

Peterborough City Council
Audit Progress Report

November 2017

7 November 2017

Dear Members of the Audit Committee

This document provides the Committee with a report on the progress of our audit of the Council's 2017/18 statement of accounts and is part of our commitment to ensuring that our audit is aligned with the Committee's service expectations.

Also on the agenda for the Committee is the Annual Audit Letter for 2016/17. We agreed our detailed Audit Plan with you for that year at the Audit Committee on 27 March 2017.

We will be issuing our 2017/18 Audit Plan for discussion with officers in December 2017, and it will be presented at the February 2018 committee.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audit.

Yours faithfully

01 Executive Summary

Executive Summary

Audit Planning

In November and December we will be completing our planning procedures for the 2017/18 (FY18) audit. This will comprise:

- ▶ Meetings with key staff to discuss the significant risks facing the Council; and
- ▶ Updating our understanding of the Council and its business.

The work we undertake at the planning stage informs our approach to the opinion audit and our value for money conclusion as set out in our audit plan. We will issue the audit plan for discussion with officers in December 2017, and we will present it to the next Audit Committee in February 2018.

Value for money conclusion

As part of our planning procedures, we consider the Council's significant risks in respect of value for money arrangements.

We anticipate that the budget pressures facing the Council will be a significant risks and we will plan appropriate procedures to understand the Council's arrangements for managing the associated risks.

Audit of the statement of accounts

- ▶ We audit the Council's Statement of Accounts in line with the NAO Code of Audit Practice (the Code), the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirement.
- ▶ We will present an audit plan to the Audit Committee in February 2018, which will detail the significant risks related to our opinion audit.

The Accounts and Audit Regulations 2015 introduced a significant change in statutory deadlines from the FY18 financial year. From that year the timetable for the preparation and approval of accounts will be brought forward with draft accounts needing to be prepared by 31 May 2018 and the publication of the audited accounts by 31 July 2018.

Following the completion of the FY17 audit we met with the finance team to identify what worked well and areas for improvement. We also agreed areas of focus for supporting the achievement of the earlier deadlines.

Our interim audit in January/February 2018, will comprise:

- ▶ Undertaking walkthroughs of key financial systems and test of controls where applicable.
- ▶ Early work on valuations and depreciation, accounting policies, month 1 to 8 testing of income and expenditure, payroll sampling, and any other areas that the finance team can make available for an early audit.
- ▶ Early use of analytics, to enable us to capture whole populations of your financial data, in particular journal entries. Analytics help identify specific exceptions and anomalies which we can then focus substantive audit tests.

We have agreed with the finance team to commence the final accounts audit visit on 14 May 2018.

02 Timetable

Resources and Finance Committee timeline

- ▶ We have set out below a timetable showing the key stages of the audit, including the value for money work and the whole of government accounts, and the deliverables we have agreed to provide to you through the 2017/18 Audit Committee cycle.
- ▶ We will provide formal reports to the Audit Committee throughout our audit process as outlined below. From time to time matters may arise that require immediate communication with the Audit Committee and we will discuss them with the Audit Committee Chair as appropriate.
- ▶ Following the conclusion of our audit we will prepare an Annual Audit Letter in order to communicate to the Council and external stakeholders, including members of the public, the key issues arising from our work.
