DN617068	Director of Resources and S151 Officer	Resources	An Interim Director of Resources and S151 Officer was required at very short notice when the previous Director resigned from the post.	01/12/21	30/05/22	£58,500.00	£58,500.00	CIPFA Business
			An experienced director was required with immediate effect to fill not just the statutory \$151 function of the Council but also the responsibilities of a Director of the Resources. The interim post needed to be filled with a person who had a proven track record and experience, and who was also immediately available.					
			CIPFA had been contracted to work with the Council to provide consultancy resource to assist with the Improvement Plan. The CIPFA consultant who was already working with the Council was immediately available to cluff this role. They already had a good knowledge of the Council and its financial position and were already working on the Improvement Plan with the Council and DUCH					
			CIPFA were able to provide the resource at the agreed Consultancy rate of £975 per day which is in accordance with the consultancy contract in place following the Council's Improvement Plan.					
			The Council is in severe financial crisis and is working with DLUCH and CIPFA and an external Improvement panel to improve its financial resilience, and this role is crucial to that aim.
