

COUNCIL	AGENDA ITEM No. 9(d)
7 DECEMBER 2022	PUBLIC REPORT

EXECUTIVE AND COMMITTEE RECOMMENDATIONS TO COUNCIL

FEES, CHARGES, AND INFLATION REVIEW

Cabinet, at its meeting on 14 November 2022, received a report in relation to a review of the Council's fees, charges, and inflation levels.

IT IS RECOMMENDED that Council:

1. Adopt the increases in Fees and Charges as outlined in the report and Appendix 1 to the report.

The original Cabinet report and a revised appendix are attached.

A number of small changes have been made to the fees and charges table for the bereavement service for the following reasons:

- to make minor wording changes to some service descriptions to ensure greater clarity for customers & funeral directors who access the service
- to correct a small number of prices to reflect intention and latest supplier costs
- to remove a small number of items which are currently not available to purchase

These revisions have no impact on the cash limits for the bereavement service.
