

## HEALTH SCRUTINY COMMITTEE

Updated: 5 March 2021

## Outstanding recommendations from 2018/2019 and 2019/2020

Meeting date Recommendations Made	Portfolio Holder / Directorate Responsible	Agenda Item Title	Recommendation Made	Action Taken	Progress Status
5 November 2018	Chief Officer, Cambridgeshire and Peterborough Clinical Commissioning Group	<b>PRIMARY CARE UPDATE PETERBOROUGH</b>	The Health Scrutiny Committee <b>RESOLVED</b> to recommend that the Chief Officer, Cambridgeshire and Peterborough Clinical Commissioning Group review the practice in place by some GP Practices where patients are required to phone their GP at 08.00hrs in the morning to book an appointment and report back to the Committee.	<b>At the Group Representatives meeting held on 18 January 2021 at which a representative of the CCG was in attendance it was agreed that a report to follow up on this recommendation would be presented to the Committee in the new municipal year.</b>	Ongoing Item to be added to the 2021/2022 work programme.

18 September 2019	Director of Public Health	<b>BEST START IN LIFE STRATEGY AND CHILDREN'S PUBLIC HEALTH SERVICES</b>	The Health Scrutiny Committee <b>RECOMMENDED</b> that a letter be sent to the Local MP's asking them to lobby the Secretary of State for Health for an increase in the Public Health Grant for Peterborough.	<b>Dr Robin provided a verbal update at the meeting on 12 January 2021 as follows:</b> Update: Discussions had taken place and the focus now was on lobbying for the overall funding for Peterborough part of which was the Public Health Grant rather than writing a separate letter to MP's to lobby for the Public Health Grant. This recommendation had therefore been completed. <b>Dr Robin to provide an update on the funding at the March meeting if information available.</b>	Complete
7 January 2020	Director of External Affairs & Policy, Cambridgeshire and Peterborough Clinical Commissioning Group / Chief Executive, North West Anglia NHS Foundation Trust	<b>NORTH WEST ANGLIA NHS FOUNDATION TRUST - WINTER PREPARATIONS 19/20</b>	The Health Scrutiny Committee considered the report and <b>RECOMMENDED</b> that the pilot scheme currently being used at Hinchingsbrooke Hospital was progressed further and implemented at Peterborough City Hospital.	<b>The Committee received a report on the outcome of the consultation regarding the relocation of the Urgent Treatment Centre and GP Out of Hours Service at a meeting on 12 January 2021.</b>	Complete
7 January 2020	Director of External Affairs & Policy, Cambridgeshire and Peterborough Clinical Commissioning	<b>NORTH WEST ANGLIA NHS FOUNDATION TRUST FINANCIAL UPDATE</b>	The Health Scrutiny Committee considered the report and <b>RECOMMENDED</b> that a report be presented to the Committee in the next	<b>Report was presented to the Committee at its meeting on 3 November 2020.</b>	Complete

	Group / Chief Executive, North West Anglia NHS Foundation Trust		Municipal Year on public transport access at the hospital and the progress made on the green transport plan.		
7 January 2020	Director of Public Health / Chairman of Health Scrutiny Committee	<b>UPDATE ON QUALITY IN PRIMARY CARE SERVICES</b>	It is <b>RECOMMENDED</b> that the Committee write to the Health Secretary and the local MP's outlining concerns that the national contract for GP surgeries was not specific enough. The letter to include specific examples of inconsistencies within the system, including the 8 o'clock appointment system.	<b>Dr Robin provided a verbal update at the meeting on 12 January 2021 as follows:</b> A letter had been sent but a response had not yet been received.	Ongoing.
