**MEDIUM TERM FINANCIAL STRATEGY 2020/21 TO 2022/23 – TRANCHE TWO – SCRUTINY RECOMMENDATION**

R E C O M M E N D A T I O N S	
<b>FROM: Joint Meeting of the Scrutiny Committees</b>	<b>Deadline date: 11 March 2020</b>
<p>It is recommended that Cabinet:</p> <ol style="list-style-type: none"> <li>1. Takes the reduction in CO2 emissions in the City more seriously, especially by ensuring properties acquired by the Council are energy efficient and CO2 neutral, including temporary accommodation for homeless people.</li> <li>2. Should reconsider the proposed increase in parking charges as this may reduce footfall in the town centre. Cabinet should instead consider making improvements to public transport to reduce the pressure on city centre car parking, increase town centre footfall and tackle climate change.</li> <li>3. Considers deferring the capital expenditure on the replacement of refuse collection vehicles so that models that are better value and more eco-friendly may be acquired in the future.</li> </ol>
