Nene Valley Rock Festival (NVRF) is a weekend festival of live music, at Nene Park near Peterborough on 31 August to 3 September 2023. It will feature 64 bands playing classic rock, blues rock and progressive rock on three stages housed within fully covered marquees. Nene Valley Rock Festival is run by a group of music fans with broad experience from their involvement in other festivals over the years. 4-day and individual day festival tickets are available with a maximum of 1,000 attendees per day; these are likely to predominantly be 4-day ticket holders with

Continued from previous page...

perhaps 10% being day tickets holder each day.

The festival will use two fields at Nene Park – Horse Meadow will contain within it a fenced-off “Music arena” where the marquees, a designated bar area, food traders, other traders, toilets, etc. will be sited and the paddock area behind Lynch Farm will be used for camping for tents, caravans and motorhomes. Site management will include the provision of all site infrastructure.

The anticipated demographic of attendees is predominantly in the 50+ age group, although there will be younger people too. This is anticipated mainly due to the type of bands who will be playing – the event does not primarily target younger people although younger people are welcome and some are expected. The event hopes to be family friendly, and will offer a friendly, relaxed environment.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

b) The prevention of crime and disorder

The festival will include staffing by professional security personnel supported by volunteer stewards. Volunteers will receive a handbook in advance of the festival setting out their responsibilities and procedures to be followed. This will cover emergency procedures, suspicious packages, bomb threats, terrorist attacks, fire precautions, general site safety, reporting and escalation procedures, etc. Full details to be set out the Event Management Plan and the event Handbook.

The premises licence holder will ensure that the provision of supervisors at the entrance/egress points to the premises is appropriate to ensure the safe control of the premises, and will review this on a regular basis and / or prior to an event taking place via a suitable risk assessment and upon request from the Police and/or the Licensing Authority.

All entrance supervisor staff engaged at the entrance to the premises, or supervising or controlling queues, will wear high-visibility jackets or vests. All volunteer stewards will wear clearly identifiable, similarly coloured apparel provided by NVRF.

All door supervisors sited at the access and egress to the premises will be in possession & operate a body worn camera when licensable activities take place.

An minimum of 2 Security Industry Authority SIA-licensed entrance supervisors will be on duty at the one (and only) public access / egress to the music arena, accessed through a marquee, at all times while it is open for business. One of these two supervisors will be female. They will be responsible for any searches (e.g. bags) and will ensure no alcoholic drinks or banned items are brought into the arena. They will be supported by NVRF volunteers who will issue wristbands.

During operational hours, two SIA people will be on duty within the music arena and to cover the bar and stage areas. If necessary, they who would be available to assist at the gate at the start of the event each day. They will be joined by NVRF volunteers acting as stewards and in other roles.

Continued from previous page...

There will be one backstage entrance for artists and this will be at a point where the public would have no need to go. This will be controlled by NVRF volunteers but should any issue arise the roaming SIA supervisors will be contacted to assist on the basis that the backstage entrance isn't somewhere people might otherwise go (i.e. it is out of the way).

The premises includes a nearby separate Campsite, that has an access / egress point for vehicles from Wistow Way and an exit/entry point to a footpath that leads to the Music Arena. Each of these will be controlled by one SIA supervisor plus at least one NVRF volunteer.

After the Music Arena closes each evening, two SIA supervisors will remain inside the Music Arena overnight and one will remain at the Campsite overnight.

Where the holder of the premises licence employs security personal to carry out a security activity they must be licensed by the Security Industry Authority (SIA). A risk assessment will be carried out to determine the levels of security personal to be on site when the public are in. The Risk Assessment will take into consideration advice from the Purple Guide in respect to minimum number of SIA Door Supervisors.

The premises will install and maintain a comprehensive digital colour CCTV system within the bar area when licensable activities take place, enabling facial identification of every person in the bar area in any light condition. The CCTV cameras will continually record while the premises are open to the public and recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system will be present on the premises at all times when they are open to the public and must be able to produce/ download/ burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format that can be played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (ie. compact disc, flash card etc), a secure storage system to store those recording mediums shall be provided.

The premises licence holder will ensure that the digital CCTV system is fully compliant with the guidance contained in the Information Commissioner's Office (ICO) guidance document (www.ico.org.uk) regarding installation of CCTV at the premises.

An incident log (which may be electronically recorded) will be kept at the premises during the event and thereafter kept for at least six months, and made available on request to the police or an authorised officer of the licensing authority, which will record the following incidents including pertinent details:

- (a) all crimes reported to the venue, or by the venue to the police
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) seizures of drugs, offensive weapons, fraudulent ID or other items
- (f) any refusal of the sale of alcohol
- (g) any visit by a relevant authority or emergency service
- (h) the times on duty, names and the licence numbers of all licensed door supervisors employed by the premises.
- (i) any faults in the CCTV system, searching equipment or scanning equipment

The premises licence holder and/or DPS will carry out a documented risk assessment on the need for searching patrons entering the premises. The risk assessment will be reviewed regularly and no less than every six months.

A clearly visible notice will be placed at each entrance to the premises advising those attending that it is a condition of entry that customers agree to being searched and that the police will be informed if anyone is found in possession of controlled substances or weapons.

There will be a policy agreed with Cambridgeshire Constabulary for the premises relating to illegal drugs, weapons or other prohibited items found on persons attempting to enter or on the premises.

28 days' notice will be given to Cambridgeshire Constabulary and the Licensing Authority of any events held that are organised by an external promoter, including full details of the nature of the event and of the promoter with an anticipated audience of 500 or more persons.

Continued from previous page...

Alcohol will be served in polycarbonate, plastic or shatterproof glasses . Alcohol and soft drinks may also be served in cans provided that the can is opened by bar staff prior to handing to customer. Alcohol served in any VIP area / Artist dressing or 'green' room may be served in glass subject to a suitable risk assessment being completed by the licence holder.

c) Public safety

A full fire risk assessment (as part of a full safety risk assessment) will be completed and be made available for inspection by authorised personnel.

Valid public liability insurance will be kept in force and the copy of the Schedule will be displayed at the venue and will be made available for inspection by authorised personnel.

d) The prevention of public nuisance

No noise will emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance.

The holder of the premises licence will ensure that noise caused by persons using, arriving at or departing from the premises will not cause nuisance or unreasonable disturbance to the occupiers of any residential properties.

The holder of the premises licence will take reasonable measures to minimise any music or amplified speech originating from the premises that is audible inside any residential property at any time. All PA speakers will be located a minimum of 400 metres from the nearest occupied residencies and none shall point towards the nearest residential areas. All amplified music will be performed within marquees or similar structures at all times. Note: For the purposes of this condition noise may be considered inaudible when it is at a low enough level that it is not recognisable as emanating from the source in question and/or it does not alter the perception of the ambient noise environment that would prevail in the absence of the source in question.

The premises licence holder, or a responsible person nominated by them in writing, will receive and respond to complaints throughout the duration of all licensable activities. These complaints shall be recorded and the records made available to the local authority upon request. Such records shall be retained for a minimum of 2 years.

Prominent, clear notices will be displayed at all exits requesting customers and staff to respect the needs of local residents and leave the premises and the area quietly.

While live or recorded music takes place, a competent & suitably qualified person will undertake regular monitoring of noise levels at the nearest noise-sensitive locations. A record will be kept of any monitoring, including the date, time and location of monitoring; the name of the monitor; and any action taken. Records will be kept for no less than six months and shall be made available upon request by a police officer or an authorised officer of Peterborough City Council.

Litter bins will be provided at the premises in sufficient capacity to ensure that customers can adequately dispose of any litter.

No unauthorised advertisement of any kind (including placard, poster, sticker, flyer, picture, letter, sign or other mark) will be inscribed or affixed upon the surface of the highway, or upon any building, structure, works, street furniture, tree, or any other property, or distributed to the public, that advertises or promotes the establishment, its premises, or any of its events, facilities, goods or services.

No inflatable play equipment will be used without the agreement of the Licensing Authority with respect to its hours of use and other conditions as may be appropriate.

e) The protection of children from harm

Measures, such as "Challenge 25" will be put in place to prevent sales of alcohol to persons under the age of 18 at the

Continued from previous page...

premises. Signage will be prominently placed within the premises indicating that the premises operates such measures.

Bar staff will be trained to prevent the sale of alcohol to persons under the age of 18 and documented records of this training will be kept for all bar staff - the records will be made available for inspection by authorised personnel.

Stewarding staff will be trained to cover the procedures to be followed in the event of lost children and documented records of this training will be kept for all stewarding staff - the records will be made available for inspection by authorised personnel.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
