13 SEPTEMBER 2011			
Scrutiny Review of Mental health Services – Joint Committee	The Commission recommended that a Joint Health Committee between Cambridgeshire County Council and Peterborough be set up for the purpose of scrutinising the proposals for the redesign of mental health services.	Senior Governance Officer	<p>The Mental Health Services in Cambridgeshire and Peterborough Joint Overview and Scrutiny Committee was set up in October 2011.</p> <p>The Joint OSC met three times during November and December 2011 to consider the proposals and agree its response; members also met with mental health staff who provided acute care in Cambridgeshire and Peterborough. It had a final meeting on 19 April 2012 to consider the outcome of the consultation.</p> <p>Having completed its task as set out in its remit the joint OSC has now disbanded.</p>
Interim Report on Outcome of the Consultation for Primary and Urgent Care Services	<p>The Scrutiny Commission for Health Issues recommends that the NHS Peterborough Board are asked to consider and respond to the following recommendations from the Scrutiny Commission for Health Issues in relation to the recommended strategy proposed by NHS Peterborough following the outcome of the Primary Care and Urgent Care Strategy Consultation.</p> <p>1. The Proposed Urgent Care Vision.</p>	NHS Peterborough Board

	<p>The Commission agree by a majority of 6 voting in favour and 1 abstention to support the adoption of the proposed Urgent Care Vision.</p> <p>2. Urgent Care Services</p> <p>The Commission agree by a majority of 6 voting against and 1 abstention not to recommend the proposal for Urgent Care Services as it believes that it can not support it without consideration of the detailed business case in relation to the proposals for services at Burghley Road, Alma Road and Church Walk</p> <p>3. Four New Health Centres</p> <p>The Commission supports the proposals for four new Health Centres at</p> <ul style="list-style-type: none"> • City Centre (63 Lincoln Road and North Street) • East and Dogsthorpe Wards • Hampton • Orton Bushfield 		<p>1/2 – The PCT is finalising the procurement arrangements. The process will include lay representation on the procurement panel. The process remains on track to ensure the new integrated urgent care centre is mobilised by end of March 2013.</p> <p>3. The PCT has invited practices to prepare full business cases for the four new health centres. The PCT is in detailed conversations with each of the practices with regards to their full business case. The PCT expects the first full business cases to be presented for approval at its Board meeting in July.</p>

	<p>4. Services at Burghley Road, Alma Road and Church Walk</p> <p>The Commission can not take a view on this proposal until such time as it has considered the detailed business case at its meeting on 15 November 2011.</p> <p>5. Other Primary Care Commission matters</p> <p>The Commission support in principal the proposals for other primary care commission matters subject to NHS Peterborough considering the observations and comments made at the meeting held on 13 September 2011.</p>		<p>4. Burghley Rd/Church Walk: The timing of these changes depend on the agreement of the full business case for the building in East/Dogsthorpe. The PCT and practices will communicate with patients when the specific location and timing for the new premises are confirmed.</p> <p>Alma Rd - The PCT will communicate with patients when the timing for the new urgent care service is confirmed (i.e. during the procurement process).</p> <p>5. The PCT continues to work with each of the practices with poor ratings from patients with regard to their access to the practice. Each practice has a recovery plan in place agreed with the PCT and which has involved their patient group.</p>
