The Education Conference was held. As a result, action groups are being established to address issues related to data collection and the better use of data to target resources effectively and help to raise attainment in schools. Further groups will be established to address issues of the impact of high mobility rates in some schools and the recruitment and retention of high quality staff in schools. These groups will be supported by a further group which will address the issues of low attainment amongst groups of vulnerable pupils. 	Ongoing
