a rebuttable presumption that applications within the Op Can Do area for new premises or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, if relevant representations are received about the cumulative impact on the licensing objectives, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact already being experienced."

Para 11.7 states:

"Applications will need to address the CIA in their operating schedules in order to rebut such a presumption".

The applicant states they have carefully considered the premises location, Local Authority Licensing Policy and the Cumulative Impact Area (CIA). They rightfully identify that the Special Policy should never be 'Absolute' and that each application should be considered on its own merits.

Cambridgeshire Constabulary, Ops Planning & Licensing, Thorpewood Police Station, Peterborough, PE3 6SD
Telephone: 01733424438 Website: www.cambs.police.uk/licensing

Mr. Kilic refers to 11.11 of the Local Authority Licensing Policy within their supplementary information recognising the '*concentration of licensed premises*'. I believe they are suggesting there are only **2** licensed premises within this '*concentration of licensed premises*'. I can confidentially state that the applicant has not done his research properly in that this premises, if accepted, would add to the Cumulative Impact already imposed by the **11** other off-licensed premises within close proximity (**See Annex A for illustration**).

Para 11.16 of the Licensing Policy addresses the wider strategy for addressing alcohol harm away from the licensed premises. I believe this is not a policy for the licensee to claim they will not add to the cumulative impact, rather the Local Authority and partners recognise that the saturation of alcohol premises is having a recognised problem on the area and as such will implement further measures to address those issues. It is not the responsibility of the licensee to address these issues but to ensure these measures are not impacted upon through lack of due diligence.

I feel the application with suggested conditions and the supplementary information is what I would expect for a routine Supermarket 'Off-License' premises, and does little to address how the addition of this premises would not impact upon the Cumulative Impact.

The proposed designated premises supervisor (DPS) already manages 3 other licensed premises. The Operational Management Plan states that Mr Majeed will directly manage this premises. I am concerned how Mr Majeed will separate his time effectively between 4 premises. A licensed premises within the CIA needs a particular guiding hand and a dedicated full time DPS.

The application details that the sale of alcohol will take place daily between 08:00hrs and 21:00hrs and the premises will remain open until 23:00hrs. It has not been described how the alcohol on display will be sectioned off and prohibited from sale after 21:00hrs until close.

I have conducted a brief crime and incident survey of the sectors associated with the Operation Can-Do geographical area which is attached at **Annex B**. I urge the licensing subcommittee to understand that the Constabulary has gone through a thorough Operational restructure and implemented new recording software for Crimes and Incidents. The number of alcohol related incidents and crime may be higher than recorded. Measures are in place to implement and promote more accurate recording and consistency where it comes to 'tagging' incidents with alcohol involvement. Furthermore I am aware of anecdotal information that the local community is suffering with alcohol harm issues such as violence, domestic violence, rowdy nuisance and criminal damage but have not reported it directly to the Constabulary.

Cambridgeshire Constabulary do not support this application and ask the Licensing Sub-Committee to reject this application.

Dear Sir/Madam

Reference: 078358
Premises Name: Europoli Supermarket
Premises Address: 282 Lincoln Road, Peterborough PE1 2ND

I write on behalf of The Millfield & New England Regeneration Partnership (MANERP) which represents residents and businesses in the Millfield and New England and Lincoln Road areas of Peterborough. The reason for writing is to request that the application for a Premises License be refused.

The MANERP and Lincoln Road areas of Peterborough have had for several years a history of anti-social behaviour fuelled by alcohol and drug abuse. This has been exacerbated by the rapid growth of a number of outlets retailing alcohol by means of “off-sales.”

The area is also within the boundary of the “Can-Do” initiative which has brought together the city council, police, NHS, Residents Associations and other partner agencies to jointly combat the serious issues being faced in this area fuelled in particular by drug and alcohol abuse..

It must also be noted that the area was made a Cumulative Impact Zone whereby the applicant needs to prove that there is a **need** for selling alcohol “off sales”. The premises in this application is in close proximity to several other businesses retailing “off-sales” alcohol. For example the following shops are in close proximity to the applicants premises and can be verified by the Licensing Team:

- Euro Mini Market 300 Lincoln Road
- Flowers and Gifts 268 Lincoln Road

The above are the only ones quoted in the application However, the following are also in close proximity to the applicant’s premises. However, the following premises are also in close proximity:-

- Bills Off-licence and Newsagents on the corner of Lincoln Road, Harris Street and Occupation Road.
- Drinks Plus 489a Lincoln Road
- Lara 415 Lincoln Road
- Food Plus Supermarket on Lincoln Road next to the TSB Bank
- Peterborough Food and Wine on the corner of Lincoln Road and Alma Road.
- Iceland Supermarket, Lincoln Road.
- Londis Garage – Lincoln Road
- International Food Centre 314/316 Lincoln Road

There are also two more a short distance away on Lincoln Road on the junction of Taverners Road;

- Peterborough Food
- Central Food

The applicant cannot therefore honestly state that there is a need.

The whole area is very sensitive and volatile because of the ease of access to the purchase of alcohol often sold at a low price in order to attract customers or to be competitive. The Millfield and New England and Can-Do areas have a phenomenal number of outlets selling alcohol “off-sales” (around the seventy plus mark) which has contributed significantly to anti-social behaviour in the area. The current joint partnership between Peterborough City Council, Cambridgeshire Police and other partner agencies through the “Can-Do” initiative has highlighted the need to reduce the number of outlets and hours that alcohol can be freely purchased, if it is to make any headway towards the goals that it is striving to achieve.

The alcohol related litter of cans etc. that are recklessly discarded in the area is not only an eyesore but attracts anti-social behaviour that residents and their children should not be exposed to. An example of this is shown on the attached photograph taken on the 15th December 2018 a short distance from the applicants premise. This was taken at the corner of Lincoln Road and Occupation Road where drinkers gather and discard their empty cans into the electricity sub-station regularly. There is a big issue with street drinking just round the corner in Sergeant Street (off Lincoln road) which is always littered with cans and bottles there. This will

make alcohol even more easily accessed as it is just a hundred yards away from that spot. People do not drink outside shops - they move to the nearest corner!

The floor plan of the premises shows two shelves of alcohol, both of which are situated to the front of the shop and clearly visible from the street. This would suggest to us that alcohol will be used as a “lost leader”. We feel that this is not “best practice” in an area of the city that has major alcohol issues.

We regard to the Designated Premises Supervisor – are we to understand that the applicant is suggesting that one person will have this responsibility for four of the companies outlets of which two will be in Peterborough and two in cities over 40 miles away? If so, we find this very troubling!

With this and the Cumulative Impact Policy in mind, we also make this representation under all of the Licensing Objectives set out in the Licensing Act 2003, namely;

- a) The prevention of crime and disorder
- b) Public safety
- c) The prevention of public nuisance
- d) Protection of children from harm

The MANERP’s primary aim is to try to regenerate an area that has been sadly neglected for many years. The largest single problem of all revolves around the ease, low cost but above all, availability at which alcohol can be purchased and subsequently abused. The impact on the area is huge and is a cause of concern for all the statutory agencies and bodies.

We therefore ask that this application be refused by the Licensing Committee for the reasons stated above.

Yours Sincerely

BRIAN W J GASCOYNE BEM

Dear Terri

Re: Licensing application, 282 Lincoln Road – Ref 078358

The Prevention and Enforcement Service would like to formally object to the application for an off licence at 282 Lincoln Road.

The application relates to a premises located within the Can-Do Cumulative Impact (CI) area of Peterborough. The CI has been in place since April 2013 as the amount of licensed premises cumulatively was having a negative impact on the licensing objectives.

This application, if granted, would add to the availability of off sales of alcohol and exacerbate the negative impact on all the licensing objectives, particularly the prevention of crime and disorder and public nuisance.

In January 2017 a public consultation was launched to replace the existing DPPOs in Millfield and New England to Public Space Protection Orders. Responses received were in favour of the conditions proposed including using the PSPO to control anti-social behaviour from people who have been consuming alcohol. Following on from consultation the PSPO which covers the Millfield and New England area was implemented in June 2017.

Over the years there have been a number of alcohol related incidents reported to the police. Anti-social behaviour incidents can include but is not limited to; Causing harassment, Alarm and distress, urination and defecation; littering, noise, excessive consumption of alcohol can also be contributing factors to criminal damage, begging and public order offences.

The Prevention and Enforcement Service has responded to the following alcohol related ASB issues in the area:

- The historical Clock Tower near the Triangle was boarded up following complaints to ward Councillors, police and the council concerning people congregating and drinking, urinating, defecating within the recesses of the clock tower.
- Complaints have been received by the Salvation Army charity shop in Lincoln in relation to staff and customers being accosted by drunks congregating in the bus shelter outside the store as well as entering the store being abusive and inappropriate in their behaviour towards staff.

Corporate Director : People & Communities – Wendi Ogle-Welbourn

- Resident and ward councillors regularly report that area around Gladstone Park is being misuse by drinkers and drug user

Other factors to consider

- From anecdotal information the service is aware that issues concerning alcohol-relating ASB are still occurring within the Millfield and New England area, but there is significant under reporting.
- The frequency of cleansing for streets and open spaces in the area is significantly higher in comparison to other areas of the city. This is partly attributable to the amount of alcohol related litter (bottles, cans) which pose a safety risk and degrade the area.

It is recommendation of the Prevention and Enforcement Service that this licence is not granted for the reasons outline in this objection.

Yours sincerely

Clair George
Prevention and Enforcement Service Manager

Dear Sir/Madam

Reference: 078358
Premises Name: Europoli Supermarket
Premises Address: 282 Lincoln Road, Peterborough PE1 2ND

As a local resident living within a 5-minute walk of Lincoln Road, I write to request that the application for a Premises License be refused.

I have witnessed the problems resulting from easily available cheap alcohol in the Lincoln Road area at first hand. There has been a long-standing problem of anti-social behaviour fuelled by alcohol and drug abuse. This has worsened as a result of the rapid growth of a number of outlets retailing alcohol by means of “off-sales.” Too many in my opinion!

This premises lies within the boundary of the “Can-Do” area. This initiative has brought together the city council, the Police, NHS and, crucially, Local Residents Associations, united to combat the serious issues faced in this area. It is a widely held view that the ASB we experience in and around the area is fuelled in particular by alcohol abuse.

In addition, this area has been designated a Cumulative Impact Zone. As such, the applicant must demonstrate conclusively that there is a need for “off sales” of alcohol. These premises are close to a number of other businesses licensed for “off-sales” of alcohol.

The application refers to two nearby stores selling alcohol: Euro Mini Market, 300 Lincoln Road; and Flowers and Gifts, 268 Lincoln Road. However, this is somewhat misleading, as there are several other shops in close proximity, as follows: Bills Off-licence and Newsagents on the corner of Lincoln Road, Harris Street and Occupation Road; Lara 415 Lincoln Road; Food Plus Supermarket on Lincoln Road next to the TSB Bank; Peterborough Food and Wine on the corner of Lincoln Road and Alma Road; Londis Garage, Lincoln Road; International Food Centre 314/316 Lincoln Road.

In view of this, I simply cannot understand how the applicant can prove a need for yet another licensed shop. Those of us who live and work in the area know just how sensitive and volatile it can be. It is already easy to purchase cheap alcohol, with its price held down in order to attract customers and remain competitive.

My concern is that the area is saturated with outlets selling alcohol “off-sales”, and I believe these are contributing significantly to anti-social behaviour in the area. Any further growth in numbers makes a mockery of the “Can-Do” initiative, which has highlighted the need to reduce, not increase, the number of outlets and their opening hours.

Local residents are sick and tired of both the ASB and littering that results from the sales of cheap alcohol, and many parents feel that the area is no longer somewhere that they want their children to grow up in. At times, the presence of drunk individuals in neighbouring residential streets can be intimidating.

The Licensing Act 2003 sets out a number of objectives:

- a) The prevention of crime and disorder
- b) Public safety
- c) The prevention of public nuisance
- d) Protection of children from harm

I consider that any further licences for alcohol “off-sales” undermines these and I therefore request that this application be turned-down by the Licensing Committee for the reasons stated above.

Yours Sincerely

Richard Ferris
