<p>15 November 2017</p> <p>Adult Social Care 'Front Door' Transformation Programme</p> <p>NOTE: Monitoring of this item will now come under the Adults and Communities Scrutiny Committee</p>	<p>Scrutiny Commission for Health Issues recommended the following areas for specific focus for the Adult Social Care 'Front Door' Transformation Programme:</p> <ol style="list-style-type: none"> 1) Ensuring that the appropriate level of staff was in place; 2) Placing sufficient focus on managing the culture change; and 3) Undertaking consultation with service users and affected staff. 	<p>Service Director, Adult Services and Communities</p>	<p>The Adult Social Care front door transformation programme has a programme lead, project resource and stakeholders in place to ensure successful delivery of the front door programme. The programme lead also works alongside the programme manager for the digital front door thus ensuring that benefits and opportunities can be fully realised. Both programmes have completed an impact change assessment for internal and external communication and cultural changes requirements which has been presented to the council's Organisational Change Board to provide the resource to support the programmes. Finally, consultation in line with the council's governance process will be undertaken including where appropriate an equality impact assessment.</p>
