1. ORIGIN OF REPORT

1.1 This report is submitted to the Audit Committee as a routine planned report within the 2022 / 2023 work programme of the Committee.

2. PURPOSE AND REASON FOR REPORT

2.1 The Terms of Reference for the Audit Committee (agreed at Full Council) set out the key roles of the Committee including the following "2.2.2.1 To consider the annual audit report and opinion of the Corporate Director Resources and a summary of internal audit activity (actual and proposed) and the level of assurance it can give over the council's corporate governance arrangements".

2.2 The purpose of this report provides an overall opinion on the soundness of the control environment in place to minimise risk to the council. It is based on the findings of the completed internal audits from the Annual Audit Plan 2022 / 2023 as at 30 September 2022.

4. INTERNAL AUDIT UPDATE

4.1 INTRODUCTION.

4.1.1 The details of the progress of the 2022 / 2023 plan are documented in Appendix A and Appendix B. Internal Audit utilise an assessment tool which allows us to continually assess risks and prioritise our work accordingly. As such, as well as listing the audits completed, this report details the audits we plan to conduct, or which are underway, based on our current assessment of risk. Audits which are new have been highlighted. We will continue to appraise risk and refine our audit plans, therefore those audits that have yet to be started could be replaced if risk levels change.

4.2 RESOURCES

4.2.1 The 2022 / 2023 plan was compiled on the basis of an in house team with an establishment of 6.1 full time equivalent staff (FTE). Within that establishment figure the Chief Internal Auditor (CIA) also has responsibilities for Investigations, Insurance and Complaints. Management of these activities included within the plan was budgeted to be just over 0.5 FTE bringing direct audit time to 5.6 FTE. One full time Senior Auditor post was vacant at the time of producing the plan, leaving 4.6 FTE resource, and therefore the original plan highlighted those audits that would not be achievable if the vacancy was not filled.

As at September 2022 the team has 2 Senior Auditor vacant posts resulting from a resignation and the death in service of a member of staff. Arrangements are presently underway to recruit permanently to those posts where it is hoped to have increased resources in place during January 2023.

4.2.2 The plan continues to highlight those audits that are not achievable within the currently available resource levels, but it remains highly flexible to respond to risks as they arise.

4.2.3 A sharing protocol with Cambridgeshire County Council has been developed to support the delivery of the plan where there is a vested interest in obtaining assurance where a shared service is in operation. It's aim is to avoid duplication and have the potential to use third party assurance where appropriate. Within the plan there are reviews that have been identified as part of this protocol with either PCC or CCC identified as the lead. Quarterly meetings are held to discuss the audits progress.

In addition to this 1 review relating to the Materials Recycling Facility is being undertaken by Fenland DC where there is a cross authority partnership in operation. PCC acted as the lead in the previous review that was undertaken.

4.3 PERFORMANCE AND OUTPUT

4.3.1 One of four levels of assurance is allocated to each audit review. These assurance levels are: SUBSTANTIAL; REASONABLE; LIMITED; and NO ASSURANCE. Where concerns have been identified resulting in limited or no assurance, the Executive Summaries for these reviews are included within Appendix C, once the review has been agreed and finalised. There are two reports that fall into this category at this time – National Non-Domestic Rates and Departmental Business Continuity.

4.3.2 Of the 62 audits planned for the year, 24 have been completed, 27 are in progress and 11 are yet to be started.

4.3.3 It is too early in the audit year to provide an overall opinion on the internal controls operating across the Council that have been subject to audit from the 2022 / 2023 audit plans. However, should any areas of significant concern occur the Committee will be advised at the earliest opportunity.

5. CONSULTATION

5.1 This report and accompanying appendices have been issued to the Director of Corporate Services and the Director of Law and Governance and Monitoring Officer.

6. CORPORATE PRIORITIES

6.1 The annual audit plan is developed to consider and include the corporate priorities of the organisation to ensure that it adds value and assists in the business achieving positive outcomes. Audit activities undertaken will link to one or more of the priorities below depending on the individual scope and the associated risk profile.

1. *The Economy & Inclusive Growth*
 - *Environment (including a summary of the outcome of a completed Carbon Impact Assessment, to be submitted in full to the Transport and Environment Team)*
 - *Homes and Workplaces*
 - *Jobs and Money*
2. *Our Places & Communities*
 - *Places and Safety (including any rural implications)*
 - *Lives and Work*

7. ANTICIPATED OUTCOMES OR IMPACT

7.1 That the Audit Committee is informed of Internal Audit's progress against the Annual Audit Plan. In addition, that the Audit Committee is made aware of any key control issues highlighted by our work.

8. REASON FOR THE RECOMMENDATION

8.1 The Council is subject to the Accounts and Audit Regulations and as such must make provision for Internal Audit in accordance with the CIPFA Code of Practice and the Public Sector Internal Audit Standards. It must also produce an Annual Governance Statement to be published with the Council's financial accounts. This report and associated papers demonstrate how the audit service is progressing against the audit plan and how it will contribute to the Statement.

9. ALTERNATIVE OPTIONS CONSIDERED

9.1 The alternative of not providing an Internal Audit service is not an option.

10. IMPLICATIONS

Financial Implications

10.1 During the year, Internal Audit reports will generate a series of recommendations. While implementing these may have resource implications for the various areas under review, Internal Audit discuss and agree recommendations with the auditee prior to the issue of the final audit

report. Therefore it is assumed that their implementation can and will be undertaken either with existing resources or with additional resources that they can readily call upon.

Legal Implications

- 10.2 The Internal Audit service is undertaken in accordance with the requirements of section 151 of the Local Government Act and the requirements of the Accounts and Audit Regulations. There would be a legal implication if an Internal Audit service was not provided for, and if mechanisms were not in place to carry out a review of internal control, governance and risk management as a basis for the Annual Governance Statement.

Equalities Implications

- 10.3 Not applicable.
