Dear Darren,

Re: Premises License Application – 44 Eastfield Road, Peterborough

On Tuesday 23<sup>rd</sup> September 2014 Cambridgeshire Constabulary Licensing Department (Peterborough District) received e-mail notification from Peterborough City Council Licensing Authority of an application for a new Premises License at 44 Eastfield Road, PE1 4AN. A duplicate postal copy has been received by this department. The application has been submitted by Mr. ABDUL LATIF HUSSANI of  Glinton Street, Peterborough, PE1 5HH. The proposed Designated Premises Supervisor (DPS) is Mr. ROQUIA ALIZADA of  Glinton Street, Peterborough, PE1 5HJ. Mr. ALIZADA holds an Alcohol Personal License issued by PCC Licensing Authority reference: 056778.

This application seeks to install a new premises license at 44 Eastfield Road with the premises open and the supply of alcohol 'Off Premises' between 09:00am and 02:00pm daily (17 hours). No other licensable activity has been applied for.

44 Eastfield Road is located within a terraced row of commercial and residential buildings at the south end of Eastfield Road (See Annex A for visual reference). It was previously known as 'KIM'S SUPERMARKET', which has been closed by the owner for a considerable period of time and the previous Premises License has since lapsed. There are currently 10 licensed premises within 150 meters of 44 Eastfield Road and excessive evidence already exists of a negative cumulative impact on the statutory objectives caused by alcohol harm within the immediate area.

The applicant has asked for the standard conditions to be added to the license which include CCTV, refusal register, and proof of age scheme – conditions routinely applied for given normal circumstances. In my professional opinion as the Cambridgeshire Constabulary Licensing Officer for Peterborough District this application will more than likely add to the existing cumulative impact. Alcohol is having a significant impact on the local community specifically to the community around the proposed shop location. There already exist a high number of licensed premises - making this area the focal saturation point within the community.

The Community is hindered and harassed by alcohol and drug harm and Cambridgeshire Police, along with partners are pouring additional resources into the area to reduce crime and anti-social behaviour (ASB), that which is ruining the quality of life in the area. There exists a high number of rented properties with a large number consisting of multi occupancy residential leases with a diverse ethnic bearing.

Crime and ASB has continued to increase and at the point of compiling this report I am aware that since 01<sup>st</sup> January 2014 - within the PE1 4AN postcode area - there have been **381** recorded Incidents reported to the Police. These reports involve Robbery, Domestic

Violence, Violence, ASB, Street Drinking, Criminal Damage, Noise, Burglary and Drugs to name but a few. Whilst I have not drilled down into each individual incident, a significant number do involve alcohol that is either directly or indirectly connected with the local licensed premises. **68** crimes were recorded that relate to over 68 victims of crime within this small geographical area. I am confident there will be evidence within these crimes of the cumulative impact existing licensed premises and alcohol already has a harmful grip on the local community.

I have taken the liberty to compare this postcode area with another which is less than 150 meters away. On checking similar statistics for postcode area PE1 4AS – the postcode for the licensed premises on the junction of Eastfield Road and Padholme Road - the figures found are remarkably less. I noted that the Police data systems show only **9** crimes and **32** incidents. Although this licensed premises falls within the area detailed above it clearly shows there is a significant harm problem at the other postcode area – and only 150 meters away. Late opening premises with the offer of cheap and available alcohol is attracting victims and predators alike resulting in increased crime and anti-social behaviour.

Hard work and effort has been put into this area by the local Policing team working in partnership with local authority agencies. Regular and consistent patrols have been successful in deterring crime and ASB. The Licensing Authority has made several visits to existing licensed premises to remind them of the licensing objectives and deal with minor breaches to Premises License. The granting of another license within this controversial area would be detrimental to this hard work and set back positive moves that have been made in improving the quality of life for the local community and its residents.

The Safer Peterborough partnership are currently consulting on a positive consideration to expanding the current Cumulative Impact Policy (CIP) in place within the Operation CAN-DO area across the district to incorporate the wider area around lower Eastfield Road. The CIP within CAN-DO has been remarkably successful in rejuvenating and regenerating the Millfield / New England giving back a better quality of life in the area and as such Eastfield Road can only benefit from such an expansion to the Policy. An Eastern Area Neighbourhood Delivery Team (Eastern NDT) has commissioned an 'Area Report' which gives statistical and analytical data on the problems faced within the Eastern Sector which includes Eastfield Road. The report highlights the lower part of Eastfield Road as being the hotspot for crime and ASB.

Cambridgeshire Constabulary do not support this application and appeal to the Licensing sub-committee to seriously consider the information before them and reject the application. Whilst I bear no prejudice towards the applicant or the DPS this area will not benefit from the addition of another licensed premises. The only people to benefit will be those selling alcohol for the sole sake of profit. It is widely known that a small general store could generate over 60% of profit from sales alone, and I have been advised by other licensees that they would not survive as a business without the ability to sell alcohol. This can lead to complications concerning the licensing objectives where due diligence is relaxed for the sake of profit.

Kind regards

14 October 2014

Dear Licensing Team

**License application 070138: 44 Eastfield Road**

Thank you for sending us a copy of this license application. We have particular concerns for this locality in terms of problems relating to alcohol. We understand from the specialist service the council commissions that there is a high level of street drinking in this area, and that much of the alcohol consumed by street drinkers in the neighbouring areas of the cemetery and the Stanley recreation ground is purchased from the many existing licensed premises of Eastfield Road. We understand from police colleagues that there is a considerable amount of crime and anti-social behaviour in the area, and that this is not dissimilar to the past profile of the Operation CAN-Do area in Millfield.

We are aware that the local Neighbourhood Delivery Team (NDT), reflecting the priorities of the Neighbourhood Panel, has expressed a desire to propose extensions to the alcohol Cumulative Impact Policy (CIP) currently in place and demonstrably effective in the Operation CAN-Do area, to include the southern end of Eastfield Road. We supported the development the CIP in the Operation CAN-Do area which we believe makes an important contribution to health and wellbeing, community cohesion and crime and disorder reduction in the neighbourhood. We will be pleased to support plans to extend the CIP to Eastfield Road.

We believe it is important that we strive to reduce alcohol-related harm among all people living in our city. We had hoped that "health" would become an objective under the Licensing Act as envisaged by the government's National Alcohol Strategy launched in 2012, and so we welcome the Licensing Act 2003 [Amendment] Bill introduced to the House of Lords this year by Lord Brooke of Alverthorpe which seeks to introduce an additional licensing objective, "protecting and improving public health".

While the current licensing system does not allow for objection purely on the grounds of health, we oppose this application on the grounds of the indisputable link between alcohol and crime and disorder.

The National Alcohol Strategy (2012) estimates that annually in a community with Peterborough's population:

- 1,800 people will be a victim of alcohol-related violent crime;
- Over 700 11-15 year olds will be drinking weekly;
- Over 23,000 people will binge-drink.

Nationally we know that:

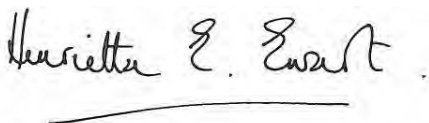

- 47% of violent offenders are believed to be under the influence of alcohol, rising to 62% in incidents of 'stranger' violence;
- 32% of young people surveyed reported being under the influence of alcohol when committing criminal damage offences (NICE, 2010);
- 30% of all sexual assaults are estimated to have taken place when the offender has been under the influence of alcohol; and
- Studies in America have shown alcohol is behind up to 73% of domestic abuse incidents. Research in the UK is showing that where alcohol is involved the severity of the assault is worse (Alcohol Concern, 2010).

In our region Peterborough has the highest rate of alcohol offences per thousand population, at 9.62. The cost of crime and antisocial behaviour linked to alcohol in England is estimated to be £8 billion (NICE, 2010). Analysis of these costs for Peterborough leads us to believe the annual cost of alcohol-related crime and antisocial behaviour to be in the region of £10m. We consider licensing legislation to be an important contributor to reducing harm by restricting availability and safeguarding the public, including the young and vulnerable.

In its publication *"Alcohol-use disorders: preventing harmful drinking. Evidence update 54"* (March 2014), the National Institute for Clinical and Health Excellence (NICE) concludes: "A higher density of off-premises alcohol outlets may be associated with increases in mortality, rates of admission to hospital because of assault or alcohol-related disease, and domestic violence. Higher density of other types of licensed premises may also be associated with increases in admission to hospital because of assault or alcohol-related disease."

We therefore oppose this license application.

Yours sincerely

Dear Sir/Madam

**Planning enquiry**  
**Licensing request 070138**  
**44 Eastfield Road Eastfield Peterborough PE1 4AN**

Further to your enquiry received on 23 September 2014, in respect of the above, the Local Planning Authority makes the following comments:

Having reviewed the planning history of the site known as 44 Eastfield Road, I cannot find any restrictive conditions in terms of opening hours. As such, the Local Planning Authority raises no objections to this licensing request.

However Officers would comment that the proposed opening hours of this general store, selling alcohol until 2am Monday to Sunday, does have the potential to harm the amenity of nearby residents though customer movements in the early hours of the morning.

Yours faithfully

Mr D Jolley  
Development Management Officer

**Licensing Act 2003 - Representation in respect of Premises Licence**

<b>Details of person or body making representation</b>	
Your Name:	Councillor John Shearman
Your Address:	<input type="checkbox"/> Alma Road Peterborough PE1 3AW

<b>Details of premises representation is about</b>	
Name of Premises:	Kims Supermarket
Address of premises:	44 Eastfield Road Peterborough PE1
Application No. (if known)	

<b>Please tick one or more of the licensing objectives that your representation relates to:</b>	
Prevention of crime and disorder	<input type="checkbox"/> yes
Public Safety	<input type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

<b>Please summarise your concerns about this application:</b>
<p>Kim's Supermarket is located in an area of high crime.            The granting of a licence allowing off-sales of alcohol until 2am each day            Is highly likely to bring about an increase in crime in the area.            Do socially responsible people need to be buying alcohol at 2am?</p>

**Please give further details of why you believe this application will have an adverse effect on the licensing objectives**

Lower Eastfield Road and the immediate locality is an area of high crime  
In the period May – August 2014 recorded crime in the area included....

- 67 incidents of anti-social behaviour
- 8 drug related offences
- 22 incidents of violence

It is highly likely that selling alcohol until 2am each day will impact negatively on the current crime figures resulting in an increase in the recorded figures.

Residents in the area already have to contend with a range of issues which lower their quality of life and to grant this licence will exacerbate an already deteriorating situation.

If the committee believe there is justification for granting another licence, then consideration should be given to reducing the length of time each day that alcohol may be sold from 2am to something far more socially acceptable, say 11.30pm.

Given the levels of crime in the area, the question needs to be asked about the nature of people who need to be purchasing alcohol in the early hours of the morning.

Residents typically comment on the way in which the Lower Eastfield Road area is fast becoming as replica of the Lincoln Road area of Millfield. The Licensing Committee now have an opportunity to halt this downwards drift.

John Shearman  
Councillor – Park Ward.

## **How to make a representation**

The statutory representation period begins the day after a valid application is received by the licensing authority and lasts for 28 consecutive days. During this time there must be at least one public notice in a local paper and a blue A4 public notice displayed on site for 28 consecutive days. The application will also appear on the public register.

Any representations must relate to one of the four licensing objectives below:

### **Prevention of crime and disorder**

This relates to any crime, disorder or anti-social behavior in connection with the management of the premises. The licence holder cannot be responsible for the conduct of individuals once they leave the premises.

### **Public safety**

This relates to the safety of the public on the premises - such as fire safety, lighting and first aid.

### **The prevention of public nuisance**

This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

### **The protection of children from harm**

This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law already provides special protections for children, such as making it illegal for children under 18 to buy alcohol.

We recommend that if you wish to object to an application for a premises licence, you use the representation form.

**Representations (objections) may not be made anonymously. Any representations that are received will be included in a report to the hearings panel. This report will be a public document and will be circulated to the parties involved prior to the hearing.**

Hello

I would like to strongly oppose the issuing of this license I am making this submission on behalf of myself and residents of my ward. The reasons being that this add to the anti social behaviour in the area and increase the amount of crime. The impact of this will be felt more so in the surrounding streets where already dozens are seen drinking out on the street loitering and causing a nuisance. I would like to refer this to the licensing committee and Should this go to committee i would like to register my interest to speak.

Regards

8 October 2014

To whom it may concern,

**Kim's Stores, 44 Eastfield Road, Eastfield, Peterborough PE1 4AN -  
Application for Premises Licence**

I write to formally OBJECT to the above licensing application, both as a local resident and Member of Parliament for Peterborough.

I believe that granting a licence to sell alcohol for 17 hours a day would be hugely detrimental to the residential amenity of my constituents on Eastfield Road and surrounding streets.

There is evidence of a substantial localised problem of anti-social behaviour including street drinking, vandalism, casual violence and intimidation in the area, as recorded by Cambridgeshire Constabulary. There are also other issues such as littering which are not recorded by Cambridgeshire Constabulary nor the City Council.

I believe that his application contravenes efforts by the City Council to improve the residential amenity and ambience of this area, in specific ways, such as in respect of house frontages, communal spaces and gardens, selective licensing and landlord behaviour and the regulation and licensing of Houses in Multiple Occupation.

Furthermore, the application takes no cognisance of the cumulative impact of another licensed premises in an area which is already over provided for.

**Representing Peterborough**

Tel: 0207 219 5046      Email: [stewart.jackson.mp@parliament.uk](mailto:stewart.jackson.mp@parliament.uk)

To whom it may concern,

I am writing to lodge my official objection against the licence application for the above named property.

It is my view that the area is already saturated with alcohol outlets which has been the main contributing factor to the rapid decline in the area.

To grant a further application to sell alcohol on Eastfield road would be an irresponsible act.

I would also suggest, that an urgent review needs to take place regarding the existing licensed premises on Eastfield road, with a view to revoking or restricting the hours of licensing until 10pm.

I have personally witnessed many of the shops selling alcohol to underage children and selling alcohol beyond their official hours of trading.

Particularly prolific offenders are the shop on the corner of Eastfield Road and Padholme Road and the shop on the corner of Monument street.

Enough is enough. The residence of Eastfield road should not have to live, and be punished by, the ill consequences of thoughtless planning decisions. The council has a responsibility to reverse this wheel of misfortune as a matter of urgency.

Yours faithfully

Public Safety	<input type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

Please summarise your concerns about this application:
<p>The levels of crime &amp; disorder in this area has greatly increased in the last few years making it an unpleasant experience to walk along <del>Eastfield Rd</del>. The number of instances of aggressive begging, particularly outside shops selling alcohol, has become rather frightening, particularly to older residents. People, singly &amp; in groups, male &amp; female who are obviously intoxicated, create an atmosphere of threat.</p>

Please give further details of <u>why</u> you believe this application will have an adverse effect on the licensing objectives

Eastfield Rd. has more than enough outlets selling alcohol in the short distance from Redholme Rd to Dickens St. They advertise their wares such as "Meats & Booze", they have become no longer corner shops or convenience stores. I have personally witnessed in one particular shop where I collect my daily paper between 6-30/7am near on the way to work buying 4-6 cans of lager & one bottle of Vodka. These people are going to work in factories, building sites etc. where an accident could result in life threatening injuries or be fatal. We should be restricting the sale of alcohol not increasing it. I had recently intervene to protect a young woman being threatened by an alcoholic demanding money as she tried to enter her car.

Please, Please do not allow any more off licences in Eastfield Rd.

①	I BELIEVE THAT THERE ARE ALREADY MORE THAN ENOUGH SHOPS IN THE AREA, ALL SELLING ALCOHOL. I DO NOT SEE WHY WE NEED ANOTHER ONE, ESPECIALLY STAYING OPEN SO LATE.
②	THERE HAVE BEEN CASES OF VIOLENCE AND ONE MURDER IN THAT AREA QUITE RECENTLY AND THE SELLING OF YET MORE ALCOHOL WILL ONLY ADD TO THIS PROBLEM.
③	THERE ARE DIFFICULTIES ALREADY CAUSED BY ILLEGAL PARKING AND PARKING ON THE PAVEMENT, WHICH MAKES IT VERY AWKWARD FOR PEDESTRIANS.
④	THERE CLEARLY ARE CASES OF UNDER-AGE DRINKING ALREADY, AND

Please give further details of why you believe this application will have an adverse effect on the licensing objectives	

DRUNKARDS LYING AROUND ON THE STREET IN SHOP DOORWAYS RIGHT NEARBY—I HAVE SEEN AT LEAST 2 INCIDENTS RECENTLY.

- ⑤ YOUNG PEOPLE BECOME A REAL NUISANCE WHEN THEY HANG AROUND LATE AT NIGHT, CAUSING OBSTRUCTION ON THE PUBLIC FOOTPATH AND ADDING TO THE LITTER PROBLEM— BESIDES BECOMING A THREAT TO PEDESTRIANS TRYING TO GET BY.
- ⑥ I DO NOT THINK IT IS FAIR TO THE LOCAL RESIDENTS WHO LIVE NEARBY TO HAVE YET ANOTHER SHOP SELLING BOOZE— ESPECIALLY SO LATE AT NIGHT, AND IF KIM'S GET THIS, THEN THE OTHER SHOPS WILL WANT IT ALSO.
- ⑦ ALL THE ABOVE WOULD ADD TO THE EXISTING PROBLEMS OF NOISE, DRINK, ILLICIT PARKING, RUBBISH, AND USING THE AREA (incl. the cemetery) AS A PUBLIC TOILET.
- ⑧ WE DON'T WANT THIS AREA TO DETORATE ANY MORE. IT HAS BECOME BAD ENOUGH AS IT IS, OVER THE PAST FEW YEARS— WE DON'T WANT TO CREATE ANOTHER MILLFIELD HERE.

**Licensing Act 2003 - Representation in respect of Premises Licence**

<b>Details of person or body making representation</b>	
Your Name:	Derek Brown
Your Address:	<span style="border: 1px solid red; padding: 2px;"> </span> Broadway Peterborough PE1 4DT

<b>Details of premises representation is about</b>	
Name of Premises:	Kim' Stores
Address of premises:	44 Eastfield Road Peterborough PE1 4AN
Application No. (if known)	070138

<b>Please tick one or more of the licensing objectives that your representation relates to:</b>	
Prevention of crime and disorder	<input checked="" type="checkbox"/> yes
Public Safety	<input type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

<b>Please summarise your concerns about this application:</b>
<p>Violent disorder in streets is frequently associated with alcohol consumption and street drinking is already a significant problem in the Eastfield Road area, particularly between Boongate and Broadway junctions on Eastfield Road. While this simply represents yet another outlet selling alcohol in the area it provides a source of alcohol until 2 a.m., which can only exacerbate current problems and extend them well into the night. Any license to sell alcohol should be restricted to reasonable hours, perhaps in line with local public houses.</p>

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

## **How to make a representation**

The statutory representation period begins the day after a valid application is received by the licensing authority and lasts for 28 consecutive days. During this time there must be at least one public notice in a local paper and a blue A4 public notice displayed on site for 28 consecutive days. The application will also appear on the public register.

Any representations must relate to one of the four licensing objectives below:

### **Prevention of crime and disorder**

This relates to any crime, disorder or anti-social behavior in connection with the management of the premises. The licence holder cannot be responsible for the conduct of individuals once they leave the premises.

### **Public safety**

This relates to the safety of the public on the premises - such as fire safety, lighting and first aid.

### **The prevention of public nuisance**

This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

### **The protection of children from harm**

This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law already provides special protections for children, such as making it illegal for children under 18 to buy alcohol.

We recommend that if you wish to object to an application for a premises licence, you use the representation form.

**Representations (objections) may not be made anonymously. Any representations that are received will be included in a report to the hearings panel. This report will be a public document and will be circulated to the parties involved prior to the hearing.**

**Subject:** RE: Licensing Act 2003: New Application, 44 Eastfield Rd.

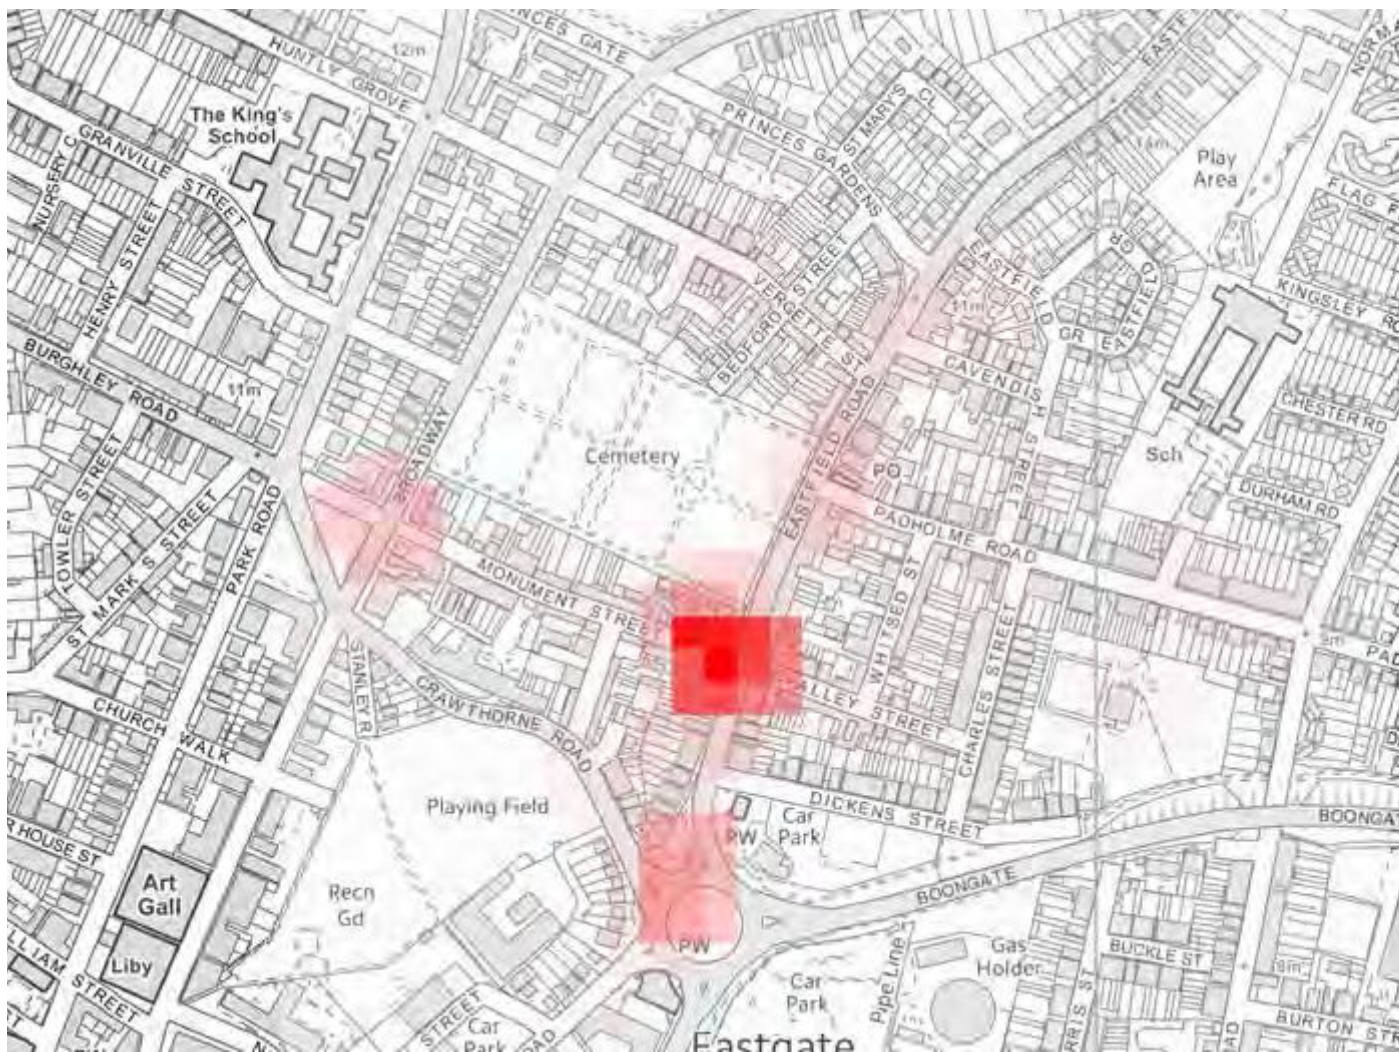

Hi

The Eastern NDT would like to object to this application for the following reasons:

1. This area of Eastfield Road and the immediate vicinity is a problem in respect of street drinking and related nuisance behaviour
2. Residents in Monument Street which is accessed from this area of Eastfield Road have continued to be blighted by drink related ASB and criminal damage such as urinating and defecating in public and damage to cars
3. This area of Eastfield Road and the immediate vicinity is for the second time this year a Safer Stronger Neighbourhood Panel priority. The Safer Peterborough Partnership is tackling issues such as street drinking, ASB and drugs as well as a range of quality of life issues including rubbish in gardens
4. The Eastern NDT is aware of the following which suggest there is no need for further off-licences in this area:
  - a. There are off-licensed premises at 32 Eastfield Road, 45 Eastfield Road, 48-50 Eastfield Road and 46 Eastfield Road
  - b. There is a local public house at 62 Eastfield Road
5. A heat map produced by the Safer Peterborough Partnership Intelligence Team shows that the junction of Eastfield Road and Monument St is the most prevalent hotspot for ASB in this area. The application is for a premises right at the heart of this problem ASB area (See 1 below)
6. A heat map produced by the SPP Intelligence Team shows that the area of Eastfield Road where the application relates to is in a crime hotspot (see 2 below)

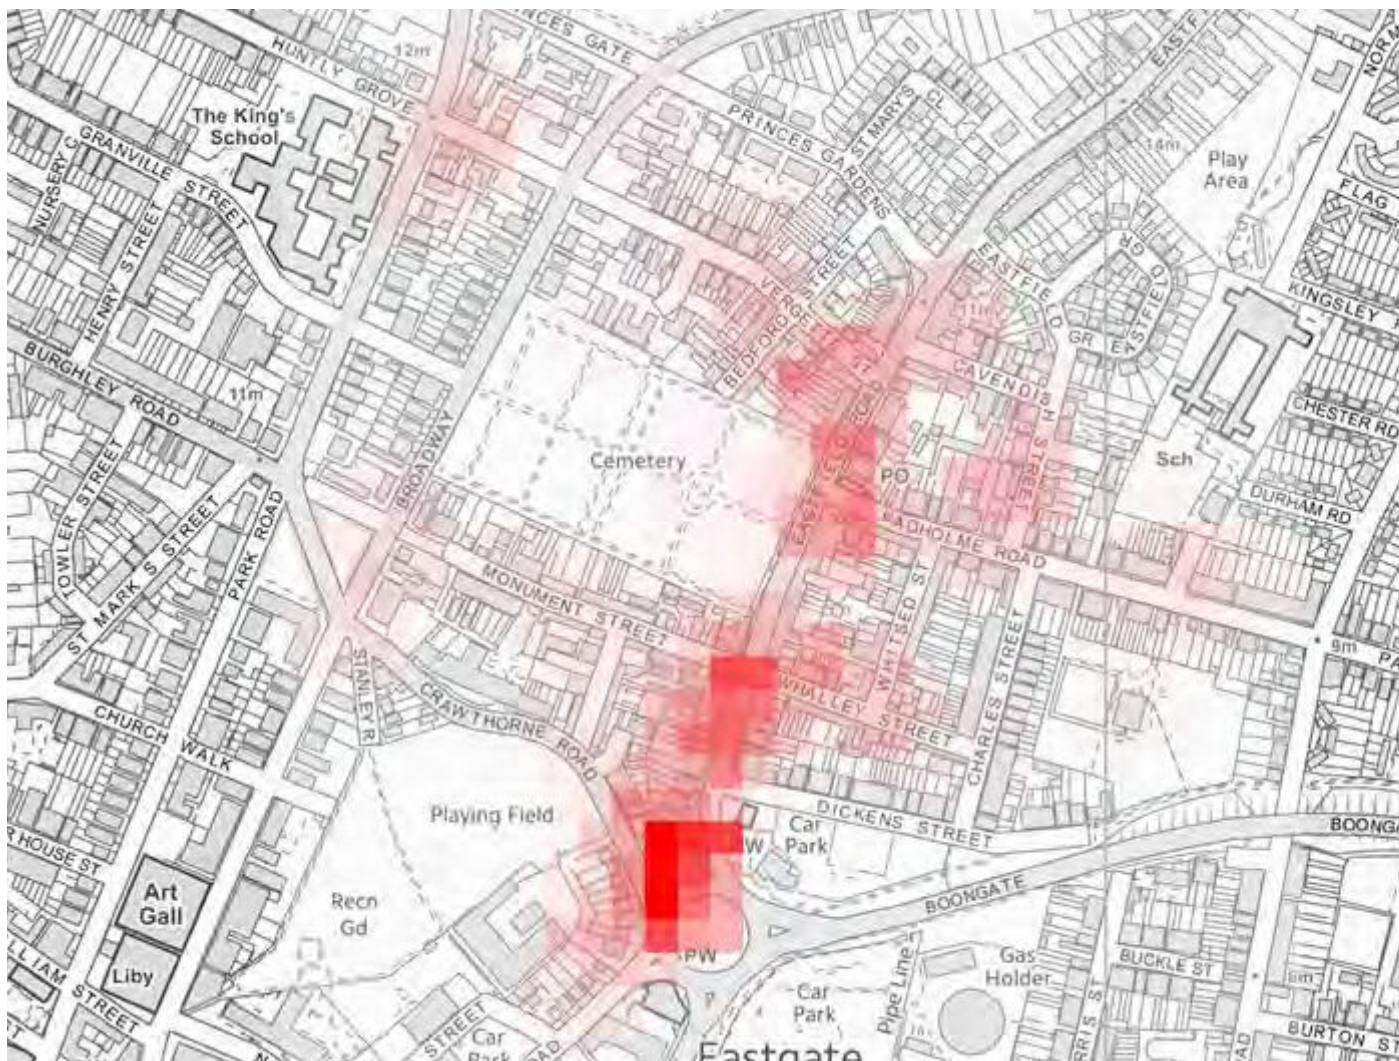

### **1. ASB Heat map**

The coverage map below shows by point density, the hotspots for the recorded ASB within the area detailed in the previous table.

**2.Crime heat map**

The coverage map below shows by point density, the hotspots for the recorded crimes within the area detailed in the table above.

Thanks

This area is already becoming a nuisance area due to anti social behaviour from drinkers at all times of the day and night. I have witnessed abusive behaviour and noise related issues from drinkers in the area and it feels unsafe to pass near to the licensed premises.

Another alcohol outlet will make the situation worse.

Every day the area is littered with beer cans etc and if this application was approved we are likely to see the situation get even worse as we have seen in other parts of the city where the concentration of licensed premises has been allowed to increase.

There have been violent crimes very close to the store and another premises selling alcohol is likely to make matters worse.

Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input checked="" type="checkbox"/> yes

Please summarise your concerns about this application:

I feel that there are plenty of off license premises already, and also so much crime is related to Alcohol.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

I feel that it is important to guide our youngsters in the right direction, away from Drink and Drug abuse.

Also although it is a nuisance to have drunken people in the street at all hours, the crime statistics show that both antisocial behaviour and crimes themselves are an indication that more Drink being available is not a good thing.

May - August 2014.

67 reported crimes of antisocial behaviour  
22 Violent crimes  
8 Drug related crimes

**Subject:** Objection to Licence application - 44 Eastfield Road

2 Bedford Street,  
Peterborough,  
PE1 4DN

Dear Sir/Madam,

I would like to register my objection to the licence to sell alcohol at Kim's Store, 44 Eastfield Road, PE1 4AN. There are already too many shops selling alcohol in Eastfield Road and three pubs. The associated crime and anti social behaviour is on the increase and we need to try to prevent this area from going down hill any more. As a local resident I object strongly to this licence application.

Your Faithfully,

Josephine Kelly-Gobuiwang

**Sent:** 11 September 2014 14:42  
**To:** Licensing  
**Subject:** Alcohol licence. 44 Eastfield Rd.

Dear sir/madam,

As a long suffering resident of Cavendish Street I wish to oppose yet another "cheap booze" establishment opening in the Easfield road shopping area.

Apart from having to walk on broken glass to get to the shops we also have to contend with vomit and urine which happens regularly in this area. Indeed as a pensioner I was challenged by one idiot under the influence to a punch-up. In addition to this Eastfield road and the streets around it have become rubbish tips with cans and packaging strewn all over.

My own street has suffered all this and more with groups of alcoholics drinking in car parking areas and blocking our bins with their rubbish.

Fine, they used the bins !

WRONG ! last year we had a wall of rubbish outside a block of flats because the binmen refused to take the "WRONG RUBBISH".

For a good month we had RATS and other vermin making their homes there.

In addition we have had house and car windows smashed. One car was written off with the help of a beer keg through its back window. Wing mirrors kicked off regularly and the inevitable faeces in passageways along with pools of urine.

Another Off-Licence on top of the Six already in the vicinity plus two public houses will only add to competition selling cheap alcohol and we the residents will as always be the losers.

Enough is enough, please give us back the peace and quiet we have lost.

NO MORE CHEAP BOOZE IN EASTFIELD.

Yours sincerely?

Mr.M.Fowler.

Cavendish street.

Peterborough.

I oppose any shop selling alcohol after midnight, there is already a lot of antisocial behaviour in this area and mill field, I think the council should ban the sale of alcohol after midnight in local areas and the council should also ban all other shops opening after 1am, You got lots of corner shops trading till 3/4am somedays, the council needs to halt this, night is to sleep not to do shopping, and waking everyone up on the street people are walking on, Then you got the police who are very busy as it is, then they'll have to babysit these people, Thanks

**Subject:** Licence Application -44 eastfield rd

i wish to voice my concern and register my objection for a licence for 44 eastfield rd for the following reasons  
we have more than 6 places within 400 yard of each other on eastfeild rd where you can obtain alcohol currently.  
it is unfair to residents having to put up with drink fuelled violence,vandalism,people urinating in doorways etc  
Many year ago we had just one offlicence there and had no problems the increase in licence premise has bought  
with it too many problems.

The decision should be down to people how live in the area and have to put up with all this.

Why dont the licensing committee award licence applicaton approvals where they live .but no course they wont  
because they dont want to put up with it themselves.

Take a look around yourself and you will see what has become of Peterborough in the last decade because pathetic  
week decisions by this council

<b>Details of premises representation is about</b>	
Name of Premises:	Kim's Stores, 44 Eastfield Road
Address of premises:	44 Eastfield Road, Peterborough
Application No. (if known)	Not known

<b>Please tick one or more of the licensing objectives that your representation relates to:</b>	
Prevention of crime and disorder	yes
Public Safety	yes
Prevention of public nuisance	yes
Protection of children from harm	yes

<b>Please summarise your concerns about this application:</b>
<p>Prevention of crime and disorder</p> <p>There are a large number of premises in the vicinity which already have licences to sell alcohol. In recent times I have witnessed incidents of aggression and antisocial behaviour in this area on a regular basis. It has been clear that in many of these incidents, the participants have been intoxicated. These incidents often occur immediately outside licensed premises. Groups of drinkers can often be seen loitering on the street, going back into the premises to restock their supplies of alcohol and then continuing to drink. I would expect that if the owner of the licenced premises refused to sell alcohol to an already intoxicated person, as the law requires, this could lead to potential crime and disorder within the premises itself, as well outside. Issuing yet another licence will only increase the availability of alcohol and subsequently the level of drinking and antisocial behaviour. The level of crime reported to the police demonstrate the level of difficulty the area already faces.</p> <p>Police reported incidents May - August 2014</p> <p>67 reported crimes of anti-social behaviour in the area 8 drug related offences</p>

22 violent crimes

The level of alcohol use, facilitated by the issuing of multiple alcohol licences, reduces the overall safety of the area. Antisocial behaviour is targeted at members of the public who happen to be using the street. The area is busy with a wide range of people using the road both as a shopping area and a thoroughfare. I have experienced abusive behaviour from others, which has often been exacerbated by their use of alcohol. Previously I would have felt safe walking in the area both day and night. Unfortunately, now this is not the case. This road is also used by children attending school and I am aware of them having to deal with similar experiences; where they feel threatened and unsafe. As a health professional who deals with the mental health of young people, I would also be concerned that this would be yet another premises in which underage people are able to buy alcohol.

Adding yet another outlet which sells alcohol will, in my opinion, only increase the difficulties in the area which are frequently alcohol related. The area already has a high level of licensed premises and this is having a detrimental impact both on residents and the wider immunity. I fear a further increase in noise late at night, increased littering and increased public urination, all of which I have had the dubious pleasure of witnessing in the area around other license premises. I have also had bottles and litter thrown at my house and into my garden on numerous occasions. There are an ample number of shops selling alcohol in the area and we do not need another. I hope that the wider health, safety and welfare of the area will be considered before a decision to issue this licence is made.

Prevention of public nuisance	<input type="checkbox"/> yes <input checked="" type="checkbox"/> x
Protection of children from harm	<input type="checkbox"/> yes

<b>Please summarise your concerns about this application:</b>
<p>There are at least 8 shops in close proximity in that area and already 6 advertise the selling of alcohol. Not a night goes by without arguments, shouting etc in Eastfield Road, fuelled by people having access to drinking all hours. Vehicles also get damaged by drunks kicking out. Already we have 67 reported incidents of anti-social behaviour and plenty more that don't get reported. There have been 22 violent crimes and it can be assumed that drink has played its part.</p> <p>That area is already known by the police for prostitution and drug dealing            It is bad enough during the day watching drunks staggering around and urinating in the street without encouraging more at night.</p>

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

This area is fast becoming another Millfield. Groups congregating outside that area already make it unsafe to venture past in the evenings and should be discouraged not encouraged as drugs and prostitution also take place. Surely now is the time to say enough is enough and stop the deterioration of what was once a pleasant street to live on.

**From:** Seyyed Naqvi <[redacted]>  
**Sent:** 15 October 2014 20:22  
**To:** Licensing  
**Subject:** Licence application -44 Eastfield Road

To whom it may concern,

I am writing to lodge my official objection against the licence application for the above named property.

It is my view that the area is already saturated with alcohol outlets which has been the main contributing factor to the rapid decline in the area.

To grant a further application to sell alcohol on Eastfield road would be an irresponsible act.

I would also suggest, that an urgent review needs to take place regarding the existing licensed premises on Eastfield road, with a view to revoking or restricting the hours of licensing until 10pm.

I have personally witnessed many of the shops selling alcohol to underage children and selling alcohol beyond their official hours of trading.

Particularly prolific offenders are the shop on the corner of Eastfield Road and Padholme Road and the shop on the corner of Monument street.

Enough is enough. The residence of Eastfield road should not have to live, and be punished by, the ill consequences of thoughtless planning decisions. The council has a responsibility to reverse this wheel of misfortune as a matter of urgency.

Yours faithfully

Mr Seyyed Naqvi

**Subject:** Licence application objection - 44 Eastfield Road "Kim's Store"

To whom it may concern,

I am writing to register my objection to the licence application by Kim's Store of 44 Eastfield Road, PE1 4AN, for a licence to sell alcohol from 9am to 2am 7 days a week.

As a local resident (St Mary's Close), I neither feel that there is a need for additional outlets for the sale of alcohol as the area is already saturated, nor do I feel that this application would be beneficial to the area as a whole given the existing problems with anti social behaviours including Street drinking and alcohol related violence and intimidation.

Thank you in advance for recognising my objection.

Regards, Stephen Rotondo

LICENSING

Dear Sirs

**Kim's Stores, 44 Eastfield Road, Eastfield, Peterborough, PE1 4AN – Application for Premises Licence**

May I object to the above application?

I feel that granting a licence to sell alcohol for 17 hours a day would be detrimental to the residential amenity of the area, and exacerbate issues of antisocial behaviour, street drinking, vandalism, and casual violence already witnessed in the Eastfield area.

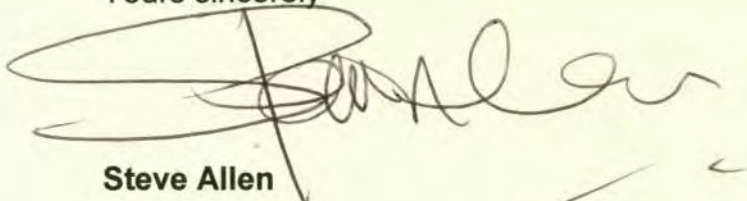

These problems have already been recorded by the Police.

I feel this application is contrary to current efforts by the City Council and other agencies to improve the area and clamp down on drunken behaviour which threatens the quality of life and amenities of all residents.

The area is already over provided for by shops retailing alcohol, with the amount of booze outlets reaching saturation point.

I urge the Committee to refuse the application.

Yours sincerely

Steve Allen

**Importance:** High

11 October 2014

### TO WHOM THIS MAY CONCERN

I am writing to oppose the application by Kim's Store, of 44 Eastfield Road, PE1 4AN for a license to sell alcohol from 9am to 2am seven days a week.

The grant of a licence to sell alcohol 17 hours a day would further exacerbate and increase the already existing problem of Street drinking in this residential area. I regularly witness Street drinking immediately outside the front door of my home, on the doorstep, as people congregate, frequently sitting on the pavement to consume alcohol.

This anti-social behaviour leads to casual violence, vandalism and intimidation against other things and **I DO NOT** want it on my doorstep.

Regards

Sue Cant

Signatories on attached list.

Re: Alcohol Sales Licence Application from Mr Abdul Latif Hussant from September 17<sup>th</sup> 2014  
for the KUBUZ shop at 44 Eastfield Road PE1 4AN

List of objecting residents, see attached

We have listed below our grievances and reasons of the objection to grant an alcohol Sales licence to the above applicant by all residents who have signed this petition and objection. It is our expectation that in presenting you with this petition the rejection of such application by this applicant will be at least upheld for 12 months or longer, to see if the scene in Eastfield Road and adjacent area will improve before any new application can be even be considered.

We have been numerous times in touch with the Police, Peterborough Council and spoken over time with a range of officers and departments about the unbearable and unacceptable situation in Monument Street, Eastfield Road, Monument Court, Gloucester Place and other immediate affected Streets around here. The Licencing department and Police will have a well-documented lists of past and present incidents of requests of attendance and action in our area.

It is well known to your organisations, that we have been reporting over a very long period the disruption and grief caused by mainly East Europeans and other undesirable characters being drunk, loud, accosting women, using the area as a toilet and leaving their cans and litter strewn across the street and pavements.

Again, the neighbours have organised a list of signatures on a petition to try to get you to understand the gravity of this issue seriously undermining the peace and quality of life in this area, by resolving most of this problem by reviewing the licencing hours of all shops.

It should be noted that despite the great deal of signatures collected, many people are literally scared to give names or signatures, believing that they could be targeted and the total number of signatories could easily be double the number.

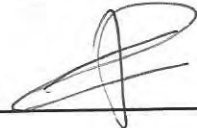

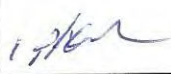

It should be noted that we experience an increased aggressive attitude and more aggression from these same people when they are asked to move on as they keep children awake, but they just come back with the comment that 'the Police lets then do what they want' and do not care. We do not believe that but it simply demonstrates that they know you cannot come out due to under manning or other emergencies, such is their arrogance.

The root cause is generated over the last two years, because of the extortionate proportion of alcohol selling premises in Eastfield Road, which seem to be operating unlimited hours and serve the same alcoholics unchecked and unlimited. It appears that the problems from Lincoln Road have now shifted or spread to our neighbourhood and we are now saddled with the persistent drunks and misfits that have been thrown out of Lincoln Road.
