It operates within an equally dynamic economic environment. The recent Cambridgeshire and Peterborough Independent Economic interim report highlighted the fast rate of economic and employment growth in the region, and the importance of planning now to ensure that strong growth will be sustainable and more inclusive.</p> <p>The impact of working to deliver against the rapid pace of growth means that the Combined Authority will have an increasing level of business over the coming 12 months. Part 2 – Key Decisions		
2.1	Delivering the Mayoral Transport Strategy	The Cambridgeshire and Peterborough Combined Authority Order 2017 transferred the local transport planning powers to the Combined Authority and created the

Cambridgeshire and Peterborough Combined Authority as the local transport authority for the area.

The Combined Authority at its meeting in May approved the Mayoral Interim Transport Strategy Statement and committed the Combined Authority to undertaking a review of the features and timeframes for all transport corridors to ascertain their alignment with the Mayoral Interim Transport Strategy Statement (MITSS). The review has identified significant opportunities across the transport programme to save money, accelerate delivery and remove interim solutions that divert public money away from delivery of the long-term transport ambitions.

In particular, the review has identified that the projects A1307, A428 Cambridge to Cambourne and A10 and park and ride schemes can be delivered at lower cost by making some elements temporary and accelerating delivery of the Cambridge Autonomous Metro.

This report set out the findings of that review and asked the Combined Authority Board to approve the actions arising.

It was resolved to:

1. Note the relationship between the CPIER, Non-Statutory Spatial Plan 2, Local Transport Plan and Local Industrial Strategy as captured in section 2.1-2.6;
2. Agree to fully support the implementation of the transport ambitions set out in the Mayoral Interim Transport Strategy Statement (MITSS);
