

## Appendix 1 - Attendance (Absence) Outcomes Trend for Peterborough State-Funded Schools by Phase

Lower outcomes are better.

A negative number (blue) means better performance than the comparator.

A positive number (red) means worse than the comparator.

Gap to National means the difference between outcomes in Peterborough and the National Average

SNs = Statistical Neighbour Las

Overall Absence = the % of sessions missed for any reason when aggregating all pupils of compulsory school age

Persistent Absence = the % of pupils with absence rates above 15% (for 2016+ this will be 90%)
