Acting Commissioner to report back on how many readers have read/downloaded the Annual Report. 2. Recommendations for the Annual Report: <ul style="list-style-type: none"> ● <i>On all graphics - Ensure legibility and accessibility is not overridden by the graphic design</i> ● <i>Ensure compatible with web readers and assisted technology</i> ● <i>Contents Page - Re-design contents page for improved legibility and accessibility</i> ● <i>Foreword - Include by-line as to who is featured in the picture</i> ● <i>Page 2: Does not include: elected by community, is the voice of the community and is answerable to the community</i> ● <i>Page 4: Re-design infographic for improved legibility and accessibility</i> ● <i>Page 5: Mention that precept has been raised to maximum level year on year because of limited government funding</i> ● <i>Page 6: Footnote missing from grant spending. Would be more helpful to show start-of-year budget, funding received and spending figures/bars in way that facilitates visual of comparison</i> ● <i>Page 7: Re-design for accuracy and clarity. Subtotals should not be shown as separate segments. Show FTE, not employee, figures (for part-time and collaborated staff). Would be useful to annual additions to officer and admin staff counts. Panel would like to review amended version before publication.</i> ● <i>Page 8: Suggest adding: cycle thefts (if these are a significant proportion across the county) and successful prosecutions.</i> ● <i>Page 9–10: Show absolute numbers and percentages in all cases for consistency. Clarify categorisation (e.g. that drug offences fall within ‘Other Crimes Against Society’). Include mention of fraud and cybercrime. Start intro with “Although” rather than “With”. Expand ‘ONS’.</i> ● <i>Page 10: Include dropped calls, online reports and time to completion of report [person who first picks up a call is typically not an officer ready to record an incident]</i> ● <i>Page 11: Caption photo (Head of Victims & Witness Hub)</i> ● <i>Page 12: Worth highlighting amazing work of 3 mental health nurses. Define ‘County Lines’. Remove (here and elsewhere) superfluous text, such as paragraph beginning “Operators responding to both” not needed</i> ● <i>Page 13: Highlight Modern Day Slavery to be highlighted. Expand on “73% of 246”: what further support was provided to the 27% who reported that they were not coping better? Clarify why 112 of 170 victims did not report a crime to the police but self-referred.</i> ● <i>As a general observation, reporting of grants should be linked to the positive outcomes achieved, and how these are monitored.</i> ● <i>Page 14: Over the last 12 months 77.2% of victims of crimes were at least satisfied; what were the other levels?</i> ● <i>Page 18: Explain what “out of court disposals” are, what role Peterborough’s Outside Links Service has, what positive outcome(s) it has achieved, and how this is assessed.</i> ● <i>Page 19: What has the £400k of funding from the government’s Early Intervention Youth Fund been spent on and what the outcomes have been? What are the team of specialists and what are they doing?</i> ● <i>Page 22: Maybe use the title page picture to depict Stop Scams and dated due to covid19 and social distancing (picture shows people stood next to one another).</i> ● <i>Page 23: Mention work on raising awareness of scams. Highlight GoodSam.</i>
