The Millfield area is already flooded with shops selling alcohol. We already have a problem with discarded beer tins and alcohol bottles both on the street and being thrown into private residential gardens. There is an existing problem with anti social behaviour caused by on street drinking. Yet another alcohol outlet will make this situation worse. Furthermore, the hours applied for are 8am to 11pm which is excessive. Another alcohol outlet in this residential area is inappropriate and will lead to a further deterioration of the area with a negative impact on residents.

## **How to make a representation**

The statutory representation period begins the day after a valid application is received by the licensing authority and lasts for 28 consecutive days. During this time there must be at least one public notice in a local paper and a blue A4 public notice displayed on site for 28 consecutive days. The application will also appear on the public register.

Any representations must relate to one of the four licensing objectives below:

### **Prevention of crime and disorder**

This relates to any crime, disorder or anti-social behavior in connection with the management of the premises. The licence holder cannot be responsible for the conduct of individuals once they leave the premises.

### **Public safety**

This relates to the safety of the public on the premises - such as fire safety, lighting and first aid.

### **The prevention of public nuisance**

This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

### **The protection of children from harm**

This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law already provides special protections for children, such as making it illegal for children under 18 to buy alcohol.

We recommend that if you wish to object to an application for a premises licence, you use the representation form.

**Representations (objections) may not be made anonymously. Any representations that are received will be included in a report to the hearings panel. This report will be a public document and will be circulated to the parties involved prior to the hearing.**
