SUBSIDISED PASSENGER TRANSPORT SERVICE PROVISION

The Cabinet Member for Communities and Environment Capital proposes that Cabinet consider a revised recommendation following a meeting of the Cross Party Budget Working Group on 14th September 2015, which considered the recommendations of the Subsidised Passenger Transport Cross Party Working Group regarding the potential increase in the subsidised passenger transport budget.

RECOMMENDATIONS	
FROM : Cross Party Budget Working Group	Deadline date : <i>n/a</i>
<p>That Cabinet considers the recommendation of the Cross Party Budget Working Group that the recommended increase should be deferred and considered as part of the Phase 2 budget setting proposals, so that this potential increase can be considered within the wider context of the Council's overall budget for 2016/17 onwards.</p>
