

<b>PLANNING AND ENVIRONMENTAL PROTECTION COMMITTEE</b>	<b>AGENDA ITEM No. 7</b>
<b>10 November 2015</b>	<b>PUBLIC REPORT</b>

Cabinet Member(s) responsible:	Cllr Peter Hiller - Cabinet Member for Growth, Planning, Housing and Economic Development	
Contact Officer(s):	Gemma Wildman (Principal Planner)	Tel. 863824

## PETERBOROUGH PRELIMINARY DRAFT LOCAL PLAN

<b>RECOMMENDATIONS</b>	
<b>FROM :</b> Corporate Director of Growth and Regeneration	<b>Deadline date :</b> Cabinet 14 December
The Committee is requested to offer any comments on the Preliminary Draft Local Plan before it is submitted to Cabinet on 14 December for approval for the purpose of public consultation in January 2016.	

### 1. ORIGIN OF REPORT

- 1.1 This report is submitted to the Planning and Environmental Protection Committee following the approval of the council's Local Development Scheme (LDS) by Cabinet in July 2015, which identifies that the council will prepare a Preliminary Draft version of the Local Plan for public consultation in January 2016.

### 2. PURPOSE AND REASON FOR REPORT

- 2.1 The purpose of this report is to enable the Committee to comment on the Preliminary Draft Local Plan before it is submitted to Cabinet on 14 December for approval for the purpose of public consultation in January 2016.
- 2.2 The Preliminary Draft Local Plan can be viewed at Appendix 1.
- 2.3 This report is for Committee to consider under its Terms of Reference No. 2.5.1.5 of Part 3 of the Constitution 'To be consulted by, and comment on, the Executive's draft proposals for Local Development Documents within the Local Development Framework at each formal stage in preparation'.

### 3. TIMESCALE

Is this a Major Policy Item/Statutory Plan?	<b>YES</b>	If Yes, date for relevant Cabinet Meeting	<b>14 December 2015</b>
---	------------	---	-------------------------

### 4. Peterborough Local Plan (Preliminary Draft)

- 4.1 In July 2015 Cabinet agreed prepare a new Local Plan. We are reviewing the Local Plan for the following reasons:
- The Core Strategy is now four years old and pre dates the NPPF
  - Updated housing forecast and needs data has been published
  - 'Five year land supply' issues

- Availability of suitable employment land

4.2 The council is preparing a new Local Plan that will set out how the city and surrounding villages will grow and change over the next 20 years. It will replace the following adopted Development Plan Documents (DPDs), which in effect will be merged in to the new single Local Plan:

- Core Strategy DPD (2011),
- Site Allocations DPD (2012),
- Planning Policies DPD (2012) and
- City Centre DPD (2014).

4.3 The existing DPDs are relatively recent and all have been updated in the last five years, therefore it is not necessary to re write a new plan from scratch. Many of the existing policies are proposed to be included in the new Plan.

4.4 The Preliminary Draft version of the Local Plan will set out the broad distribution for growth and will extend the existing plan period from 2026 to 2036. The new Local Plan proposes to set the following growth targets:

<b>Peterborough Local Plan Growth Targets 2015 to 2036</b>	
Housing requirement	23,907 dwellings
Employment requirement	22,024 jobs

4.5 At this stage the attached plan does not identify the precise sites required to deliver the housing and jobs growth targets. As part of the consultation process we will ask the public, developers, landowners, agents and parish councils to suggest sites for future housing, employment, retail, leisure and other provision, that are available and deliverable. All sites will be assessed, in spring 2016, against a detailed assessment criteria and the preferred sites will be included in the next version of the plan due for public consultation in July 2016.

4.7 The Preliminary Draft version of the Local Plan is structured as follows:

**Part A** – sets the overall vision and objectives for the future of Peterborough and the surrounding villages. This links closely to the council’s Environment Capital Action Plan.

**Part B** – Identifies the broad distribution and areas for future housing and employment.

4.8 It is proposed that the overall development strategy is to continue that set out in the adopted Core Strategy and to focus the majority of new development in and close to the urban area of Peterborough, with limited development in the rural areas. The individual sites required to meet the growth targets set out above, will be identified in the next version of the plan due to be published in summer 2016.

4.9 It also proposes a Settlement Hierarchy that ranks each settlement according to its size and range of services and facilities, this helps to guide the scale and location of new development. It also helps to protect the character of the landscape by placing restrictions on development outside the defined settlement boundaries. Following a detailed review of all village services and facilities the policy does not propose any changes to the hierarchy established in the adopted Core Strategy.

4.10 **Part C** – includes the detailed policies, criteria and standards that will be used in determining planning applications. The draft Local Plan will include policies (or options, as appropriate) relating to issues such as:

- Housing – the proposed policy ensures that new housing which will meet the needs of all communities is delivered. It includes the need for a range of types and size of homes, including affordable housing. There are also specific policies about meeting the need for prestigious homes and to identify plots for self-build properties; and a

policy that sets the criteria for determining if a site for Gypsy and Travellers would be suitable or not. This is based on the existing criteria as set out in the Core Strategy.

- Transport – The proposed policy is based on the principles set out in the emerging Local Transport Plan, it includes a number of different options for car parking standards.
- Infrastructure – the proposed policy ensures that the future growth is supported by the necessary infrastructure such as schools, roads and health and community facilities. This links to the council's adopted Developer Contributions SPD and the Community Infrastructure Levy. A further policy highlights areas of land to be safeguarded for future infrastructure projects, such as road improvements or junction enhancements.
- Retail and other town centre development – this proposed policy places the city centre at the top of the hierarchy in terms of retail, leisure, cultural and tourism facilities, in line with national policy.
- Urban design – the proposed policy identifies the design principles that must be met by all new development, as well as the detailed requirement for new residential development to make sure there is no unacceptable impact on the amenity of nearby properties. This is based on the design principles set out in the adopted Core Strategy.
- Historic Environment – this proposed policy aims to protect, enhance and conserve the important heritage assets throughout Peterborough through the special protection afforded to listed buildings and conservation areas.
- Open Space – the proposed policy looks to protect existing green open space and will set requirements for provision within new development.

The plan also includes a new policy to protect Local Green Spaces as set out in national policy. Therefore local communities are asked to put forward sites they would like to be considered.

The draft Local Plan also carries over the existing Green Wedge policy that protect specific areas that are under considerable pressure for development and which, if built on would result in the coalescence of urban areas with nearby settlements.

- Biodiversity - the proposed policy protects designated international, national and local wildlife sites from development that could harm the habitat or protected species.

- 4.11 Each policy and all reasonable alternative options will be assessed against the council's sustainability framework which is linked to the council's Environment Capital Action Plan.

## **5. CONSULTATION**

- 5.1 Subject to council approval public consultation on the Preliminary Draft Local Plan will take place in January 2016, in accordance with the requirements set out in the Statement of Community Involvement (SCI).

## **6. ANTICIPATED OUTCOMES**

- 6.1 It is anticipated that Committee will offer comments on the Preliminary Draft Local Plan. These will be presented to Cabinet, which will take them into account in reaching a decision on recommending Plan for public consultation.

## **7. REASONS FOR RECOMMENDATIONS**

- 7.1 Committee is recommended to make its comments known to assist Cabinet in reaching its decision. Cabinet will be recommended to approve the Preliminary Draft Local Plan for public consultation in January 2016.

## **8. ALTERNATIVE OPTIONS CONSIDERED**

- 8.1 The alternative option of not preparing a new Local Plan was rejected by Cabinet in July 2015 as part of the approval of Local Development Scheme.
- 8.2 The alternative options for each policy will be assessed as part of the Local Plan Sustainability Appraisal Report to be published in January 2016 alongside the Preliminary Draft Local Plan for public consultation.

## **9. IMPLICATIONS**

- 9.1 The Preliminary Draft Local Plan will have implications for all sectors of the community throughout the Local Authority area.

Legal Implications - The Council must follow due Regulations in preparing the Local Plan. Eventually, once the final document is adopted in 2018, the council has a legal duty to determine planning applications in accordance with the plan.

Financial Implications - There are no immediate financial implications flowing from the approval of the Preliminary Draft version of the Local Plan simply because this is not the 'final' plan. However, Members should be aware of two future financial implications:

- (a) The council owns land that may be identified for future development and there could be financial implications on the value of that land. To be clear, all council owned land will be assessed and treated like all other proposed areas for development.
- (b) There could be indirect financial implications arising from the development of sites (e.g. provision of infrastructure and services for the new residents, Community Infrastructure Levy monies and s106 arrangements, and increased business rates, council tax or other receipts).

## **10. BACKGROUND DOCUMENTS**

- Peterborough Core Strategy (February 2011)
- Local Development Scheme (July 2016)
