

Budget Risk Register - The following table highlights the risks which have been identified within the 2018/19 Budget

Dept	Risk	Description	Rag rating	£000	Preventative Management Action taken, or planned
Res	PSSP Indexation	The indexation claim on PSSP contract is still under negotiation with Serco.	Red		Talks are still in progress and hope to have a better view of position and impact at end of next month
Res	ADP resource plan	There are Business Transformation costs within the core PSSP contract that were assumed to be rechargeable as part the ADP resource plan. Some dispute over funding means this needs to be assessed and there is a risk of no funding built in to meet the current costs.	Red		Budget Manager working to gain an understanding the original position on what was in the core fee and what the ADP was designed to do, and then to compare that to what our costs are covering now, and ultimately where they should be funded from.
Res	Saving - Serco Variable Spend reduction	No confirmed extraction for this saving. IT consumable and machine spend has been reduced from previous year's spend via a gatekeeping process. However, overall variable spend with Serco has not yet reduced, due to ongoing programmes of work. Whilst budgets are in place for these works, these are mainly one off, and it has not been possible to make the planned ongoing budget reduction of £1m	Red	1,000	IT consumable and machine spend has been reduced from previous year's spend via a gatekeeping process but appropriate budgets to allocate these savings against are still being identified
Res	Saving - Business Transformation	No Notice of Change (NOC) in place for the achievement of this saving, which was a Serco led initiative leaving all Transformation spending to be funded on a project by project basis.	Red	225
