

**PETERBOROUGH CITY COUNCIL – NOMINATIONS TO OUTSIDE ORGANISATIONS 2016 - 2017**

May 2016

“Councillors appointed as Trustees are personally responsible to the Trust as a Trustee (quite distinct from their duties as members) and are liable for any mismanagement or breaches of Trust because they are required to act in good faith and for the benefit of the Trust at all times. There are strict requirements for Trustees to administer/manage the Trust property for the benefit of the Trust (and not for any other purposes) and in accordance with the express terms of the Trust document.”

- Peterborough City Council Constitution, Part 3, Delegations Section 5 – Appointments to External Organisation

**COMMUNITY ENGAGEMENT**

For seats in the **community engagement** category, excluding any allocated automatically by virtue of office, the total number of seats available across all organisations in the category will be calculated. Seats will then be allocated equitably amongst the Council's declared political groups, as far as is reasonably practicable reflecting the political balance of the Council. The final allocation does not have to be exactly proportional, provided that distribution is equitable.

Not necessary to fulfil strategic or executive function but still beneficial in terms of leading, engaging and supporting the community: District wide-role.

**PETERBOROUGH CITY COUNCIL – NOMINATIONS TO OUTSIDE ORGANISATIONS 2016 - 2017****LOCAL ENGAGEMENT**

Seats in the **local engagement** category, excluding any allocated automatically by virtue of office, will be allocated having regard to the political composition of the ward(s) most closely affected. The expectation is that local candidates will be considered ahead of other nominees for representation.

Local engagement appointments are an opportunity for Ward Councillors and other Councillors to work closely with the communities that they represent. A limited number of the appointments are on the basis of statutory guidance, but the majority appointed following requests from local organisations.
