Re: License Review – Madina Kebab House, 65 Gladstone Street, Peterborough.

Madina Kebab House is a Late Night Refreshment (LNR) establishment and operates under a premises license (PL No: 067719) issued by Peterborough City Council (PCC). The premises license holder is Amjid Ali Hussain, 12 Craig Street, Millfield, Peterborough. The license was issued in accordance with the Licensing Act 2003 to allow the sale of hot food and drink between 23:00pm and 01:00am daily. The premises is open between 10:00am and 01:00am daily.

On 13<sup>th</sup> March 2015, a joint team from Immigration Enforcement and Cambridgeshire Police executed a Section 28B Warrant at the premises. Five persons were found within the kitchen staff area, 4 were identified as illegally working, and confirmed as illegal immigrants / over stayers and arrested. The premises license holder was contacted and invited to attend the premises. He declined.

Notably, In December 2014 Immigration officers had to abandon an inspection at the same premises on the advice from the Police due to escalating tension and threats of violence during the visit. Information gathered at the time identified up to 7 illegal workers at the premise and it was therefore deemed essential to revisit and tackle the issue of illegal workers.

This case - investigated by Immigration Enforcement who have served notice on the premises license holder - remains an ongoing investigation. The premises and premises license holder (owner) is connected with the employment of numerous persons who cannot lawfully be employed. This is a serious breach to the licensing objective of preventing crime and disorder.

Cambridgeshire Constabulary wish to review the premises license for Madina Kebab House. S.182 Guidance of the Licensing Act 2003 - para 11.27 –

*“There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously” –*

Such activity includes –

*“ . . . knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person’s leave to enter”.*

Para 11.28 –

*“Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the license – even in the first instance is seriously considered”.*

Illegal working has harmful social and economic effects within the UK, it undercuts British businesses and their workers that stay within the law and exploits migrant workers. As long as there are opportunities for illegal working, the UK will remain an attractive place for illegal immigrants. Partners are working very hard to impact and disrupt employers breaking the law by taking tough action against those who do so.

There is evidence that illegal workers are paid less than the minimum wage, do not pay tax, and may be doing work that breaches health and safety regulations. Employers who use illegal workers may do so to exploit a vulnerable person, may be connected with human trafficking and avoid providing national minimum standards such as the minimum wage or paid holiday. This is extremely harmful to the exploited workers and enable dishonest employers to gain an unfair advantage over competitors who operate within the law of the United Kingdom.
