14 SEPTEMBER 2011			
<p>Trees in Bridge Street</p>	<p>The Committee recommends that:</p> <p>1. The Director of Communications rephrases question three of the consultation on Improving Bridge Street and Long Causeway to read:</p> <p>We have been advised by specialists, The Urban Forestry Organisation Limited, that there are too many trees on Long Causeway and Bridge Street, which has a potential impact on the future health of the trees. We are proposing to remove around a third of these trees in order to prolong the life of the others, open up the street and allow more natural daylight.</p> <p>Do you think we should?</p> <ul style="list-style-type: none"> • Leave the trees untouched • Remove around one-third of the trees • Remove all of the trees • I don't have any opinion on this <p>2. Question three to be published for a further month to allow the public to have another chance to have their say on proposals to potentially remove some</p>	<p>Andrew McIntosh – Director of Communications</p>	<p>The communications team issued a press release on Wednesday 12 October about the trees part of the consultation being extended and people were given two weeks to comment. The consultation closed on 26 October 2011. The press release was issued to the usual local media contacts list, including Anglia, Look East, BBC Radio Cambs, and the ET, Connect FM and Heart FM and a collection of other local publications. The consultation was a feature item on the front page of the website to make it as visible as possible for those people who heard about the consultation to find out more. Once the consultation had closed a total of 200 responses were received.</p> <p>Response to outcome of consultation sent to Committee Members on 6 January 2012.</p>
