This application was for the retail sale of alcohol and other licensable activities. The name of the premises was Doce Mel 2 and the licence was granted on 9<sup>th</sup> June 2006.

2.2 On the 2<sup>nd</sup> October 2006 an application was made to vary the licence to include live music and dancing. This application was granted on 31<sup>st</sup> October 2006 after additional noise conditions were agreed for the licence.

2.3 On 13<sup>th</sup> October 2006 a premises licence review application was made by Cambridgeshire Fire & Rescue Service under the Public Safety objective. A licensing hearing was subsequently held which resulted in the premises licence being suspended for a period of 3 months and the designated premises supervisor being removed from the licence. On 4<sup>th</sup> January 2007 Sandra Filipa Pais surrendered the premises licence.

2.4 On 8<sup>th</sup> February 2007 an application for a new premises licence was submitted by Mr Nawas Ibrahim. This application was for the retail sale of alcohol and other licensable activities between the hours of 6am & 11pm seven days a week. The name of the premises was Millfield Restaurant and the premises licence was granted on 7<sup>th</sup> March 2007.

- 2.5 Between 4<sup>th</sup> April 2007 and 6<sup>th</sup> September 2011 there were seven designated premises supervisor changes on the premises licence.
- 2.6 On 30<sup>th</sup> August 2011 an application to change the premises licence holder was made to place Mr Bruno Fernando Azeved Silva on the licence. There was no Police objection to this and the licence was subsequently granted. On 6<sup>th</sup> September 2011 an application to place Mr Robert Norman Mulholland on the licence as the designated premises supervisor was made and granted.
- 2.7 On 23<sup>rd</sup> September 2011 an application to vary the plan of the licensable area and to extend the times for licensable activities at the premises was submitted by Mr Silva. Objections to this variation were received from the Noise Pollution Team and the Police. The matter was heard by the Licensing Act 2003 Sub-Committee on 9<sup>th</sup> November 2011. As a result of the hearing the application to extend the licensable area and hours were rejected.
- 2.8 On 17<sup>th</sup> November 2011 an application to vary the premises licence was made by Mr Silva. This application was to amend the plan of the premises and also to remove a condition pertaining to the seating occupancy of the premises. ## **7. LEGAL OFFICER'S COMMENTS**

7.1 The Licensing Authority (hereafter referred to as "the Council) is charged with implementing the provisions of the Licensing Act 2003. This is an application for a review of a premises licence following the application by Trading Standards (Responsible Authority) to review the premises licence made under section 51 of the Licensing Act 2003.

7.2 In this case, the application was received at these offices on 17<sup>th</sup> February 2012.

7.3 The application before this committee will consider –

- (i) The application to review the licence,
- (ii) Any relevant representations

7.4 The committee will take such of the steps as it considers that action is necessary for the promotion of the licensing objectives. The steps are –

- (a) to modify the conditions of the premises licence
- (b) to exclude a licensable activity from the scope of the licence
- (c) to remove the designated premises supervisor from the licence
- (d) to suspend the licence for a period not exceeding three months, or
- (e) to revoke the licence

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added

7.5 In addition the guidance issued under section 182 of the Licensing Act 2003 states:

'The licensing authority may decide that no action is necessary if it finds that the review does not require it to take any steps necessary to promote the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular time. It is expected that licensing authorities will regard such warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the holder of the licence. But, where responsible authorities like the police or environmental health officers have already issued warnings requiring improvements – either orally or in writing – that have failed as part of their own stepped approach to concerns, licensing authorities should not merely repeat that approach.
