### 1. SUMMARY OF MAIN ISSUES

- 1.1 In response to the coronavirus (COVID-19) the government have made changes to many aspects of the economy providing support to businesses and individuals in various ways. As part of these measures the government are providing support to some businesses in a number of ways which are either linked to or directly reduce the business rate liability.
- 1.2 Although the government will fully fund these additional payments and reliefs through the use of grants payments, these are for local authorities to administer. The government are not making amendments to the primary legislation governing these payments as they are for a limited time only and are instead asking authorities to use their discretionary powers to administer them, which is in line with previous schemes albeit on a much smaller scale.

## 2. PURPOSE OF THIS REPORT

- 2.1 This report is for the Cabinet Member for Finance to consider the various relief and payments to be given to business ratepayers under paragraph 3.4.3 of Part 3, Section 3 of the constitution in accordance with the terms of their portfolio at paragraph (h).
- 2.2 With the approval of the Chairman of Growth, Environment, and Resources Committee, the urgency procedure, special urgency procedure, and waiver of call-in procedure have been invoked to suspend the requirement to publish notice of the decision for 28 days, to suspend the requirement to publish the decision for five days, and to subject the decision to a three day call-in period. These procedures have been invoked due to the nature of the scheme, the receipt of final guidance for its delivery, and the importance of it getting to its intended recipients as quickly as possible who are in financial difficulty due to COVID-19.
- 2.3 The Council have £4.045m of funding but potentially significant numbers of applicants and the Grant's period extends through the next financial year. This is why the Council have proposed 2 application process, one for this financial year and one for the 2021/22 financial year.
