Subject: Rylas Limited, 489A Lincoln Road, Peterborough

Dear Licensing Team,

I had no idea that the premise falls within the Council's Cumulative Impact (CI) area for alcohol licensing, as I was writing my application by my self.

I would like to add these to my four licensing objectives

- As I mentioned in my application my premises is monitored by CCTV internally and externally. All recordings are available on request for 30 days
- The premises licence holder will be on duty at the premises at most times that the premises are open to the public.
- Internal and external lighting fixed to promote the public safety objective
- Customers will be asked not to stand around loudly talking in the street outside the premises. Customers will not be admitted to premises above opening hours.
- All employees of the premises will receive initial and regular 6 monthly refresher training by the premises licence holder with regards to the conditions attached to the premises licence and the law in relation to the Licensing Act 2003. All training will be recorded and up to date training records of all training given and by/to whom, will be maintained at the premises and produced and made available for immediate inspection upon request.
- Any incidents of crime and disorder will be recorded in an incident register which will be produced and made available for immediate inspection upon request by the Police
- No persons will be allowed to enter or remain on the premises if they are displaying any signs of drunkenness through speech, manner or tone, or their disposition or steadiness on their feet
- Any persons who appear to be under the age of 25 will be challenged to produce identification prior to being allowed to purchase alcohol. The only acceptable forms of customer identification will be a valid passport, valid photo ID driving licence or a PASS approved document.
- The fact that Challenge 25 is in operation will be displayed inside the premises, at the main entrance to the premises and through any advertising, any literature, notices or websites promoting the premises.

Regards
