There were no Call-In's for the Commission to consider during 2015-2016.

3.2 For the information of the Commission a list of any recommendations made during the year are attached at Appendix 1.

4. WORK PROGRAMME 2016/17

4.1 The Commission is asked to consider the work undertaken during 2015-2016 and make recommendations on the future monitoring of any of these items where necessary.

4.2 In preparing a work programme for 2016-2017, the Commission is requested to consider its functions as set out in the terms of reference:

To discharge overview and scrutiny functions, including call-in, in relation to any area within the remit of the Scrutiny Committees which has potential for significant impact on the health of the communities of Peterborough.
Hold the Executive to account for the discharge of functions in the following ways: <ul style="list-style-type: none"> • by exercising the right to call-in, for reconsideration, decisions made but not yet implemented by the Executive or key decisions which have been delegated to an officer. • by scrutinising Key Decisions which the Executive is planning to take, as set out in the Forward Plan • by scrutinising Executive decisions after they have been implemented, as part of a wider policy review.
To review and scrutinise the planning, decisions, policy development, service provision and performance relating to the following service areas: <ul style="list-style-type: none"> • Adult Social Care • Public Health • Safeguarding Adults • Scrutiny of the NHS
To scrutinise the agencies, mechanisms and processes involved in delivering services which have an impact on the health of communities.
To contribute to the development of policies, strategies and plans in relation to the delivery of health services.
To establish time limited working groups to undertake specific enquiries.

To undertake all of the Council's statutory functions in accordance with section 244 of the National Health Service Act 2006, to review and scrutinise matters relating to the health service within the Council's area and to make reports and recommendations to local NHS bodies. This will include appointing members, from within the membership of the Commission, to any joint health overview and scrutiny committees with other local authorities.

To consider any appeals from petition organisers who are not satisfied with the outcome of the Council's consideration of their petition.

- 4.3 A draft work programme which shows the items identified for scrutiny at the work programming session held on 13 June is attached at Appendix 2.

5. BACKGROUND DOCUMENTS

Used to prepare this report, in accordance with the Local Government (Access to Information) Act 1985
