5 November 2018	Chief Officer, Cambridgeshire and Peterborough Clinical Commissioning Group	Primary Care Update Peterborough	The Health Scrutiny Committee RESOLVED to recommend that the Chief Officer, Cambridgeshire and Peterborough Clinical Commissioning Group review the practice in place by some GP Practices where patients are required to phone their GP at 08.00hrs in the morning to book an appointment and report back to the Committee.	The CCG can confirm that some practices advise their patients to call at 08.00 hrs to book a same day appointment. We encourage GP practices to work with their PPGs/patients to find the best ways to meet the patient needs. Practices all work in different ways to meet the access needs of their registered populations and offer a variety of different appointment types. Practices that offer triage prior to booking an appointment may also require their patients to call as early as possible so the patient can be called back in good time and offered appointments as necessary.
