5. WORK PROGRAMME 2017/2018

5.1 The Committee is asked to consider the work undertaken during 2016-2017 and make recommendations on the future monitoring of any of these items where necessary.

5.2 At a recent work programming session held for each of the scrutiny committees it was suggested that more frequent monitoring of recommendations should be put in place for each scrutiny committee. The Committee is therefore asked to consider how they may wish to monitor future recommendations going forward and whether they require a standing item on the Committees agenda. A suggested format for recording recommendations and responses received would be to use the same format as that used to report last year's recommendations which can be found at Appendix 2 of this report. This report can be provided at each meeting to note the outcome of any recommendations made at the previous meeting held and provide an opportunity for the Committee to request further monitoring of the recommendation should this be required and assist the Committee in assessing the impact and consequence of recommendations made at previous meetings.

5.3 This proposed way forward will be presented to each Scrutiny Committee at the first meeting of the year.

5.4 In preparing a work programme for 2017-2018, the Committee is requested to consider its functions as set out in the terms of reference attached at Appendix 3 - Part 3, Section 4, Overview and Scrutiny Functions and Terms of Reference.

5.5 A draft work programme which shows the items identified for scrutiny at the work programming session held on 17 May 2017 is attached at Appendix 1 for consideration.
