Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

LICENSING

29 MAY 2019

PETERBOROUGH CITY COUNCIL

27 May 2019

Dear Sirs,

Application for alcohol & entertainments licence – The Grange, Peterborough, PE3 6HH

I attach herewith a petition signed by 112 residents of the Charlotte Way residential estate opposing this application. These are residents of either the central access road or the western (Morris Homes) section of the estate who would be most affected should this application be approved.

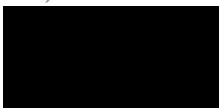

That so many signatures were obtained over the course of a Bank Holiday weekend is remarkable and indicates very clearly the depth of feeling amongst residents in opposing this application; indeed, only one resident voiced any support, all others with whom the issue was discussed are totally against it. The reasons for this depth of opposition are clearly stated in the petition and we ask that the licensing committee takes full heed of these in its considerations.

In lodging the petition, it is perhaps worth noting that the applicant seems assured of a successful outcome as he is now advertising horse racing, quiz and charity nights at the venue, complete with big-screen, microphones and sound system. These events will cater for 50 – 100 people, confirming immediately our fears over traffic levels, noise, disturbance, etc.

It is clear to all that this application has nothing to do with the running of an amateur football club and everything to do with the expansion of a catering/entertainments business set on generating income regardless of the impact upon local residents. There is no demand for this type of outlet here, in the centre of the quiet residential areas of Charlotte Way, Mayor’s Walk/Thorpe Park Road and Ledbury Road. For those who require it, such a venue already exists at “The Hungry Horse” at the junction of Gresley Way and Atherstone Avenue.

At its most basic, this is quite simply an ill-considered attempt to put the wrong business in the wrong place and we, the many signatories to this petition, request the application be rejected.

Yours faithfully,

W J Watson

We, the undersigned residents of Charlotte Way, wish to record our objection to the application for an entertainments and alcohol licence submitted by The Grange Peterborough Ltd. in respect of the premises at Netherton United Football Club. We make these objections on the following grounds:-

- (1) Increasing usage of the social club will lead to greater traffic, both on foot and by car, through Charlotte Way. That will impact adversely upon the overall amenity value of the estate to residents.
- (2) Increased footballing activity at this site has already had a detrimental effect upon residents in terms of vehicle movements into and out of the estate. These start as early as 8am and continue until after 9pm on a daily basis. It has been calculated that over the course of one weekend in September 2018 there were over 1000 vehicle movements into and out of Charlotte Way to the NUFC car park. This is of course in addition to residents going about their lawful business.
- (3) The access road into the Estate is wholly unsuited to the current level of traffic, let alone any further addition. The inadequate provision of parking for residents means vehicles are of necessity parked in the roadway, restricting driver vision and safe vehicle movement. There are six sharply angled corners on entry and exit which means vehicles are continually accelerating or braking, with consequent excess exhaust and brake dust emissions. These are, as is well known, extremely hazardous to health, especially for children, and anything which leads to these increasing is wholly unacceptable.
- (4) Many of those who drive to the car park unfortunately tend to be quite uncaring of the safety of residents and speeding is a frequent occurrence. Again, anything which increases the risk to residents, their children and even their pets is quite unacceptable.
- (5) Additional foot traffic to and from the clubhouse will present noise, disruption and possible security risks to residents especially if those involved have consumed quantities of alcohol and are leaving late at night.
- (6) The childrens playground area adjacent to the clubhouse is already a focus for undesirable elements, particularly at night, and the existence of licenced premises open to all will do nothing to reduce this. Drug dealing is rife in the area yet does not attract action by the police and increased numbers of those in pursuit of relaxation activity will inevitably see an increase in drug trading, to the detriment of residents.
- (7) This licence is being sought not to meet an outstanding need in the area but to create a need, insofar as it is understood the applicant operates a catering business and clearly sees taking over operation of the NUFC social club as a useful outlet from which to expand his business. Doing so will however impact greatly upon the quality of life for residents not only of Charlotte Way but Thorpe Park Road and its environs and Ledbury Road, both of which afford pedestrian access to NUFC.
- (8) There is no demand from residents of Charlotte Way for doorstep access to licenced premises. In any case, that is currently available at The Hungry Horse, at the junction with Westfield Road. Those premises are also open from 11am till either 11pm or 12pm daily and have sufficient room to cater for parties. It does not however impact directly upon residents of the Estate and the immediate area in the way this licence application would.
- (9) Football and alcohol have long proven a volatile mix and we see no need for any potential trouble point to be established in the midst of a residential area. To do so is not to the benefit of residents and will ultimately affect amenity and property values.
