FOREWORD FROM THE CHAIRMAN OF AUDIT COMMITTEE

I am pleased to provide the Audit Committee's Annual Report for the municipal year 2017 / 2018. The Council is requested to note the work carried out by the Audit Committee in improving the governance arrangements across the Council.

The report shows how the Audit Committee has continued to make a positive contribution to the Council's governance and control environments. These cover all aspects, such as internal control; risk management; internal audit; anti-fraud; external audit; and financial reporting. In addition, it also covers the remit of Member standards.

I would like to take this opportunity to give thanks to Committee Members and Officers for their contribution in supporting the Audit Committee's work during the year and my role as Chairman. Audit Committee Members have supported and challenged officers to ensure our risk, control and governance processes are effective and transparent. Officers have presented well-prepared reports and taken on suggestions to make sure the benefits of this Committee are passed onto our citizens.

Going forward, 2018 / 2019 will be a testing time for all Councils with the resources available becoming more important. How we risk manage our priorities, resources and partnerships will be vital, notwithstanding the risk of fraud. The Audit Committee holds a unique position to challenge and scrutinise the activities of the Council, with the support of Officers and my fellow Councillors, long may this continue.

INTRODUCTION

This is the 10th annual report produced by Peterborough City Council's Audit Committee. It is produced in accordance with latest best practice¹ and shows that the Council is committed to working as an exemplary organisation, operating the highest standards of governance. This report demonstrates how the Audit Committee has successfully fulfilled its terms of reference and has endeavoured to improve the Council's governance and control environments.

The Audit Committee was established by the City Council at its meeting in May 2006. Following its first year of operation, the membership was reduced from 10 to 7 members. The Membership had increased to 8 in 2015/16, but has since reduced from 2016/17 to 7.

The purpose of the Audit Committee is to provide independent assurance of the adequacy of the risk management framework and the associated control environment, independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the Authority's exposure to risks and weakens the control environment, and to oversee the financial reporting process.

The key benefits of an Audit Committee can be seen as:

- Raising greater awareness of the need for internal control and the implementation of both internal and external audit recommendations;
- Increasing public confidence in the objectivity and fairness of financial and other reporting;
- Reinforcing the importance and independence of internal and external audit and similar review processes; and
- Providing additional assurance through a process of independent and objective review.

The Terms of Reference for the Audit Committee can be found at **Annex A** of this report.

¹ Best practice as contained in the Chartered Institute of Public Finance and Accountancy (CIPFA) document "*A Toolkit for Local Authority Audit Committees*"

This report sets out the work undertaken by the Audit Committee for 2017 / 2018 and specifically highlights those areas where its scrutiny and review process has made a difference to performance. The Audit Committee has overseen good progress in all areas under its supervision.

Audit Committee members have had the opportunity to attend the Ernst & Young training conferences offered to Audit Committee Members across the East of England region.
