# News from The Hub!

Following the changes nationally to Children's Centres, Highlees Primary School has taken responsibility for the building located next to the school. Our intension is to retain and incorporate new activities within The Family and Community Hub.

The Hub will be facilitated by Highlees Primary School. Bookings from external agencies go through the school.

We are excited to offer activities for children and parents which will support and enhance home and school life in order to strengthen our partnerships with parents and the community and raise standards.

Please come and join us.

Highlees Primary School is committed to supporting all children, parents and the community.
