

Master plan

Opportunity to create up to 35,000m2 of space

University Site area circa 13.5 acres

Regional Pool

Conversion of the regional pool building into a student union complex with accommodation, restaurants, night club and bars

Future Development

A large scale (regional) events arena, with riverside bars and restaurants

Making best use of existing facilities

The Embankment site provides opportunity to integrate EXISTING sport and leisure facilities into the University campus; including leisure centre, Football pitches, Athletics track / Stadium

Use of open space

The open-space will continue to be used for open air beer, music and crafts festivals
