BRIEFING UPDATE

P & EP Committee 20 OCTOBER 2020

ITEM NO	APPLICATION NO	SITE/DESCRIPTION
1.	20/00708/FUL	Acorn Lodge Kennels And Cattery Thorney Road Eye Peterborough , Proposed replacement staff facilities, Vet room and one bed staff accommodation

Councillor Simons has emailed the following, in support of the proposal:

“I would like to thank the committee for allowing me comment on the application.

This family run business, are seeking a basic staff accommodation, within the existing Curtilage of their business. Although I appreciate it is classed as in the open countryside.

I feel you will agree it is on the edge of Eye Village.

Due to their contract with the RSPCA, they have animals arriving at unsociable hours.

Although their family accommodation is on site, they would prefer this basic staff accommodation, Separate from the family residence.

I fully support them in this, believing I would seek a similar solution if I was in the same predicament. I feel sure adequate conditions could be applied to this application.

I kindly ask the committee to support my views on this application and approve this application.”

Councillor Allen has emailed the following, in support of the proposal:

“I write in support of 20/00708/FUL

I believe the plans allow for the business to provide safe on-site accommodation for staff working late or overnight providing valuable service to the NSPCA.

The proposed building is within the curtilage the existing site, and its construction would not have any detrimental impact on the location, which although notionally rural actually sits at the end of the large village urbanisation and within its road structure.

I do hope Planning Committee will support for the application.”
