To Whom It May Concern

**Re: Mr Razak Karim -**

We can confirm that we act as the accountants to the above named individual.

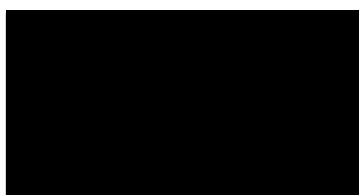

Mr Karim has recently set up a new start up business venture at 41 Lincoln Road, Peterborough, PE1 2RH. Our client has heavily invested capital into this new venture which set up with the intention to trade as a grocery store serving the local and wider customer base that walk into the town centre.

Mr Karims' cash flow took into consideration the revenue that he would generate from the sale of grocery products and from our clients information and explanations supplied it seems that due to the fact that grocery products alone are not generating enough revenue to cover the high fixed costs of rent, business rates, wages and utility bills which is adversely affecting the business and its cash flow and he is struggling to meet these payments and the business will no longer be viable on the revenue being generated currently.

Our client strongly believes that the addition of introducing alcohol as an ancillary purchase to the consumables that are already being sold he would be able to increase his revenue and would make his business more stable without having to incur any further expense.

Should you require any further clarification on this matter please do not hesitate to contact us.

Yours Sincerely

To Whom it may concern

This is a personal reference for Mr Razaq Karim of [REDACTED] have known Mr.Karim personally now for over 8 years, i have always found him to be very polite & courteous, Mr Kareem was also employed by myself for a short period at my garage. I have leased Mr.Karim my property [REDACTED] where he has set up a food & off licence business, i cannot see any concerns for issuing Mr Karim a licence to operate his business. He is a very friendly, honest, reliable & very hardworking person. He has spent alot of money to make his grocery store look absolutely stunning, i don't think there is another Grocery store like it in the vicinity.
