4. OUTCOME OF PETITIONS

4.1 Petition relating to Parking along Nottingham Way

This petition was presented to Council on 15 April 2015 by Councillor John Shearman on behalf of residents of Nottingham Way. The petition outlined the concerns of the residents, this being the increase in the number of vehicles parking along Nottingham Way, particularly in the stretch close to Newark Avenue. The purpose of the petition was to obtain the following objective:

1. To request that the Council extend the current parking restriction further along Nottingham Way in order to eliminate the nuisance of cars, not belonging to residents or their visitors, parking along the road.

The Council’s Group Manager, Peterborough Highway Service, responded stating that “an onsite meeting would be convened with Councillor Shearman and local residents along with the Council’s Network and Traffic Manager. This meeting would enable explanation of the possible options in terms of parking restrictions that could be used and how these would impact on the residents in terms of their own parking and that of their visitors. Further

explanation of how any parking restrictions could be taken forward through the necessary statutory process would also be outlined”.
