<b>16 OCTOBER 2019</b>	<b>PUBLIC REPORT</b>

**EXECUTIVE AND COMMITTEE RECOMMENDATIONS TO COUNCIL**

**(a) Cabinet Recommendation - Cambridgeshire and Peterborough Minerals and Waste Local Plan - Proposed Submission**

At its meeting on 23 Sept 2019, the Cabinet received a report in relation to the Cambridgeshire and Peterborough Minerals and Waste Local Plan - Proposed Submission

**IT IS RECOMMENDED** that Council:

1. Approves the Proposed Submission ('Publication Draft') Minerals and Waste Local Plan as attached at Appendix A, for the purpose of both its final consultation for six weeks (at some point during November 2019 to January 2020 - if the consultation period includes the Christmas week, then consultation will run for eight weeks); AND its subsequent submission to the Secretary of State for the purpose of independent examination.
2. Approves the proposed Policies Map (including associated inset maps) as set out at Appendix B, for the purpose of consultation alongside the Local Plan consultation AND for subsequent submission to the Secretary of State for consideration alongside the examination of the Local Plan.
3. Delegates to the Head of Sustainable Growth Strategy any presentational improvements, factual updating, or other inconsequential changes (e.g. correcting typographical errors or factual inaccuracies) to the Publication Draft Plan or Policies Map that (taken together) do not materially affect the policies set out in the Local Plan prior to the consultation commencing, or changes necessary to address any minor amendments arising from the Plan's consideration by Cambridgeshire County Council's democratic process.
4. Delegates to the Cabinet Member for Growth, Planning, Housing and Economic Development authority to make more substantive changes to the Plan as attached, prior to consultation, provided he should see fit to do so, but only if it would help to address any more substantive suggested amendments arising from the Plan's consideration by Cambridgeshire County Council's democratic process.
5. Delegates to the Head of Sustainable Growth Strategy the ability to agree and consult upon a set of proposed modifications during the examination process (most likely at the very end of the examination process), if asked by the Inspector to do so.
