It is recommended that the Climate Change and Environment Scrutiny Committee agree the start time for all Climate Change and Environment Scrutiny Committee meetings for the Municipal Year 2023-2024.

1.1 This report is submitted to the Climate Change and Environment Scrutiny Committee meeting following the Full Council decision on 24 July 2019 to allow Committees to decide their own start times for each new Municipal Year.

2. PURPOSE AND REASON FOR REPORT

2.1 The purpose of this report is to allow the Climate Change and Environment Scrutiny Committee to discuss and agree the start times for meetings from the beginning of the Municipal Year 2023-24. The draft schedule of meetings will be agreed at a meeting of Full Council.

2.2 This report is for the Climate Change and Environment Scrutiny Committee to consider under Council Standing Order section 4.4.1

The timings of normal committee meetings will be agreed by the committee for the next municipal year in January of the preceding municipal year (or as near to this time as possible).

4. BACKGROUND AND KEY ISSUES

4.1 At the Constitution and Ethics Committee on 8 July 2019 the Committee agreed by majority to recommend to Council that all Committees can agree their start times for each Municipal Year. This was again agreed by majority at the Full Council meeting on 24 July 2019.

- 4.2 The Council standing orders have been updated to reflect this decision and gives Committees the opportunity to decide their own start time.
- 4.3 In order for the start times to be incorporated into the draft meeting schedule it is important for the Committee to make a decision on this before the relevant Full Council meeting.
- 4.4 Council standing orders allow the Committee to agree its start time every Municipal Year, thereby allowing the Committee to change the start times if it is felt that the start time was not suitable.
- 4.5 The Committee will need to decide the best start time and will need to weigh up attendance at meetings and the impact on the Council and members of the public.
- 4.6 The Committee start time in recent years has been 7pm.

5. CONSULTATION

- 5.1 Consultation has already taken place with the Constitution and Ethics Committee and all Councillors at Full Council in July 2019.

6. ANTICIPATED OUTCOMES OR IMPACT

- 6.1 It is anticipated that the Committee will agree a start time for meetings for the Municipal Year 2023-24 and this will be proposed as part of the draft meeting schedule.

7. REASON FOR THE RECOMMENDATION

- 7.1 The recommendation allows the Climate Change and Environment Scrutiny Committee to debate the start time of the meeting and make recommendations following debate.
