Emergency Evacuation Procedure – Outside Normal Office Hours

In the event of the fire alarm sounding all persons should vacate the building by way of the nearest escape route and proceed directly to the assembly point in front of the Cathedral. The duty Beadle will assume overall control during any evacuation, however in the unlikely event the Beadle is unavailable, this responsibility will be assumed by the Committee Chair. In the event of a continuous alarm sounding remain seated and await instruction from the duty Beadle.

Recording of Council Meetings: Any member of the public may film, audio-record, take photographs and use social media to report the proceedings of any meeting that is open to the public. Audio-recordings of meetings may be published on the Council's website. A protocol on this facility is available at:

NOTES:

1. Any queries on completeness or accuracy of reports should be raised with the Case Officer, Head of Planning and/or Development Management Manager as soon as possible.
2. The purpose of location plans is to assist Members in identifying the location of the site. Location plans may not be up-to-date, and may not always show the proposed development.
3. These reports take into account the Council's equal opportunities policy but have no implications for that policy, except where expressly stated.
4. The background papers for planning applications are the application file plus any documents specifically referred to in the report itself.
5. These reports may be updated orally at the meeting if additional relevant information is received after their preparation.
